In a great green room, tucked away in bed, a young bunny gazes upon the two

remaining moons of Arrakis...This book is inspired by Frank Herbert's 1965 science fiction novel Dune. Many of the visual motifs come from the 1984 David Lynch movie adaptation of Dune, and drawn in the style of Margaret Wise Brown / Clement Hurd's classic children's book Goodnight Moon. Originally created in 2011, (finally) updated in 2021.

The little ones will have so much fun listening and reading this funny rhyme

story that takes place right before sleep. Milo and Cat have a very effective sleep routine, but this night, it just doesn't work! They even know a few tricks that helped them quickly fall asleep before. When these tricks won't work - at least not for Milo - it takes a lot of creativity, Cat's magic whiskers, the Know It All book, and a drop of exaggeration to lead Milo to dreamland. ★ Who's going to fall asleep first? Milo, Cat or you? ★ Short extract from the story It was right before sleep, it was already night, But for Milo and Cat, something wasn't quite right! ... "We tried counting sheep and we counted the stars, We even tried counting the distance to Mars." ... "We'll be sleeping in no time; without any doubt. Trust my whiskers," said Cat. "We will figure it out!" ... "This should have

some clues, so let's go have a look  
There's always advice in the KNOW IT  
ALL book." ...

**Goodnight Little One** Little Tiger Kids  
Goodnight Moon In a great green room,  
tucked away in bed, is a little bunny.  
"Goodnight room, goodnight moon." And  
to all the familiar things in the softly lit  
room -- to the picture of the three little  
bears sitting in chairs, to the clocks and

his socks, to the mittens and the kittens,  
to everything one by one -- he says  
goodnight. In this classic of modern  
children's literature, beloved by  
generations of readers and listeners, the  
quiet poetry of the words and the gentle,  
lulling illustrations combine to make a  
perfect book for the end of the day. The  
Runaway Bunny Clement Hurd redrew  
some of his pictures for this new edition  
of the profoundly comforting story of a  
bunny's imaginary game of hide-and-  
seek and the lovingly steadfast mother  
who finds him every time.

Baby Bear shares special moments with all the important people in his life. With Momma, he gets to spend time in the garden, picnicking and planting butterfly bushes. With Daddy, he spends time on

the farm, helping to fix the tractor and dig holes for planting. With Big Brother, he goes to the beach where they sail kites and chase each other on the sand. Aunt Grace takes him to the aquarium and answers all his questions, while Uncle Roy shows him how to be a clown. And it's always a special day when Nana comes to visit. But while each day's activity and companion may be different, the routine at the end is always the same. Baby Bear is tucked into bed with a reading from a special book and always with a honey oatmeal raisin cookie. Having been involved in education for more than 30 years, Dr. Michael Shoulders travels extensively, visiting schools and speaking at conferences across the country. In addition to authoring the companion

title, *Say Daddy!*, he has written several books for Sleeping Bear Press, including *G is for Gladiator: An Ancient Rome Alphabet*. Mike lives in Clarksville, Tennessee. A Rhode Island School of Design graduate, Teri Weidner has illustrated more than a dozen children's books. She works in watercolor, colored pencil, and a little of whatever else happens to be on her desk at the time. Teri lives in Portsmouth, New Hampshire. *Good Night, Sleepy Moon* HarperCollins Get ready for bed with this soothing sleepy story—now available as a Classic Board Book! The perfect bedtime book from Nick East and Michelle Robinson - Goodnight Princess

As a little girl says goodnight to her dressing up clothes and dolls she is transformed into a princess in a magical realm. A beautiful rhyming text is accompanied by atmospheric

illustrations which will delight and soothe all little girls as they snuggle up in bed.

A follow-up to the wonderful Goodnight Tractor and Goodnight Digger, this is the perfect bedtime book. Michelle Robinson has always wanted to be an author like her hero Roald Dahl, but all they had in common was the same birthday and a

love of chocolate. Now at last, Michelle is a real author too. She lives in Frome, Somerset with her husband, son and daughter. Visit her at [www.michellerobinson.co.uk](http://www.michellerobinson.co.uk). Nick East has been working as a museum designer for the past 16 years but has always been a storyteller, whether as a child,

filling sketchbooks with quirky characters, or as a designer displaying a collection of ancient artifacts. Nick lives near York with his wife and two children and, when he isn't drawing, he is out riding bikes and spending time with his family.
