Learning Mathematics - Class 8 has been written by Prof. M.L. Aggarwal in accordance with the latest syllabus of the NCERT and Guidelines issued by the CBSE on Comprehensive and Continuous Evaluation (CCE). The subject matter has been explained in a simple language and includes many examples from real life situations. Questions in the form of Fill in the Blanks, True/False statements and Multiple Choice Questions have been given under the heading 'Mental Maths'. Some Value Based Questions have also been included to impart values among students. In addition to normal questions, some Higher Order Thinking Skills (HOTS) questions have been given to enhance the analytical thinking of the students. Each chapter is followed by a Summary which recapitulates the new terms, concepts and results.

NCERT Solutions for Class 10 Maths Chapter 15 Probability by Mocktime Publication

Learning Mathematics - Class 9 has been written by Mr. M.L. Aggarwal (Former Head of P.G. Department of Mathematics, D.A.V. College, Jalandhar) in accordance with the latest term-wise Syllabus and Guidelines issued by the CBSE on Comprehensive and Continuous Evaluation. The subject matter contained in this book has been explained in a simple language and includes many examples from real life situations. Carefully selected examples consist of detailed step-by-step solutions so that students get prepared to tackle all the problems given in the exercises. Questions in the form of Fill in the Blanks, True/False Statements and Multiple Choice Questions have been given under the heading 'Mental Maths'. In addition to normal questions, some 'Higher Order Thinking Skills (HOTS)' questions have been given to enhance the analytical thinking of the students. A 'Chapter Test' has been put in the end of each chapter which serves as the brief revision of the entire chapter. Term-wise Model Question Papers for Formative and Summative Assessments have been given at proper places.

The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

The Portrait of a Lady Bright Tutee

NCERT has developed Exemplar Problems in Mathematics for Class X with the objective to cover the fundamentals of all Class X topics. This special edition of Educart Mathematics NCERT Exemplar Book for Class X Mathematics will act as the Bible for students preparing for their dream careers. It is made by my country's top CBSE teachers in collaboration with Educart Experts after a year of rigorous research and development process. This Mathematics Educart Exemplar book is prepared by our country's top experts, to give students a single reference book throughout the year to clear doubts.

Below are the key differentiation of this Educart book:

- Revised with 30% reduced syllabus.
- Every single question of this Educart NCERT Exemplar is solved keeping the basics in mind.
- Strict NCERT syllabus guidelines are followed when writing explanations.
- Special attention is put to explanations of MCQs and VSA as 25% of paper comes from them.
- Questions that have appeared in previous board examinations are identified, so that students use that extra data to prioritize important questions.
- NCERT recommended Diksha 2.0 platform (launched February 2020) questions (important ones) are solved at the end of each chapter.

Educart NCERT Exemplar Mathematics also serves the purpose of revision, in the last moments before Board examinations, especially, as a major part of paper comes from this book statistically. We sincerely hope that the contents of this book will prove immensely beneficial to all students. **We wish**

you the best of luck.

'A Khushwant Singh short story is not flamboyant but modest, restrained, well-crafted...Perhaps his greatest gift as a writer is a wonderful particularity of description'—London Magazine Khushwant Singh first established his reputation as a writer through the short story. His stories—wry, poignant, erotic and, above all, human—bear testimony to Khushwant Singh's remarkable range and his ability to create an unforgettable PBI - World. Spanning over half a century, this volume contains all the short stories Khushwant Singh has ever written, including the delightfully tongue-in-cheek 'The Maharani of Chootiapuram', written in 2008. 'Khushwant's stories enthrall...[He has]an ability akin to that of Somerset Maugham...the ability to entertain intelligently'—PBI - India Today 'His stories are better than [those of] any PBI - Indian writing in English—Times of PBI - India 'The Collected Short Stories leaves the reader in a delightful, inebriated trance'—Sunday Chronicle 'He is not an ordinary short story writer...[Collected Stories] is delightful reading'—Hindustan Times
