As Nehemiah rebuilt the walls of Jerusalem, Gashmu and the enemies of Israel mocked him: "It is reported among the heathen, and Gashmu saith it, that thou and the Jews think to rebel..." (Neh. 6:6). Too many Christians building communities today take the taunts of every modern-day Gashmu seriously. Community is a buzzword, and it turns out there's a lot of bad advice about how to build one. In *Gashmu Saith It*, Douglas Wilson includes forty years of experience for Christians wanting to build robust communities without retreat or compromise on the foundation of the Gospel. This book is full of wisdom: Get calluses. Be loyal. Fight sin. Build walls on the outside and a church in the middle.

Christian Women and Modern China presents a social history of women pioneers in Chinese Protestantism from the 1880s to the 2010s. The author interrupts a hegemonic framework of historical narratives by exploring formal institutions and rules as well as social networks and social norms that

shape the lived experiences of women. This book achieves a more nuanced understanding about the interplays of Christianity, gender, power and modern Chinese history. It reintroduces Chinese Christian women pioneers not only to women's history and the history of Chinese Christianity, but also to the history of global Christian mission and the global history of many modern professions, such as medicine, education, literature, music, charity, journalism, and literature.

A Year of Biblical

Womanhood Baker Books

"From meetings and conversation with men, love affairs arise. In the midst of pleasures, banquets, dances, laughter, and self-indulgence, Venus and her son Cupid reign supreme. . . . Poor young girl, if you emerge from these encounters a captive prey! How much better it would have been to remain at home or to have broken a leg of the body rather than of the mind!" So wrote the sixteenth-century Spanish humanist Juan Luis Vives in a famous work dedicated to Henry VIII's daughter, Princess Mary, but intended for a wider

audience interested in the education of women. Praised by Erasmus and Thomas More, Vives advocated education for all women, regardless of social class and ability. From childhood through adolescence to marriage and widowhood, this manual offers practical advice as well as philosophical meditation and was recognized soon after publication in 1524 as the most authoritative pronouncement on the universal education of women. Arguing that women were intellectually equal if not superior to men, Vives stressed intellectual companionship in marriage over procreation, and moved beyond the private sphere to show how women's progress was essential for the good of society and state.

The Christian Girl's Guide to Change Inside & Out! Harvest House Publishers

Every day you're bombarded with a myriad of messages about how the "perfect" woman looks, thinks, dresses, and acts. And if you listen long enough, you'll forget what God has declared: that you are not just a body. You are carefully and perfectly made in every

way--physically, emotionally, mentally, and spiritually. The Bible gives you the basic plan for realizing God's design for you as a woman and a wife. But the more you know about how your mind and body work, and how they complement the way your husband's mind and body work, the more fulfilling your marriage and sexual life will be. This extensive handbook not only explores that divine design in detail, but takes a fresh, practical look at the daily physiological realities of being female. Written by a veteran woman's healthcare educator, this book gives clear biblical wisdom and accurate medical answers to the questions you have regarding your health and sexuality within marriage. Through it you'll come to fully appreciate the wonder and complexity of God's handiwork in making you just as you are. And you'll learn to be a better partner--in every way--to your husband. Understanding your distinctiveness as a woman can truly enhance your life and your marriage!

The Christian Mama's Guide to Having a Baby
Zonderkidz
USA Today Bestseller
Christianity Today 2022 Book Award Finalist (History & Biography) "A powerful work of skillful

research and personal insight."--Publishers Weekly *Biblical Womanhood*--the belief that God designed women to be submissive wives, virtuous mothers, and joyful homemakers--pervades North American Christianity. From choices about careers to roles in local churches to relationship dynamics, this belief shapes the everyday lives of evangelical women. Yet biblical womanhood isn't biblical, says Baylor University historian Beth Allison Barr. It arose from a series of clearly definable historical moments. This book moves the conversation about biblical womanhood beyond Greek grammar and into the realm of church history--ancient, medieval, and modern--to show that this belief is not divinely ordained but a product of human civilization that continues to creep into the church. Barr's historical insights provide context for contemporary teachings about women's roles in the church and help move the conversation forward. Interweaving her story as a Baptist pastor's wife, Barr sheds light on the #ChurchToo movement and abuse scandals in Southern Baptist circles

and the broader evangelical world, helping readers understand why biblical womanhood is more about human power structures than the message of Christ.

Part of a women's group that read through the Bible each year for ten years, the author discovered the value of reading the Bible to get to know God better rather than viewing it only as a book to study. #Staymarried: A Couples Devotional Thomas Nelson Inc
One out of three married women sitting in an

average conservative Christian church is in a confusing and painful marriage relationship. Those women believe they are alone. I want them to know they aren't. They believe they can't find peace. I want them to know they can. They believe they don't have choices. I want them to know they do. This book isn't for the parents who raised them. It's not for the pastors who condemn them. It's not for the friends who don't understand them. And it's not for the partner who dehumanizes them. This book is for the woman in the pew who somehow, by God's divine intervention, finds it in her hand and has to catch her breath because she suddenly feels like she's free falling. I wrote this book just for you. Let's dig in.
