This History is the first in a century to trace the development and impact of the novel in French from its beginnings to the present. Leading specialists explore how novelists writing in French have responded to the diverse personal, economic, socio-political, cultural-artistic and environmental factors that shaped their worlds. From the novel's medieval precursors to the impact of the internet, the History provides fresh accounts of canonical and lesser-known authors, offering a global perspective beyond the national borders of 'the Hexagon' to

explore France's colonial past and its legacies. Accessible chapters range widely, including the French novel in Sub-Saharan Africa, data analysis of the novel system in the seventeenth century, social critique in women's writing, Sade's banned works and more. Highlighting continuities and divergence between and within different periods, this lively volume offers routes through a diverse literary landscape while encouraging comparison and connection-making between writers, works and historical periods. *Exhaustion* Duke University Press
 There are three types of people in the Exosian Realm--males, females, and pirates. I'm a pirate. One with six overprotective fathers for a crew. And if I'm telling the honest truth, not just the pirate truth, having so many fathers is working pretty well for me so far. When

I'm caught eavesdropping on the pirates of Malice, they retaliate with violence, and my fathers become set on revenge. But simple payback cascades into shattering misfortune. Unexplainable magical happenings and impossible creatures propel me toward a fate much darker than stealing plunder. A terrible beast drags forth horrible truths of my fathers' pasts which call my entire life into question. Now, my sheltered upbringing is swelling into a furious storm that I must, for the first time in seventeen years, navigate without my crew. An intense russet-haired landlubber seeks to help me. A savvy silver-eyed Malice pirate strives to hinder me. But the further I drift, the more I wonder--am I helping or hindering myself? Can I stand on my own two feet to claim victory? And if so. . .what will that victory cost? Prepare to sail into a realm of gritty

high-stakes adventure, swashbuckling characters, forgotten magic, and slow-burn romance. A story full of heart with a large twist of humor, discover this exciting new tale by USA Today Bestselling author, Kelly St Clare, today!

In the wake of the Dropsite Massacre at Isstvan V, the survivors of the Salamanders Legion searched long and hard for their fallen primarch, but to no avail. Little did they know that while Vulkan might have wished himself dead, he lives still. As the war continues without him, all eyes turn to Ultramar and Guilliman's new empire there, and Vulkan's sons are drawn into an insidious plot to end the Heresy by the most underhand means imaginable.

Peru's Truth and Reconciliation

Commission not only documented the political violence of the 1980s and 1990s but also gave Peruvians a unique opportunity to examine the causes and nature of that violence. In *Art from a Fractured Past*, scholars and artists expand on the commission's work, arguing for broadening the definition of the testimonial to include various forms of artistic production as documentary evidence. Their innovative focus on representation offers new and compelling perspectives on how Peruvians experienced those years and how they have attempted to come to terms with the memories and legacies of violence. Their findings about Peru offer insight into questions of art, memory, and truth that resonate throughout Latin America in the wake of "dirty wars" of the last half century. Exploring diverse works of art, including memorials, drawings, theater, film, songs, painted wooden retablos (three-dimensional boxes), and fiction, including an acclaimed graphic novel, the contributors show that art, not constrained by literal truth, can generate new opportunities for empathetic understanding and solidarity. Contributors: Ricardo Caro Cárdenas, Jesús Cossio, Ponciano del Pino, Cynthia M. Garza, Edilberto Jiménez Quispe, Cynthia E. Milton, Jonathan Ritter, Luis Rossell, Steve J. Stern, María Eugenia Ulfe, Víctor Vich, Alfredo Villar

Fantasy of Frost K St. Clare

The Book of Judith tells the story of a fictitious Jewish woman beheading the general of the most powerful imaginable army to free her people. The parabolic story was set as an example of how God will help the righteous. Judith's heroic action not only became a validating

charter myth of Judaism itself but has also been appropriated by many Christian and secular groupings, and has been an inspiration for numerous literary texts and works of art. It continues to exercise its power over artists, authors and academics and is becoming a major field of research in its own right. The *Sword of Judith* is the first multidisciplinary collection of essays to discuss representations of Judith throughout the centuries. It transforms our understanding across a wide range of disciplines. The collection includes new archival source studies, the translation of unpublished manuscripts, the translation of texts unavailable in English, and Judith images and music.

