Mark "Mac" Macintyre is an Army helicopter pilot in Vietnam. He is also a wheeler-dealer of military equipment. But when he wins an Army helicopter in a poker game, he soon finds out that he has bitten off more than he can chew. He quickly realizes that others have their own plans for the helicopter and that they are willing to go to any length to keep it within their control. Mac isn't able to get rid of the helicopter before he unwillingly becomes trapped in a fight between the CIA and Russia; a fight for his life. He doesn't mind his relationship with CIA agent Sheila Hood, but the job they "ask" him to do is filled with danger - not only for him and Sheila, but for the whole world. How could things get so far out of hand over a simple game of poker? Blending fact with fiction, the story, which takes place during the Vietnam War era, is a thriller filled with twists, adventure, and espionage on a worldwide level.

The Crusader's Heart Strategic Book Publishing

Expressed through poetry, essays, and short stories, *Voices from a Black Heart Speak* examines deep-seated beliefs, perspectives, and emotional feelings derived from the cultural development of black people in the United States. We live in a world where television tells us what to want, how we want to live, and what we want to do. We live in a world where fear of the unknown is to be feared and that's considered normal. It may be considered normal and acceptable, but it's totally irrational as our entire lives and world is based on the unknown. We slide through life on a hope and wish that our lives work out as we planned them. If we look at the major earthquake in the Indian Ocean on December 26, 2004 that created a Tsunami or Great Wave that killed over 100,000 people and destroyed towns, cities and property in the billions in Asia, we can realize the truth of the fact is that we live our lives in the unknown from moment to moment. The one thing that sustains us is our faith as we journey through life.

NLT Life Application Study Bible, Third Edition (Red Letter, Leatherlike, Black/Onyx) University of North Carolina Press
The Blackened Heart by foremost and beloved historian Alison Weir is an e-short and companion piece that bridges the first two novels in the Six Tudor Queens series, *Katherine of Aragon* and *Anne Boleyn*. Fans of Philippa Gregory and Elizabeth Chadwick will delight in this mysterious tale, drawn together from fragments of history - and a good dose of speculation. Or is it...? Margery Otwell, a self-made gentleman's young daughter, gets her first taste of courtly life when she takes up a position as chamberer to Lady Peche of Lullingstone Castle. Dances, music, feasting - and a seduction - follow, and Margery learns the rules of courtly love the hard way. Saved from disgrace by the kindly Sir John Peche, Margery finds herself at court waiting on Queen Katherine. Little does Margery know that she is already a pawn in a game of power, irrevocably bound to the fall of the lady she will come to love as her mistress, Queen and friend. Praise for Alison Weir and *Katherine of Aragon*: 'A tender understanding of and genuine sympathy for this proud, much-loved and honourable Queen. . . I was gripped [from] start to finish' Mavis Cheek 'Well-researched and engrossing' Good Housekeeping 'Shatters the many myths about Henry VIII's long-suffering first wife' Tracy Borman 'Weir is excellent on the little details that bring a world to life' Guardian 'Yet again, Alison Weir has managed to intertwine profound historical knowledge with huge emotional intelligence, to compose a work that throws light on an endlessly fascinating historical figure. Yet her real gift in all of this is making it feel so fresh and alive' Earl Spencer 'Alison Weir clearly admires her

heroine . . . meticulously researched' The Times 'This exquisite book charts the rise and fall of Henry VIII's first wife, Katherine. . . A fascinating insight into this period of our history. Weir's undeniable strength is her immaculate description, enabling the reader to be transported back to Tudor England' Sun 'Weir manages to untangle the complex web of 16th-century politics, shown through Katherine's duties as ambassador, and her astute reading of the games being played. This adds greatly to the heft of the character, demonstrating what a competent woman she was becoming' Herald Scotland 'Katherine of Aragon, The True Queen is a true tour de force. Finely crafted, this novel is wonderful historical fiction and an outstanding introduction to the Six Tudor Queens series' Queen Anne Boleyn Blog 'Known for bestselling historical biographies, Alison Weir is in command of her detail . . . her handling of Katherine's misery and dignified response to her predicament is very touching' Elizabeth Buchan, Daily Mail

