"You've seen the woman in the photo. The woman screaming . . ." So begins the story of Molly Valle, who at forty-eight thinks she knows all that life has to offer a single, middle-aged woman--namely, men's dismissal and disrespect. But when handsome activist John Pressman arrives in her Mississippi hometown, he challenges her self-doubt along with nearly everything else in her world. Soon, Molly discovers a strength and beauty she never knew she had--and a love so powerful, it can overcome the most tragic of consequences. *The Magnolia That Bloomed Unseen* is a love story, an adventure novel, and a self-realization journey. It reignites the truth that many women--

and men--have unconsciously extinguished: you are special and worthy of love, and it's never too late to make your dreams come true.

Jenna and Ryder are far from friends—until a storm stirs up their passion in this contemporary southern romance from New York Times bestselling author Kristi Cook. In *Magnolia Branch*, Mississippi, The Cafferty and Marsden families are practically royalty. Neighbors since the Civil War, the families have shared vacations, holidays, backyard barbecues, and the overwhelming desire to unite their two clans by marriage. So when the families finally have a baby boy and girl at the same time, the perfect opportunity seems to have arrived. Except Jemma Cafferty and Ryder Marsden have no intention of giving in to their parents' wishes. They're only seventeen—oh, and also? They hate each other. Jemma can't stand Ryder's nauseating golden-boy persona, and Ryder would prefer it if stubborn-headed Jemma didn't exist. And their communication is not exactly effective: even a casual hello turns into a yelling match. But when a violent Mississippi storm ravages through *Magnolia Branch*, it unearths feelings Jemma and Ryder didn't know they had. And the line between love and hate just might be thin enough to cross...

A USA Today Bestselling Book! ★★★★★ "A beautiful story of brokenness, forgiveness, and second chances." -- Reviewer If my mother thought that restoring the run down family inn would break me, she was wrong. The hardest part of falling in love with the small town of *Magnolia* and my grumpy handyman is knowing at some point, I'm going to have to sell the inn and leave. Maggie My ex-husband left me for my best friend. I'm 36, unemployed, and about to be evicted. My only option is to ask my estranged mother for help. She offers me a deal: fix up the run down family inn on the small island of *Magnolia* and any of the proceeds I can make off the sale, will be mine to invest. Determined to start believing in myself, I roll into town with an unhealthy amount of optimism. The only person who is going to stop me, is me. That is, until I meet my grumpy handyman. He has more walls built up around his heart than the three story inn I'm restoring, but I'm determined to break them down. Even if he's determined to stop me. Clementine I meant to leave *Magnolia* at some point in my life. With a full ride scholarship to Juilliard, my dream was to dance. But Dad got sick and I needed to stay to run the local hardware store. Plus, there's no way I can rely on my older brother, Archer, who can't outrun the ghosts of his past. When Maggie blows into town, I can't help but feel inspired by her desire to reinvent herself and when she asks for the local handyman, it becomes the perfect opportunity to provide Archer with purpose and perhaps, a little bit of sunshine. As our friendship grows, I realize just how much I needed a sisterhood. And when I catch Archer smiling, I realize that he needed Maggie as well. I just hope that when the time comes to sell the inn, Maggie fights to stay, because I'm not sure we could handle the heartbreak if she leaves. The *Magnolia Inn* will capture you from page one. ★★★★ "I love everything about this series, the town, the newly discovered love, but mostly the new and enduring friendships." --Reviewer I thought when Craig walked out on me, that was it. I was never going to find love again... I was wrong. Welcome to Magnolia Shari I have discovered that being a single mom is one of the hardest things I've ever done. The last thing on her mind is joining the Magnolia Maid brigade and parading around town in a dress so big she can't even fit through doors. So when she finds herself up to her ears in ruffles and etiquette lessons, she's got one mission: Escape. What's a hipster to do? Will Jane survive Bienville boot camp intact or will they--gasp!--make a Southern belle out of her yet?

The objective of this book is to develop leadership principles from two directions - the scientific and the practical perspective - that are both application-oriented and universally applicable as well as effective and flow into a holistic leadership framework. Both the hermeneutic and the empirical analysis show that the basic principles of holistic, application-oriented, universally applicable and effective leadership can be described with the duality of transactional management and transformational leadership principles, taking into account core traits and alignment with follower needs. These in turn lead to a collection of essential principles of effective leadership known as the "eclectic leadership framework". The essential finding is that the basic principles are complementary and that a clear focus on people and their needs is the most effective way to lead. [Magnolia](#) Tyndale House Publishers, Inc.

From Ben and Erin Napier, the stars of the hit HGTV show Home Town, comes Make Something Good Today, a memoir that tells us all to seek out the good in life, celebrate the beauty of family and friends, and prosper within our communities because everything we need in life to be happy, is within our grasp. Long before their hugely popular TV show, an expanding family, or demolition day on their dream home, Erin began keeping a daily online journal to help her stay focused on the positive and count her blessings in life. She never expected that her depictions of small-town life in the tiny swath of Mississippi where she Ben call home would catch the eye of a television producer and set them off on the journey of a lifetime. Make Something Good Today offers a behind-the-scenes glimpse into the struggles and triumphs of a couple that America has come to know and love for their easy humor, adoring relationship, and ability to utterly transform a place into something beautiful and personal. This is the poignant story of how Erin and Ben took a small, tight-knit town into their own hands (literally) and used ingenuity, community, and authenticity to rebuild a once-thriving American Main Street. And how, by combining Ben's carpentry skills with Erin's design eye, Home Town is making it clear to us all that small-town living can feel as big as you make it. Complete with family photographs, Erin's hand-painted sketches, and never-before-heard personal stories, this inspirational memoir reminds us all not to give up hope that great love stories are possible, big things can bloom in small towns, and there is always magic in the ordinary if you know where to look for it.