Oily taint suffocates the realm. Experiencing the taint firsthand has convinced me to join an impossible fight to save what remains of the realm. I can hardly do otherwise with the light show occurring each time I touch Caspian and Jagger. But there's just one problem. Saving the realm means embarking on a quest into the Dynami Sea - a place no pirate enters because no pirate leaves. My fathers are determined to save our new landlubber guests on Zol, whose very souls depend on our success. Jagger is set on isolating himself in my crow's nest. And the only time Caspian smiles now is when he looks my way. Me? I just want to secure the remaining three pieces of the weapon - and maybe figure out what this kissing business is about. Set sail for dangerous seas with a crew of mostly honest pirates, fierce immortals, and age-old mysteries. This early work by Henry James was originally published in 1909 and we are now republishing it with a brand new introductory biography. Henry James was born in New York City in 1843. One of thirteen children, James had an unorthodox early education, switching between schools, private tutors and private reading. James published his first story, 'A Tragedy of Error', in the *Continental Monthly* in 1864, when he was twenty years old. In 1876, he emigrated to London, where he remained for the vast majority of the rest of his life, becoming a

British citizen in 1915. From this point on, he was a hugely prolific author, eventually producing twenty novels and more than a hundred short stories and novellas, as well as literary criticism, plays and travelogues. Amongst James's most famous works are *The Europeans* (1878), *Daisy Miller* (1878), *Washington Square* (1880), *The Bostonians* (1886), and one of the most famous ghost stories of all time, *The Turn of the Screw* (1898). We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

This book examines reasons, processes and consequences of housing displacement in different geographical contexts. It explores displacement as a prime act of housing injustice - a central issue in urban injustices. With international case studies from the US, the UK, Australia, Canada, India, Spain, Denmark, Sweden, and Hungary, this book explores how housing displacement processes are more diverse and mutate into more new forms than have been acknowledged in the literature. It emphasizes a need to look beyond the existing rich gentrification literature to give primacy to researching processes of displacement to understand the socio-spatial change in the city. Although it is empirically and methodologically demanding for several reasons, studying displacement highlights gentrification's unjust nature as well as the unjust housing policies in cities and neighborhoods that are simply not undergoing gentrification. The book also demonstrates how expulsion, though under-researched, has become a vital component of contemporary advanced capitalism, and how a focus on gentrification has hindered a potential focus on its flipside of 'displacement', as well as the study of the occurrence of poor cleansing from a long-term historical perspective. This book offers interdisciplinary perspectives on housing displacement to academics and researchers in the fields of urban studies, housing, citizenship and migration studies interested in housing policies and governance practices at the urban scale.

From USA Today Bestselling Author K Webster comes an enemies-to-lovers, angsty college romance in the intense, page-turning Elite Seven series! My life has been served to me on a gold platter to be devoured by my silver spoon. Money, money, and more money. It's the backbone of the Goddard name. I'm the only son, so it's all mine for the taking. But sometimes money isn't enough. I always want more, yet nothing seems to satisfy me. My father has made sure I become a part of The Elite Seven. Where most candidates are chosen, I was given my place. Everything comes at a price, though. Luckily, I can afford any price—no one has more money than God. The Elite Seven have their initiations. My task is personal and beneath me—steal a car and send a warning. It'll hurt my best friend in the process, but we both made a pact going into this. There's no line we won't cross. My task makes an ugly turn and I nearly take a life. Such a small, unimportant person. Someone no one would even notice if she were gone. She's a problem my money, and now power, can easily sweep under the rug. It's what my father wants. It's what my brothers in The Elite Seven want. Yet when she finally opens those big, innocent brown eyes, I realize I've found what I've been searching for my entire life. I don't want my little problem to disappear...I want to keep her. Money is my legacy, but I want something money can't buy. I am Baxter Samuel Goddard, V. I am Gluttony.

