RICHARD ANTWAN

Your Dog: The Owner's Manual! Dogwise Publishing

The Whole Dog Journal Handbook of Dog and Puppy Care and Training features advice on behavior and positive training techniques, guidance about natural care and nutrition, and information about holistic care such as chiropractic, herbal remedies, massage, acupuncture, and homeopathy. It covers all aspects of canine health, including cancer treatments, and most important of all, it focuses on how to have fun with a dog. This book equips readers with the tools to understand dogs, to encourage their physical and emotional wellness, and to elicit their full potential and vitality—and to do it naturally.

Shares the Kansas City bakery's recipes for the special canine in one's life.

The Passage to Europe Andrea Febrian

'Utterly compelling' Telegraph 'Science finally reveals the dog's secret: the unique capacity for love that separates them from all other animals. Superb' - John Bradshaw, bestselling author of In Defence of Dogs and Cat Sense 'If you want to build an even stronger bond with your own dog, this book is a must read' - Victoria Stilwell, author of The Secret Language of Dogs _____ What makes dogs truly special? Why does our relationship with them feel so much more deep and intense than with other animals? Any dog owner knows that the bond with their dog is unique. The unparalleled loyalty and total devotion of a dog seems the stuff of true love - but is this a whimsical construction that bears little relation to reality? Through ground-breaking scientific experiments and eye-opening historical evidence, canine behavioural psychologist Dr Clive Wynne unlocks the secret to our unique bond with dogs: their capacity to love, an unprecedented attribute in the animal kingdom. In *Dog is Love*, Dr Wynne debunks the myth that dogs possess a unique form of intelligence. Instead, he

shows that dogs are able to show sympathy and can respond to human emotions in a way that is truly remarkable. One particularly moving study shows that dogs' and their owners' hearts beat in synchrony, just as the hearts of a loving human couple do. Looking at the evolution of dogs, Dr Wynne points out that it was the wolves' ability to form relationships with mankind, becoming indispensable hunting companions, that enabled the depth of love and affection between dogs and humans that we know today. Dr Wynne shares his experiences of hunting with the Mayangna tribe in Nicaragua and the vital role played by their hunting dogs to shed light on what the early human-dog relationship might have looked like, and explains the science behind what really goes on when a young pup grows up in a human family. This is a delightful, heart-warming and fascinating analysis of the unique bond between humans and dogs, perfect for anyone who shares their home with their dog and wonders just how much they love you. It will change the way you interact with dogs and help you get the best out of them in a way that will be truly life-changing.

A Better Life with Your Dog Fox Chapel Publishing

Training The City Dog is a survival guide for urban dog owners, dog owners who live in condos or apartments anywhere, and dog owners who take their dogs out to mingle with humans and other dogs. Tips on how to housebreak your dog when you live in a high-rise, controlling barking so your neighbors won't evict your dog, dealing with elevators. Strategies for teaching city dog manners at sidewalk cafes, outdoor markets, festivals and street fairs. Critical obedience commands. Advice about dog health, legal matters, and pet safety in the city. Training The City Dog gives dog owners important information about city living with a dog.

Dog Photography For Dummies John Davies

Want the best for your dog? Dr. Jim Akenhead talks to you like a Dutch uncle. He writes just the way he talks to the clients who come to his training center. He tells you what's going on in the world of dog training and how to get the best for you and your canine companion—all in an easy-to-read format. If you: - Wonder what's new in dog training, you'll know when you read this book. - Need to know how to determine what's best for your dog, you'll find it here. - Are looking for a trainer, this book will help you find one who will treat your dog the way you want. - Want a foundation for a great life with your canine companion, it's in this book. - Are thinking about doing the training yourself, you'll find a step-by-step process. - Need to know what rules you should set in your house, they're here. - Wish your dog would respect you, you can learn how to make it happen. - Desire good communication with your dog, Jim tells you how. About the Author: For more than 45 years, Jim Akenhead has owned and trained a variety of dogs. He and his wife, Dr. Charlene Akenhead, have bred and trained Shepherds and Malamutes for 50 years. In 1995, Jim and his son Matt formed Signature K-9 Training and Behavior LLC in northeastern Ohio. Signature K-9 does about two-thirds of its work in private consultations. About half their work is with difficult dogs. In addition to the usual group classes, they also offer group classes for reactive and shy dogs. Jim has five earned degrees, including a Doctorate in Research and Education as well as a Masters Degree in Counseling. He is certified as a canine trainer and behavior consultant by four independent organizations. He is listed in seven Who's Who anthologies on leadership and has been recognized as a Distinguished Alumni by Bowling Green State University. In 2009, Jim presented at the conference of the International Association of Animal Behavior Consultants and for the Canine Behavior program at Kutztown University. He frequently presents his views on canine aggression. Jim is the author of four other books. He is a member of the International Association of Animal Behavior Consultants, where he serves on the board of directors and as Human Resource coordinator. Jim has been the director of an international trainer's organization with members in 50 states and 30 countries. He is also a professional member of the Association of Pet Dog Trainers, the Association of Canine Professionals, and the National K-9 Trainers Association.

