Sabotage Gibbs Smith  
The Six Macs, while camping, find a snail with a purple light in its shell. Flyer MacHigher is visited by Jack of the wood (The Green Lady) in her dream. Jack calls the snail a Purple Orb, she asks Flyer to return it to an underground lake in her sacred wood. The lake is where all the Purple Orbs live. They feed the lake with energy from the moon, which then feeds all the trees including The Green Lady with energy and life. In Jack's wood, there is a five-hundred-year-old wise oak tree, who is Jack's friend. The Six Macs arrive at Jack's wood only to find that it is being destroyed to make way for a science laboratory. It's very noisy with demonstrators and riot police. Jack pleads with The Six Macs in their dreams to help her stop the diggers and chainsaws from destroying her wood. In the morning they raise their fists in the air and shout "The Six Macs" before starting their mission.

In *Meta-Magick: The Book*

of *Atem*, Philip H. Farber combines traditional ritual sensibilities with contemporary concepts of neurolinguistics and memetics to create a unique entity - *Atem*. In this instance, the essence of an entity is encoded in a book and activated by the reader. At the same time, the book is a comprehensive manual of evocation, containing dozens of easy-to-follow rituals and exercises for exploring and creating magical entities of every sort. Farber teaches readers to wake up from their habitual trance, to reprogram themselves to stand in the Mystery without unnecessary mystification. This supercharged fusion of tried-and-true magical and psychological techniques moves beyond trauma, healing, and recovery into self-fulfillment and self-transformation. Combining both disciplines with methods such as intentionality, autohypnosis, visualization, personification, and experiential journeys, Farber creates a powerful system that opens the way to peak experiences, self-knowledge, even cosmic consciousness. Rather than importing

standardized healing images, readers learn to create their own emergent metaphors, their own creative strengths and flexible freedom.

"Epic . . . a story in which the landscape of Iceland is as much a character as Freya, making this an exceptional and unique coming-of-age novel."  
—Washington State Journal  
*Freya Morris* grows up in a typical American suburb—but every summer, she enters another realm entirely when she visits her relatives in Gimli, a tiny village in Canada settled by Icelandic immigrants. Here she falls under the spell of her troubled but charming aunt Birdie, who thrills her with stories of exotic Norse goddesses, moody Viking bards, and the life of her late grandfather, the most famous poet of "New Iceland." But when Birdie tricks Freya into a terrifying scandal, Freya turns her back on everything Icelandic and anything that reminds her of the past. She is living an anonymous, bleak existence in Manhattan when she finally returns to Gimli for the first time in two decades—and

stumbles upon a long-concealed family secret. As Freya becomes increasingly obsessed with unraveling her family's tangled story, she finds herself delving into the very memories she has worked so hard to forget. When the clues dry up in Gimli, Freya journeys to Iceland itself. On this rugged island of vast lava fields and immense glaciers, Freya's quest comes to its unsettling conclusion. A beautifully-written debut novel that deftly weaves together Iceland's distinctive history, ancient mythology, reverence for language, and passion for genealogy, *The Tricking of Freya* is a powerful exploration of kinship, loss and redemption. "Packed with delectable relationships and family secrets . . . we come away charmed, moved, and larger within having toured a hidden world with a passionate guide." —Joan Frank, San Francisco Chronicle

Crete, 1 June, 1941: Overwhelming German airborne forces overrun the gallant Allied resistance defending the Greek island of Crete in the World War II Battle for Crete. They capture 5000 hungry and abandoned Allied troops, attempting an evacuation to Egypt. 'Arty' Dawson, an Aussie Sapper in the Royal Engineers, Sixth Division, finds himself an unwilling POW. This gripping true story traces Arty's two breathtaking escape attempts in Greece and his successful final escape to American lines, from deep inside Europe, as German soldiers flee the advancing Russian Front in the closing stages of the Third Reich. Arty's survival is largely due to luck, combined with the cooperation of his comrades, as well as unexpected and significant help from the Red Cross and the heartfelt forces of family love. Importantly, Arty, a quintessential Aussie bloke, raised in the Great Depression years, finds secret love to keep his spirits alive during the darkest of times.

