For her first book in ten years, Kelly Wearstler, one of the most irreverent and fascinating designers working today, continues to push boundaries with her inventive and opulent interiors, here inviting readers into her latest creations including her newly designed home. Celebrated for luxurious interiors that capture the swankiness of old-world Hollywood with a modern pop sensibility, Wearstler is known for her decadent designs of residences and boutique hotels, such as the line of Viceroy's and the tastemakers Maison 140 and Avalon. Her ornate interiors are distinctive for layers of bold textures, patterns, and rich colors juxtaposed with lustrous surfaces, adding up to a whimsical and elegant look that has been called "mod baroque." Here Wearstler shares her creative world, profiling in detail her latest residential and commercial designs (several previously unpublished) and her sumptuous new San Francisco Proper Hotel, as well as her

creative process. Full of ideas and with beautiful images of many never-before-photographed interiors, Kelly Wearstler: Evocative Style is an inspirational look at the designer's inventive work. Filled with new work, this volume is a must for other designers and homeowners looking for elegant design inspiration and ideas.

Featuring inspiring interiors from today's top designers, Decorate Fearlessly shows us how to be bold and personal with our design choices, creating spaces that we love to live in. Decorate Fearlessly is both a photographic trove of fabulously designed homes—by such renowned designers as Mary McDonald, Ashley Hicks, Alex Papachristidis, and Jonathan Adler, among many others—and an inspirational how-to-decorate volume with spirit and verve. Susanna Salk captures a wide range of sophisticated interiors, spanning the spectrum from modern to traditional and from bohemian to more formal, while highlighting rule-breaking design ideas that celebrate whimsy and personal style rather than predictable, safe looks. Including more than 150 gorgeous photographs and organized according to every room of the house, the book addresses key design principles

such as color and pattern (encouraging self-expression and risk taking) and mixing and accessorizing (fearlessly using decorative elements to express various parts of your own personality and background) while illustrating the limitless possibilities that personal expression can take. With Salk's encouraging design tips and quotes from the designers themselves explaining their philosophies, this beautiful volume is inspiring and offers stunning interiors and a liberating message to follow your heart to create interiors that are deeply personal.

The whimsical, layered, incredibly chic, and livable interiors and the fresh and original insights of the coolest design duo fill every page of this treasure chest of a debut interiors book. Every Pierce

& Ward home tells a story. Emily and Louisa believe that there is a beauty in the unfolding of a room that takes the eye dancing from one piece to the next, swirling over velvets of peach and gold, gliding over glass and marble, and stopping to take in the homeowner’s precious sentimental favorites. As the designers for such Hollywood powerhouses, supermodels, and rock stars as Brie Larson, Leonardo DiCaprio, Dakota Johnson, Kate Hudson, and Karen Elson, Pierce & Ward artfully blend classic elements and fanciful touches, creating an irresistible kaleidoscope of patterns, textures, art, and objects. Stately striped wallpaper mixes with French florals. Brass-lion bookends sit beside trays inlaid with glinting mother-of-pearl. Milk-glass globes hang down hallways like glowing moons to guide one’s path. Humble finds from eBay and lovingly worn textiles mix with museum-quality art and family photos. This book will teach readers about organized abundance and un-gaudy decadence, with a dash of restraint for good measure: it’s an evocative and inspiring ode to the art of more.

Provence Style Ryland Peters & Small

An intimate tour of quintessential Provencal style, featuring chic homes and interior details inspired by this picturesque region Thirty years after the publication of Peter Mayle's bestselling memoir *A Year in Provence*, the sun-drenched southern French region continues to excite home decorators with its combination of rustic charm, elegant details, and historical influences. *Provence Style* showcases the best of the region, with Shauna Varvel's quintessential 18th-century Rhône valley farmhouse--Le Mas des Poiriers--as its centerpiece. Set amid a garden of allées, arbors, and

terraces designed by the architect's mother, renowned landscape designer Dominique Lafourcade, this exemplar of Provençal style is the starting point for exploring the region's characteristic interior details and exterior features. The book includes chapters on the public spaces of the home, from entrances to living rooms, the private realm of bedrooms and bathrooms, and outdoor areas including patios and kitchen gardens, transporting the reader on a captivating stylistic journey.
