CEO, Please Let Me Go
The Home
My Sister Milly

That day, her father was in prison for her and she was kicked out of the house. He had thought that the world would collapse, but his appearance had blocked the gap. She had been melted by his gentleness, surprised to learn that his father's imprisonment was inextricably linked to him. Under the intersection of family love and love, she chose to conceal her true feelings. "Moser, let me go, I don't love you at all." "It doesn't matter. I love you."

Meet You in Rainy Day Chandan Sukumar Sengupta

Unabashedly modern, practical, and wise, *And One More Thing...* is based on the journal Joan Jakobson created for her own daughter when she became engaged. When daughters strike out on their own, they usually know the basics: never answer the door without asking who's there, always write thank-you notes, don't wear a T-shirt that says "Beer Is Food" to a job interview. But it's usually only the do-or-die warnings that stick: daughters are notorious for their allergic reactions to their mother's advice. Now, for daughters of all ages who wish they had listened just a little more—and for their mothers, who want to pass on the invaluable information only a mother can give—comes a book that offers hundreds of sophisticated, savvy pointers on just about everything a young woman needs to know. In addition to telling you how much to tip bellmen and doormen, this fearless author explores subjects the etiquette books won't touch—like how to spot a cheating spouse and why actual childbirth should never be videotaped. Are e-mail thank-you notes ever OK? What are the important differences between Jewish and WASPy men... so-so and fabulous flower arrangements...imitation and real Pradas? Why should you use lash primer and never hesitate to talk about sex and politics at a dinner party? An often hilarious mixture of attitude, priceless insights, and time-tested observations, *And One More Thing...* is the only guidebook of its kind. Who could ever have guessed that Mother really does know best?

And One More Thing... Darn Pretty Books

It's a difficult task, writing mysteries with humor; they are, after all, two mediums not normally combined. I'd argue that the combination is an intriguing one, a combination that would appeal most

to female readers of cozy mysteries. The target market would likely be females from young adult to seniors, a large audience, I submit. Most, but not all, of the protagonists in the stories are female. The mystery within each story draws the reader in with a bang of an opening "pull" to a surprise ending so many cozy mystery readers adore. The humor is spattered throughout the stories, keeping the reader chugging along to the surprise endings with a smile. This is the kind of book a reader would take to the beach. It's an entertaining book; there are no grand morals or substantive drama. There is no gratuitous violence or sex.

The Wedding Sourcebook Random House

Best man for the bridesmaid! A devastating accident left Hope McKenzie the sole carer for her little sister. So now that her sister is engaged, Hope will do all she can to organize the wedding—even if that means dealing with reluctant best man Gael O'Connor! Famous New York artist Gael has spent his life observing his parents' affairs—he's convinced love is a sham. But in spending time with shy Hope, he coaxes her out of her shell. And soon wonders if this beautiful bridesmaid is what he's been missing all along!

The Italian's Unexpected Heir Nam H Nguyen

****AS SEEN ON BBC BETWEEN THE COVERS**** 25TH ANNIVERSARY EDITION - WITH A NEW INTRODUCTION BY THE AUTHOR 'A true diamond of a novel, glinting with comedy and tragedy' Daily Mail It is 1941 and Captain Antonio Corelli, a young Italian officer, is posted to the Greek island of Cephallonia as part of the occupying forces. At first he is ostracised by the locals but over time he proves himself to be civilised, humorous - and a consummate musician. When Pelagia, the local doctor's daughter, finds her letters to her fiancé go unanswered, Antonio and Pelagia draw close and the working of the eternal triangle seems inevitable. But can this fragile love survive as a war of bestial savagery gets closer and the lines are drawn between invader and defender? 'Louis de Bernières is in the direct line that runs through Dickens and Evelyn Waugh...he has only to look into his world, one senses, for it to rush into reality, colours and touch and taste' Evening Standard
