**In the Afternoon of Time** Simon and Schuster  
Yogananda was one of the most significant spiritual teachers of the 20th

century. Since his classic, *Autobiography of a Yogi*, was first published in 1946, its popularity has increased steadily throughout the world. *The Essence of Self-Realization* is filled with lessons and stories that Yogananda shared only

with his closest disciples, this volume offers one of the most insightful and engaging glimpses into the life and lessons of a great sage. Much of the material presented here is not available anywhere else.

India is a vast country of continental size. Despite increasing literacy, English continues to be the link language for want of acceptable language within the country. However, Hindi still remains the language of the masses, spoken by more than half the population and understood by nearly three-fourths. Although Hindi is taught in school syllabi, its purpose is purely academic that hardly serves to promote national unity through ease in conversation. Understanding this need in filling this disjointed gap, V&S Publishers has taken the first fledging step by deciding to bring out a conversational Indian Language series, beginning with Telugu-to-Hindi module, in the name of "e;sampurna vyakaran sahit....."e;After years of research and hard work and supported by knowledgeable persons of literary taste, we have come out with this unique volume that is significantly different from all the other language learning courses out there. The major difference: this module format also provides the basics of grammar which are absent from all the

other titles in the market. These basics of grammar not only provide knowledge base of the language, but also enable an individual to learn the language while speaking it. #v&spublishers  
**Each Journey Begins with a Single Step**

 NEW YORK TIMES  
 BESTSELLER \* MORE  
 THAN ONE MILLION  
 COPIES SOLD "A provocative read...There are few tomes that coherently map such broad economic histories as well as Mr. Dalio's. Perhaps more unusually, Mr. Dalio has managed to identify metrics from that history that can be applied to understand today." —Andrew Ross Sorkin, The New York Times From legendary investor Ray Dalio, author of the #1 New York Times bestseller Principles, who has spent half a century studying global economies and markets, Principles for Dealing with the Changing World Order examines history's most turbulent economic and political periods to reveal why the times ahead will likely be radically different from those we've experienced in our lifetimes—and to offer practical advice on how to navigate them well. A few

years ago, Ray Dalio noticed a confluence of political and economic conditions he hadn't encountered before. They included huge debts and zero or near-zero interest rates that led to massive printing of money in the world's three major reserve currencies; big political and social conflicts within countries, especially the US, due to the largest wealth, political, and values disparities in more than 100 years; and the rising of a world power (China) to challenge the existing world power (US) and the existing world order. The last time that this confluence occurred was between 1930 and 1945. This realization sent Dalio on a search for the repeating patterns and cause/effect relationships underlying all major changes in wealth and power over the last 500 years. In this remarkable and timely addition to his Principles series, Dalio brings readers along for his study of the major empires—including the Dutch, the British, and the American—putting into perspective the "Big Cycle" that has driven the successes and failures of all the world's major countries throughout history. He reveals the

timeless and universal forces behind these shifts and uses them to look into the future, offering practical principles for positioning oneself for what's ahead.

We are extremely excited to have partnered with Songdew to celebrate and honor the eminent Urdu poet and lyricist, Late Dr Rahat Indori. Through couplets, ghazals and poems on a range of topics and social issues such as the status of women in society, he gained an unmatched status in the world of poetry as his work resonates with each and every generation. As an ode to him, we are happy to be part of a tribute dedicated to him and his exceptional work. This initiative gives upcoming artists a chance to showcase their talent on a national platform through their compositions based on Rahat ji's work. All the nine artists are extremely talented and it is an absolute pleasure to present their songs to all the avid music admirers. Also, just like Rahat ji's words weaved our imagination with hope, laughter and love; it's also equally marveling to see artists reimagining the

lyrics and transforming his words into vivid paintings. This collaboration is our bid to memorialize him and his work for our listeners that cherish him and his legacy. - Sunil Kumaran (Big FM)

The nationwide lockdown in 2020 to curb the spread of Covid-19 left millions of migrant labourers without jobs, food and shelter. Desperate and helpless, most took to the road, embarking on the long, often fatal, journey home. Ritesh, Ashish, Ram Babu, Sonu, Krishna, Sandeep and Mukesh-migrants from Bihar-undertook a similar journey on their bicycles that lasted for seven days and seven nights. Their harrowing trip from Ghaziabad, Uttar Pradesh, to their hometown of Saharsa as they braved police lathis and insults, and battled hunger, exhaustion and fear, was documented by National Award-winning filmmaker Vinod Kapri. 1232 km is a story of the extraordinary courage of seven men in the face of tremendous odds.