The truth about wolves and dogs - Dispelling the myths of dog training Yale University Press

A revolutionary way to raise and train your dog, with "a wealth of practical tips, tricks, and fun games that will enrich the lives of many dogs and their human companions" (Dr. Ian Dunbar, veterinarian and animal behaviorist). Zak George is a new type of dog trainer. A dynamic YouTube star and Animal Planet personality with a fresh approach, Zak helps you tailor dog training to your pet's unique traits and energy level—leading to quicker results and a much happier pup. For the first time, Zak has distilled the information from his hundreds of videos and experience with thousands of dogs into this comprehensive dog and puppy training guide that includes: • Choosing the right pup for you • Housetraining and basic training • Handling biting, leash pulling, jumping up, barking, aggression, chewing, and other behavioral issues • Health care essentials like finding a vet and selecting the right food • Cool tricks, traveling tips, and activities to enjoy with your dog • Topics with corresponding videos on Zak's YouTube channel so you can see his advice in action Packed with everything you need to know to raise and care for your dog, this book will help you communicate and bond with one another in a way that makes training easier, more rewarding, and—most of all—fun!

The Dog's Guide to Your Happiness Willow Creek Press

The fun and easy way to teach a dog new tricks Dog Tricks & Agility For Dummies (previously titled Dog Tricks For Dummies) makes trick and agility training fun for both you and your dog. You will learn to teach simple tricks, like tail wagging or barking on command to more complex tricks like fetching keys, your dog's dinner bowl, or the laundry. This hands-on guide provides the lowdown on the coolest dog tricks and offers expanded coverage on infusing the thrill of agility (whether for fun or competition) into your dog's life. Push a cart or stroller, run an agility course, play Frisbee and fly ball, and put the toys away Navigate all types of agility obstacles big and small, narrow and wide Prepare your dog for canine good citizen certification Determine if your dog can get involved in pet therapy and what's involved (i.e. nursing homes, children's centers, prisons, etc.) Make your own agility obstacles at home and set up a course Officially enter agility trials

Shih Tzu For Dummies City Pet Books

Think, Think Dog is an insightful look into the world of security dog handling, dog training, and relationships in general in an effort to explain the relationship I have witnessed over many years and how I have reached my findings. It is not a training manual. Its just an insight on how dogs think.

How to Have Fun Training and Understanding Your Dingo Puppy & Dog Hachette UK

Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years’ experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover: • How you can get your dog to come when called by acting less like a primate and more like a dog • Why the advice to “get dominance” over your dog can cause problems • Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief • How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!” Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

Whole Dog Journal Handbook of Dog and Puppy Care and Training Penguin

Tips and tricks for capturing your canine's personality with every click of the camera Simply snapping a picture may not capture the playfulness or spontaneity of a dog. Knowing what kind of equipment, angle, and composition to use while photographing a dog can make all the difference in the character captured in the photo. Dog Photography For Dummies gives you practical and fun guidance for capturing your dog's personality and turning ordinary shots into priceless memories that will last a lifetime. Covering all the latest and greatest gadgets and accessories available to capture and alter photos of your favorite pooch, Dog Photography For Dummies offers techniques that amateurs and intermediates alike can use to improve their photography skills. This hands-on guide features great examples of dog portraiture, plus tons of ideas for fun new places to pose your furry friend, such as the beach, the park, the car, in the snow, and more. Detailed discussions of color versus black-and-white, indoors versus outdoors, composition, and capturing movement Advice on how to get a dog to sit still Considerations for photographing a shy dog who is scared of the camera Guidance on making the most of natural light Tips for photographing dogs with black (or dark) coats How to photograph people and dogs together Whether for decorating, memories, or holiday cards, Dog Photography For Dummies makes it easy to capture the best of your four-legged friend.

Training the Best Dog Ever John Wiley & Sons

Everything is here to show you how to care for a dog and be able to bond with them over a happy and long life.

150 Activities For Bored Dogs vince stead

When a pet dog injures a human or another dog, the owner is left in a state of fear and confusion. If a dog wreaks havoc and destruction on a home, the owner is left feeling helpless. If an owner finds a dog uncontrollable, or if a dog becomes aggressive and a threat to the community, the dog becomes the one that is at risk for injury or death. Families living with these behaviorally challenged dogs may become isolated and wonder if there is help for their dog. The reality is there are thousands of families facing these issues. This book explains the process for helping dogs with behavior problems in plain language. Calling on her years of experience as a certified canine behavior consultant, the author highlights the journeys of past clients through a series of vignettes broken up by chapters that contain informative and researched guidance. While it is not meant to be a how-to training guide, the book lets people with reactive or anxious dogs know they are not alone. And for those that lose the battle, it walks with them through that final journey.