It's one thing to try to tame a bad boy—but a full-on demon? "Often funny...a rather spicy treat."—Publishers Weekly  
**GOT DEMON?**  
Grace does. She's got more demon than she can saddle. In fact, she's got a sinfully sexy Crown Prince of Hell named Caspian. She's also got ten days to get rid of him or Bad Things shall ensue. See, her Russian mobster exboyfriend didn't take kindly to her smutty Mephistophelean contract. It's not that she's conspiring with fiends; that was his idea. It's that she's conspiring against him with outrageous devilry that runs the gamut from embarrassing to a dead hooker turned dominatrix demon gunning for his soul. One should never trust demons, let alone shag them. They don't have hearts. Yet Grace is buying hers some slightly tarnished armor and hoping that once he's been shoveled into it, kicking and screaming, he'll find it's just his size. This damsel in distress needs a dark knight for a Happily Ever After. "Grace + Caspian = LOL demonic lovin' fun!"—Dakota Cassidy, author of *The Accidental Series*

After two months on board a Russian container ship sailing 15,000 miles across the world, Josie finally arrives in New Zealand with her bike. Over the next nine months she cycles 10,000 kilometres all over North and South Islands while experiencing the wettest, windiest and stormiest year on record. During this time Josie was spat at, shouted at, honked at, and both run off and blown off the road. She got soaked, sunburnt, hailed on and snowed on and was alternately starved and over-fed, over-charged and under-charged. Then there was the wildlife: the possums (both dead and alive): exotic birds such as moreporks (with their eerie call) and fantails (who decided to follow); the ostriches, who liked to chase English cyclists and the harriers, who liked to dive bomb them; the more familiar but no less frustrating farm animals, who provided sheep-jams and cow-blocks to slow Josie down. In *Long Cloud Ride*, Josie brings New Zealand brilliantly to life. Warm, witty and acutely observed as ever, her latest adventure is sure to delight old and new fans

alike.

An uplifting and emotional read from bestselling author Rachel Dove. A broken soldier. Shattered lives. A second chance worth fighting for? Trauma surgeon Kate Harper knows how to keep her head in the most high pressure of situations. Although back home in England her marriage is falling apart, out in the desert she's doing what she does best - saving lives. Until she meets Captain Thomas Cooper. With his life hanging by a thread, it's down to Kate to save Cooper's life. But Cooper doesn't want to be saved... Arrogant, damaged and broken, Cooper thinks his life's over, and he only blames one person - Kate. But when the tables are turned and Kate needs his help, Cooper has to put aside his anger and support the woman who ruined his life. But in helping Kate, Cooper is given another chance at life. And maybe another chance at love. Because this isn't the end for Cooper and Kate. It's only beginning... Please note: This is a re-issue of *The Long Walk Back*. A heartbreaking but

heartwarming story about courage and dedication when the odds are against you. Perfect for fans of Carrie Elks and Colleen Hoover. Hooky Hefferman, private detective, is, as they say in the theatrical profession, 'resting'. So when the thin little man in the shabby blue suit calls to ask for professional advice, though he looks by no means promising as a provider of much-needed funds, Hooky is at least prepared to listen - and finds his interest at once held. Edward Rider wants to stay alive until the following Friday, and asks Hooky to help him achieve this modest ambition. On that day, he is anxious to meet a certain person arriving from Berlin, and it is becoming increasingly obvious that someone is determined to prevent this.