As the shocking truth about each of their families emerges, Tessa and Hardin's relationship

is shaken to its very foundation, and Tessa is unsure if she can save Hardin from his own destructive behaviors.

**After Ever Happy** Swift Press

The need of the hour is holistic education for students having a balance across academic, skills development and spirituality. The life skills have been ignored for many decades now. This book is for teachers but equally suits parents and professionals. The goal of the book is to bring the capabilities of life skills to students through teachers and parents. This book brings forth life skills such as Problem-Solving, Observation, Analysis, Emotional Quotient, Social Quotient, Change Management, Discrimination. The practice of life skills helps grow our virtues over time. These virtues are fundamental to human values. Through the practice of human values, we address the source of the problem. These life skills are a game-changer which helps to live a happy, healthy and content life. The author suggests a more efficient education model which can enable a balance between academics, skills

development and spirituality. This new model empowers teachers, engages students and increases the overall productivity of all. About the author Rajshekhar is a consultant and trainer by profession with two decades of experience in different Industries. He carries experience in the industries such as Software, Education, Construction and Marketing. He is expert in the quick transformation journey of corporates. He believes in working smart through identifying leverages in the system. *The Endtime Family V&S Publishers*

People of good will on both the left and the right are secretly asking themselves the same question: how has the conversation on race gone so crazy? Bestselling author and acclaimed linguist John McWhorter argues that an illiberal neoracism, disguised as antiracism, is hurting black communities and weakening the social fabric. We're told to read books and listen to music by people of colour but that wearing certain clothes is 'appropriation.' We hear that being white automatically gives you privilege and that being

black makes you a victim. We want to speak up but fear we'll be seen as unwoke, or worse, labelled a racist. According to John McWhorter, the problem is that a well-meaning but pernicious form of antiracism has become, not a progressive ideology, but a religion – and one that's illogical, unreachable, and unintentionally neoracist. In *Woke Racism*, McWhorter reveals the workings of this new religion, from the original sin of 'white privilege' and the weaponization of cancel culture to ban heretics, to the evangelical fervour of the 'woke mob.' He shows how this religion that claims to 'dismantle racist structures' is actually harming his fellow black Americans by infantilizing black people, setting black students up for failure, and passing policies that disproportionately damage black communities. The new religion might be called 'antiracism,' but it features a racial essentialism that's barely distinguishable from racist arguments of the past. Fortunately, for all of us, it's not too late to push back against woke racism.

McWhorter shares scripts and encouragement with those trying to deprogramme friends and family. And most importantly, he offers a roadmap to justice that actually will help, not hurt, black people. A NEW YORK TIMES BESTSELLER

HarperCollins

The inspiring story of one of India's greatest wrestling coaches. In 2000, after the Olympic Games closed with much fanfare in Sydney, legendary wrestler Mahavir Singh Phogat watched, dejected, as the prize reserved by his state government for the winner of an Olympic gold medal went unclaimed. Determined to never see this instance repeated, Phogat decided to do the unthinkable. Much to his neighbours' curiosity, he spent two days digging a pit in his courtyard and asked his young daughters and nieces to join him there at the break of dawn one day. Little did they know that this unusual command from their father would change their lives forever. Yet, each of their wins in the ring, every ambition he had for them, came at

great personal cost. In the small village of Balali in Haryana, a state infamous for its practice of female foeticide and low literacy rates, Phogat had to battle not just deep social stigma and an apathetic government but also a disapproving family and personal tragedy to train the girls in his sport.

Akhada tells the remarkable story of a man of tremendous fortitude, of a father who fought against all odds to give his daughters a future they could not have dreamed for themselves.

**Woke Racism** Hampton Roads Publishing

Leah is a loveable six-year-old with a lot to learn. This compilation of 10 short stories takes you on a journey into Leah's life. Read all about her adventures with her charcoal black puppy Ash and her adorable younger sister Autumn. There is no such thing as being too early for life lessons.

Leah's parents make sure she learns all about the value of life and being grateful for all the little things. All while having fun and creating beautiful memories that make life special.