Witch Hendrickson Publishers

20-year-old Isabella from the state of Louisiana, USA, suffers from chronic heart muscle inflammation, which almost led to her death. It was only through the transplantation of the heart of a Mississippi housekeeper who died in a car accident that Isabella was given a second life. Even before the surgery, she felt this intense feeling in her heart of missing someone. This feeling gives her the idea to search for her unknown grandmother and eventually leads her to the neighboring state of Mississippi. There she meets 80-year-old Ava. A life-experienced, well-known writer with a sad past, of which no one suspects. It is only through Isabella's search for her biological grandmother that Ava's past slowly rises to the surface and is revealed, albeit not entirely voluntarily, thanks to Isabella's persistence.

Voices from a Black Heart Speak Tyndale House Publishers

Isobel Campbell is on a secret mission to find sanctuary for Scotland's most holy relic. She is determined to see it to safety, but every step she takes brings her closer to an uncertain future. When the fate of the relic is assured, she must decide her own course. A lonely path forward seems inevitable, but her protector, a mysterious crusader, makes her yearn for a life filled with his

love. Alexander MacKinnon returns home to Scotland to face his clan's dire prospects. Escorting a noblewoman to a nunnery delays his reckoning with the family he left behind and presents dangers he cannot face alone. Isobel, his beautiful charge, may prove to be the greatest danger of all, for the powerful connection between them could lead to their ruin. But this crusader's heart cannot deny what it wants, even if it means putting everything at risk.

From the Bloody Heart e-artnow

Most of Israel's pastoral imagery is grounded in two traditions: Moses as God's under-shepherd and David as shepherd-king. In this New Studies in Biblical Theology volume, Timothy Laniak follows the figure of the shepherd through the pages of Scripture to help today's leaders find their place in the ancient pastoral tradition.

Dragons, Kings, and the Blazing Slicklizzard Heart Trees Random House

In her famous speech to rouse the English troops staking out Tilbury at the mouth of the Thames during the Spanish Armada's campaign, Queen Elizabeth I is said to have proclaimed, "I may have the body of a weak and feeble woman, but I have the heart and stomach of a king." Whether or not the transcription is accurate, the persistent attribution of this provocative statement to England's most studied and celebrated queen illustrates some of the contradictions and cultural anxieties that dominated the collective consciousness of England during a reign that lasted from 1558 until 1603. In *The Heart and Stomach of a King*, Carole Levin explores the myriad ways the unmarried, childless Elizabeth represented herself and the ways members of her court, foreign ambassadors, and subjects represented and responded to her as a public figure. In particular, Levin interrogates the gender constructions, role expectations, and beliefs about sexuality that influenced her public persona and the way she was perceived as a female Protestant ruler. With a new introduction that situates the book within the emerging genre of cultural biography, the second edition of *The Heart and Stomach of a King* offers insight into the continued fascination with Elizabeth I and her reign.

Black Heart Lulu.com

Forty-five gruesome but not gratuitous accounts from the Tudor reign, including the death of Richard III and the botched execution of Mary Queen of Scots. This decidedly darker take on the Tudors,

from 1485 to 1603, covers a whole host of horrors from the Tudor reign. Particular attention is paid to the various gruesome ways in which the Tudors despatched their various villains and lawbreakers, from simple beheadings, to burnings and of course the dreaded hanging, drawing and quartering. Other chapters cover the various diseases prevalent during Tudor times, including the dreaded "Sweating Sickness"—rather topical at the moment, unfortunately—as well as the cures for these sicknesses, some of which were considered worse than the actual disease itself. The day-to-day living conditions of the general populace are also examined, as well as various social taboos and the punishments that accompanied them, i.e. the stocks, as well as punishment by exile. Tudor England was not a nice place to live by twenty-first-century standards, but the book will also serve to explain how it was still nevertheless a familiar home to our ancestors. "He does not shy away from the gory details, which adds another element to stories that are familiar to those who are Tudor fans. If you want something spooky to read in October or know more about the darker side of Tudor history, I recommend reading *House of Tudor*." —Adventures of a Tudor Nerd "It really does cover so many different things that there will be something for everyone whatever your interests are; political, personal, medical, or death. A brilliant gory discourse on my favourite period of history!" —Tudor Blogger
NLT Life Application Study Bible, Third Edition (Red Letter, Genuine Leather, Black) iUniverse
Winner of the 2020 Christian Book Award for Bible of the Year! Trusted & Treasured by Millions of Readers over 30 years, the Life Application Study Bible Is Today's #1-Selling Study Bible Now it has been thoroughly updated and expanded, offering even more relevant insights for understanding and applying God's Word to everyday life in today's world. Through a Black Veil Dorrance Publishing