I know many things. What I am capable of, what I will change, what I will become. But there is one thing I will never know? The veil I've worn from birth carries with it a terrible loneliness; a suppression I cannot imagine ever being free of. Some things never change? My mother will always hate

me. Her court will always shun me. 'Until they do. When the peace delegation arrives from the savage world of Glacium, my life is shoved wildly out of control by the handsome Prince Kedrick who, for unfathomable reasons, shows me kindness. And the harshest lessons are learned. Sometimes it takes the world bringing you to your knees to find that spark you thought forever lost. Sometimes it takes death to show you how to live.

"The Caribbean has a powerful, modern tradition of fantastic literature that's on full display in this anthology of original fiction by writers from Barbados, Trinidad and Tobago, and Bermuda...None of these writers is likely to be familiar to American audiences, but all are worth getting to know. Readers who love the writing of Nalo Hopkinson, Tobias S. Buckell, and Lord herself will savor this volume." -- Publishers Weekly, Starred review "New Worlds, Old Ways fulfills its promise of arriving at a recognizable genre of Caribbean speculative fiction. Prior to this collection we have not had any reader-friendly approaches that have directly addressed the genre of Caribbean speculative fiction. Lord, and the various writers in this collection, have given readers access to a hitherto unexplored genre, one that differentiates as well as connects to the treasure trove of Caribbean literature. The collection is a boon for scholars and reading aficionados of the Speculative Fiction genre. And as the editor states, true to its world, *New Worlds, Old Ways* offers both depth and delight without disappointment. It suggests that if one looks closely enough, they will find that Caribbean fiction has always been speculative." --SX Salon Do not be misled by the "speculative" in the title. Although there may be robots and fantastical creatures, these common symbols are tools to frame the familiar from fresh perspectives. Here you will find the recent past and ongoing present of government and society with curfews, crime, and corruption; the universal themes of family, growth and death, love

and hate; the struggle to thrive when power is capricious and revenge too bittersweet. Here too is the passage of everything—old ways, places, peoples, and ourselves—leaving nothing behind but memories, histories, and stories. This anthology speaks to the fragility of our Caribbean home, but reminds the reader that although home may be vulnerable, it is also beautifully resilient. The voice of our literature declares that in spite of disasters, this people and this place shall not be wholly destroyed. Read for delight, then read for depth, and you will not be disappointed. Brand-new stories by: Tammi Browne-Bannister, Summer Edward, Portia Subran, Brandon O'Brien, Kevin Jared Hosein, Richard B. Lynch, Elizabeth J. Jones, Damion Wilson, Brian Franklin, Ararimeh Aiyejina, and H.K. Williams. *New Worlds, Old Ways* is the third publication of Peekash Press, an imprint of Akashic Books and Peepal Tree Press committed to supporting the emergence of new Caribbean writing, and as part of the CaribLit project.

Today our fatigue feels chronic; our anxieties, amplified. Proliferating technologies command our attention. Many people complain of burnout, and economic instability and the threat of ecological catastrophe fill us with dread. We look to the past, imagining life to have once been simpler and slower, but extreme mental and physical stress is not a modern syndrome. Beginning in classical antiquity, this book demonstrates how exhaustion has always been with us and helps us evaluate more critically the narratives we tell ourselves about the phenomenon. Medical, cultural, literary, and biographical sources have cast exhaustion as a biochemical imbalance, a somatic ailment, a viral disease, and a spiritual failing. It has been linked to loss, the alignment of the planets, a perverse desire for death, and social and economic disruption. Pathologized, demonized, sexualized, and even weaponized, exhaustion unites the mind with the body and society in such a way that we attach larger questions of agency, willpower, and well-being to its symptoms. Mapping these political, ideological, and creative currents across centuries of human development, *Exhaustion* finds in our struggle to overcome weariness a more significant effort to master ourselves.