In a remote village in the foothills of the Himalayas,

a gifted but unknown poet named Kalidas nurtures an unconventional romance with his youthful muse, Mallika. When the royal palace at Ujjayini offers him the position of court poet, Kalidas hesitates, but Mallika persuades him to leave for the distant city so that his talent may find recognition. Convinced that he will send for her, she waits. He returns years later, a broken man trying to reconnect with his past, only to discover that time has passed him by. // A classic of postcolonial theatre, Mohan Rakesh's Hindi play is both an unforgettable love story and a modernist reimagining of the life of India's greatest classical poet. It comes alive again in Aparna and Vinay Dharwadker's new English translation, authorized by the author's estate. This literary rendering is designed for performance on the contemporary cosmopolitan stage, and it is enriched by extensive commentary on the play's contexts, legacy, themes and dramaturgy.

Safety Book State University of New York Press

The traditional understanding of Shiva told through stories and

teachings from the Shiva Mahapurana • Explains Shiva's contradictory forms, such as destroyer or benefactor, and how his form depends on the needs of the devotee • Reveals how Shiva's teachings allow one to see through the illusions at the root of all grief and alienation in human life • Explores Shiva's relationships with Durga, Shakti, Sati, and Parvati and with his sons Ganesha and Kartikeya Shiva, the most ancient and complex deity of the Hindu pantheon, has been portrayed in many contrasting lights: destroyer and benefactor, ascetic and householder, wild demon slayer and calm yogi atop Mount Kailash. Drawing from the Hindu sacred text the Shiva Mahapurana--said to be written by Shiva himself--Vanamali selects the essential stories of Shiva, both those from his dark wild side and those from his benevolent peaceful side. Vanamali discusses Shiva's many avatars such as Shambunatha and Bhola, as well as Dakshinamurti who taught the shastras and tantras to the rishis. She explores Shiva's relationships with Durga, Shakti, Sati, and Parvati and with his sons

Ganesha and Kartikeya. Examining Shiva's acceptance of outsiders, Vanamali explains why ghosts and ghouls are his attendants and why his greatest devotees are demon kings, like Ravana. She includes famous Shiva stories such as the Descent of the River Ganga and Churning the Milky Ocean as well as those that reveal the origin of the festival of lights, Diwali; his creation of the cosmic couple, or hierogamos; and how Shiva and Parvati taught the world the secrets of Kundalini Shakti. The author also draws upon Shaivite teachings to illustrate the differences between Western science and Vedic science and their explanations for the origins of consciousness. Integrating Shiva's two sides, the fierce and the peaceful, Vanamali reveals that Shiva's form depends on the needs of the devotee. Understanding his teachings allows one to see through the illusions at the root of all grief and alienation in human life, for Shiva is the wielder of maya who does not fall under its spell. While Ganesha is known as the remover of obstacles, Shiva is the remover of tears.

### Bollywood and its Other(s) Springer

Catwoman: Nine Lives of A Feline Fatale is a thrilling celebration of one of the most popular female icons of all time. Since her inception in 1940, Catwoman has evolved from a simple cat burglar into a complex character who has played the role of both villain and heroine. An entertaining volume that spans the entire career of Batman's most alluring nemesis, this book reprints nine of Catwoman's most significant adventures, including her first felonious appearance as well as her most memorable battle with the Dark Knight.

### *Effective Communication Skills For Scientific And Technical Professionals*

Simon and Schuster  
This is a book of guidance for life's journey rooted in the wisdom of ancient China. Best-selling author Deng Ming-Dao provides key poetic lines that distill the essence of Taoism, organizing them in the form of a journey. The material here is drawn from three sources: The Tao Te Ching, The Yijing, and 300 Tang Poems. Deng Ming-Dao writes: "We walk the Way each day. We don't know what's ahead and so it's

helpful to have the wisdom of others to guide us. They have left us a message to encourage us. They have spoken of the joys, griefs, and purity that we should embrace. Like good pathfinders, they give us direction and prepare us for what we might encounter. They let us walk for ourselves. We have a wonderful companion for the journey." The following lines reflect the inspirational nature of this book: "A good traveler leaves no footprints." "Think three times, then move." "Words can be worth a thousand pieces of gold." "Ancestors plant trees. Descendants enjoy cool shade." "A journey of one thousand miles begins with a single step." This is a lovely package that will function as a gift for all occasions and as an object for those looking for daily sustenance on life's journey.