After three years in Credence trying to fade into the background, Della Munroe is sick of being invisible. She's ready to take back control. To live a little. Hell, she's ready to see what this dating fuss is all about. And if that means she has to download Tinder and date every guy in Colorado, then she's up for it. After her first disastrous attempt, she decides navigating online dating

would be better with a wingman, and there's no better person for it than Tucker Daniels. After all, he is a man. And he owns a bar, which practically makes him a relationship expert. He's also her older brother's best friend. Yes, she may have the teeniest tiny inconvenient crush on him, but he's always had her back. Tucker Daniels would rather eat broken glass than watch Della go out with a bunch of douchebag dudes only out for one thing.

Unfortunately, he's never been able to say no to her, and before he knows it, Tucker's not only vetting her dates—he's teaching her to drive, helping her move out, and buying her a puppy! But when Della wants him to tutor her in more intimate arts, he freaks out.

Because this little sister is strictly off-limits, and saying yes to Della is asking for a whole lot of trouble. Each book in the Credence, Colorado series is STANDALONE: \*

Charles. When her career is outsourced to Asia, fledgling romance author and empty-nester Gracie Elliott wants a job that will allow her time to write. So she opens Relatively Speaking, becoming a wing woman to the senior set. Since her clients need several hours each morning to find their teeth, lube their creaky joints, and deal with lower GI necessities, and they always turn in after the early bird specials, she has plenty of time to pen her future bestsellers.

Gracie deliberately avoids mentioning her new business venture to husband Blake until after she signs her first client. Blake joins the company as a not-so-silent partner, tagging along to make sure Gracie doesn't cause a septuagenarian uprising. When Client #13 is found murdered in the parking lot behind the Moose Lodge, Gracie knows, no matter how much Blake protests otherwise, she can't wait around for the police to find the killer if she wants to save her livelihood.

Darcy Merriweather is Salem's newest resident Wishcrafter—a witch who can grant wishes for others. While Darcy isn't able to grant wishes for herself, she does possess a certain knack for solving problems—including the occasional murder... When Darcy is hired by Elodie Keaton to clean up her missing mother's disorderly home, the Wishcrafter is certainly up for the task. After all, the motto of her Aunt Ve's personal concierge service As You Wish is "No Job Impossible." But beneath the piles of old newspapers and knickknacks Darcy discovers something much more disturbing—Patrice Keaton's body. Darcy's determined to give Elodie peace of mind by investigating her mother's disappearance and death. Patrice was last seen over a year ago after a fight with her Charmcrafter boyfriend. Was her murder a crime of passion? Or were Patrice's troubles caused by the Anicula, a wish-granting amulet? Now Darcy has to not only find a killer, she has to find the Anicula—before the power of ultimate wish fulfillment falls into the wrong hands...

Sex and Zen & A Bullet in the Head Hachette UK How to find the soft innovation that will make your product, service, school, church, or career worth talking about. We live in an era of too much noise, too much clutter, too many choices, and too much spam. And as Seth Godin's 200,000-copy bestseller Purple Cow taught the business world, the old ways of marketing simply don't work anymore. The best way to sell anything these days is through word of mouth and the only real way to get word of mouth is to create something remarkable. Free Prize Inside, the sequel to Purple Cow, explains how to do just that. It's jammed with practical ideas you can use right now to make your product or service remarkable, so that it will virtually sell itself. Remember when cereal came with a free prize inside? Even if you already liked the cereal, it was the little plastic toy that made it irresistible. Godin explains how you can think of a bonus that will make your customers feel just as excited, no matter what business you're in. Consider these free prizes: • The Tupperware party, which

turned buying plastic bowls into a social event • Flintstones vitamins, which turned a serious product into something fun • The free change-counting machine at every Commerce Bank branch • The little blue box from Tiffany, which makes people happy before they even open it

This book offers a way to create free prizes quickly, cheaply, and reliably and persuade others in your organization to help you bring them to life.

In “a terrific piece of travel writing” a music journalist and New Yorker staff writer “takes us on a tour through the roots of American rural music” (The Guardian). “Where lies the boundary between meaning and sentiment? Between memory and nostalgia? America and Americana? What is and what was? Does it move?”