Everything Men Know about Women Liveright Publishing  
Throughout Indian history, many authors and performers have produced, and many patrons have supported, diverse tellings of the story of the exiled prince Rama, who rescues his abducted wife by battling the demon king who has

imprisoned her. The contributors to this volume focus on these "many" Ramayanas. While most scholars continue to rely on Valmiki's Sanskrit Ramayana as the authoritative version of the tale, the contributors to this volume do not. Their essays demonstrate the multivocal nature of the Ramayana by highlighting its variations according to historical period, political context, regional literary tradition, religious affiliation, intended audience, and genre. Socially marginal groups in Indian society—Telugu women, for example, or Untouchables from Madhya Pradesh—have recast the Rama story to reflect their own views of the world, while in other hands the epic has become the basis for teachings about spiritual liberation or the demand for political separatism. Historians of religion, scholars of South Asia, folklorists, cultural anthropologists—all will find here refreshing perspectives on this tale.

One Day in the Season of Rain Blue Rose Publishers

Flatter, more collaborative organizational structures, combined with the pressure to translate innovative ideas into action quickly, are increasing the need by technical professionals—such as computer programmers, design specialists, engineers, and R&D scientists—to expand

their repertoire of communication and managerial skills. In this highly accessible and practical book, Harry Chambers offers a wealth of strategies and tactics for building these skills, to the benefit of individuals, teams, and companies. In his trademark shoot-from-the-hip style, Chambers identifies specific real-world challenges that technical professionals face in the workplace, and offers definitive guidelines for enhancing their communication skills—from making presentations to giving and receiving criticism to navigating office politics. Featuring interviews with people in the trenches, as well as self-assessment tools and exercises, *Effective Communication Skills* will become a valued resource for technical professionals and their colleagues, trainers, and HR departments in all industries.

**Principles for Dealing with the Changing World Order** Rand Corporation

This groundbreaking analysis of the controversial religious group, The Family, or The Children of God, uses interviews, observational techniques, and a comprehensive

questionnaire completed by more than a thousand Family members. William Sims Bainbridge explores how Family members infuse spirituality with sexuality, channel messages that they believe emanate from beyond life, and await the final Endtime. He also examines attempts by anti-cultists and the state to "deprogram" members of the group, including children, by forcibly seizing them. The book's blending of theoretical analysis with vivid accounts of this remarkable counterculture poses a fascinating question for social scientists and society—how is it that The Children of God both differ from the general public and, in other ways, are so surprisingly similar to it?

**Dr Rahat Indori- Ek Alag Pehchaan** Hachette India

Zero-day vulnerabilities-- software vulnerabilities for which no patch or fix has been publicly released-- and their exploits are useful in cyber operations--whether by criminals, militaries, or governments--as well as in defensive and academic settings. This report provides findings from real-world zero-day vulnerability and exploit

data that could augment conventional proxy examples and expert opinion, complement current efforts to create a framework for deciding whether to disclose or retain a cache of zero-day vulnerabilities and exploits, inform ongoing policy debates regarding stockpiling and vulnerability disclosure, and add extra context for those examining the implications and resulting liability of attacks and data breaches for U.S. consumers, companies, insurers, and for the civil justice system broadly. The authors provide insights about the zero-day vulnerability research and exploit development industry; give information on what proportion of zero-day vulnerabilities are alive (undisclosed), dead (known), or somewhere in between; and establish some baseline metrics regarding the average lifespan of zero-day vulnerabilities, the likelihood of another party discovering a vulnerability within a given time period, and the time and costs involved in developing an exploit for a zero-day vulnerability"-- Publisher's description.

**Many Ramayanas** Hassell Street Press

New York Times • Times Critics Top Books of 2021 The Times (of London) • Best Books of the Year Excerpted in The New Yorker Profiled in The Los Angeles Times Publishing for the centenary of her birth, Patricia Highsmith's diaries "offer the most complete picture ever published" of the canonical author (New York Times). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of "our greatest modernist writers" (Gore Vidal). Beloved by fans who were unaware of the real psychological turmoil behind her prose, the famously secretive Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically

kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith’s personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical, young “Pat” lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O’Conner and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted *Strangers on a Train*. Published in 1950 and

soon adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a heartsick Highsmith agonizing: “What is the life I choose?” Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith’s diaries convey her euphoria writing *The Price of Salt* (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing more bigoted and satirical

with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable *The Talented Mr. Ripley* (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be “a few usable things in literature.” A memoir as significant in our own century as Sylvia Plath’s journals and Simone de Beauvoir’s writings were to another time, *Patricia Highsmith: Her Diaries and Notebooks* is an historic work that chronicles a woman’s rise against the conventional tide to unparalleled literary prominence.