—Donovon Hohn, “A Romance of Rust” Part travelogue, part cultural criticism, part music appreciation, It Still Moves does for today’s avant folk scene what Greil Marcus did for Dylan and The Basement Tapes.

Amanda Petrusich outlines the sounds of the new, weird

America—honoring the rich tradition of gospel, bluegrass, country, folk, and rock that feeds it, while simultaneously exploring the American character as personified in all of these genres historically. Through interviews, road stories, geographical and sociological interpretations, and detailed music criticism, Petrusich traces the rise of Americana music from its gospel origins through its new and compelling incarnations (as evidenced in bands and artists from Elvis to Iron and Wine, the Carter Family to Animal Collective, Johnny Cash to Will Oldham) and explores how the genre is adapting to the twenty-first century. Ultimately the book is an examination of all things American: guitars, cars, kids, motion, passion, enterprise, and change, in a fervent attempt to reconcile the American past with the American present, using only dusty records and highway maps as guides. “Like a smart, genial Persephone, Amanda Petrusich wanders the underworld of American roots music and reports back her insights with an open mind and an open heart.” —Anthony

DeCurtis, Rolling Stone “Sharply observed, intensely felt.” —Simon Reynolds, author of Rip It Up and Start Again: Postpunk 1978–84

W przeszłości wszelkie informacje dotyczące konopi miały charakter tajemny. Teraz, gdy coraz więcej państw wycofuje się z całkowitego zakazu jej używania, nadarza się okazja, a wraz z nią pojawia się wręcz poczucie obowiązku, aby rzucić nowe światło na ten opacznie rozumiany zakątek ezoterycznej duchowości.

Rozpoczynając od przyjrzenia się najdawniejszym czasom i starożytnym eliksirom, a kończąc na wypowiedziach współczesnych mistyków, takich jak Aleister Crowley czy Timothy Leary, Philip H. Farber przedstawia sposoby na bezpieczne i skuteczne używanie konopi podczas praktyk magicznych. W swojej książce prezentuje rys historyczny, opinie najbardziej znanych magów rytualnych i zwolenników konopi, obala najpopularniejsze mity dotyczące marihuany oraz opisuje dokładne

instrukcje tworzenia rytuałów z zastosowaniem tego wyjątkowego daru natury. Dowiedz się, jak wykorzystywać tę świętą roślinę w takich praktykach magicznych, jak: - wezwanie, - przywoływanie, - wygnanie, - medytacja, - uzdrawianie energią, - dywinacja/wróźbiarstwo, - aktywacja czakr, - praca z przodkami, - dokonywanie zmian na świecie.

**Wild Ride** A&C Black Awnia is a Sun Goddess, cursed by her mother, Temptress, to never find a mate. She was cast down to Earth to make her way among humans and always hiding from her mother's wrath. Awnia is trapped by a man she calls Hatter, a sadistic creep whose intent is to kill her once and for all—Temptress promised to pay him well. The wave of magic that hits Awnia hurts her bad this time, and if she doesn't get away, she will die. The only thing she knows to do is to call out to her old friend Vinnie. His fire is the only thing that will heal her wounds. Russel Hawkmen, Hawk to his friends, receives a message from Samuel that Vinnie needs his help to rescue an old friend. Vinnie's dragon and his mate are already on the

way to find Awnia, but he can't communicate with her while in his dragon form. He needs Hawk's special skills to find her. From the moment Hawk's lips take Awnia's he knows she's his mate. A mate he never thought to find. But Awnia isn't so sure, and she doesn't want to find out. She likes the shapeshifter, and if he isn't her true mate, the test will destroy him....

Legend says that with a mate, she will be strong enough to defeat Temptress. But she can't take that chance—she loves him too much.... Will Temptress win after all? Find out in the final installment of Samuel's Pride—Hawk.