From My Heart is a chronological assessment of the contributing events between 2004 and 2009 that have helped define Nigeria and Africa. What leashes have kept Nigeria from fulfilling the expectations of her people? Can a country which spends more on public officials than it does on public education make rewarding economic progress? Was Dr. James D. Watson accurate in his assessment, which attracted the umbrage of Africans and non-Africans in 2007? Those questions and more have been addressed in an interactive and daring manner. *From My Heart* is a useful resource material for scholars who seek information not only about developments in Nigeria, which are responsible for its current social shape, but also about Africa and the entire black race. This book contains testimony by Nuhu Ribadu, former Nigerian anti-corruption Czar, given before the U.S. House Financial Services Committee. About the Author: Leonard Shilgba grew up in Nigeria, but lived, studied, and worked in Japan. He currently lives with his family in the university town of Yola, just outside Abuja, Nigeria's capital. He is a university professor at the American University of Nigeria, Yola. In addition, he is continuously working on strengthening the Nigeria Rally Movement, which he co-founded. Publisher's website: <http://www.strategicpublishinggroup.com/title/FromMyHeart.html>
Edward the Black Prince; or, a Tale of the feudal times. [With

illustrations.] Dorrance Publishing

In early medieval Scotland bitter rivalry grew up between two immigrant families from Flanders in their struggle for the crown: the Stewarts and the Douglasses. From the Bloody Heart covers the period from 1286 to what may be thought of as the "final" defeat of the Stewarts at Culloden in 1745.

The Heart and Stomach of a King BoD – Books on Demand

Is the book of Revelation the biblical book for the twentieth-first century due to the growing interest in apocalyptic? A fresh approach is needed to help access its symbolic mysteries, an approach that avoids fundamentalist, literal interpretation and the tendency in liberal thinking to doubt that God will act decisively in the future in some way. These meditations take us far and wide in an understanding of Christian apocalyptic thought--from the lived faith of refugee and oppressed communities, to traditions of the Orthodox Church. Emphasized throughout is a direction in modern scholarship that sees the catastrophes described in Revelation as symbolic of events that are already happening in the course of world history. It presents the bringing of the era to its end because of the victory of Christ over evil, which is to be finally vanquished with universal judgment and glorious consummation in store. The unfolding work of God's justice is displayed. Fellowship with the martyrs, the servants of the Lamb, is of special significance. The Apocalyptic Heart traces these themes based on particular moments in the text of Revelation and explores their meaning for the present.

Black Heart, Ivory Bones The Wild Rose Press Inc

Glasgow is the largest city in Scotland. It is a city of culture, of impressive architecture, enterprise and endeavour, and is one of warm-hearted, generous people. But it also has a dark side. Beneath the busy streets, the Victorian sandstone and urban trendiness lies a black heart that beats in rhythm with the roar of the traffic and the echo of footsteps on concrete. It is a black heart pumped by greed and lust, violence and murder. And it has beaten since the city first sprang up on that dear, green place on the banks of the Molendinar Burn. This is the epic story of Glasgow crime. Beginning in 1624 when the Tolbooth was built at Glasgow Cross to house the courts and town jail, author Douglas Skelton covers four centuries of Glasgow's hidden history, tracing the formation of the first paid police force in Britain, the Black Assizes of the circuit court and the formation of the city's own

High Court of Justiciary. Here you will find the pimps and pushers, gangsters and gangleaders, rioters and robbers who flooded the veins of the city. Famous felons rub shoulders with their less notorious, but equally vicious, counterparts. Here also are the thief-takers, cops, lawyers and judges who tried to stem the gushing flow, some with more success than others. These stories may not be what the City Fathers would like to see on Glasgow's CV, but they are as much a part of its traditions and its legacy as the fish, the bell and the tree.

This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1977.

House of Tudor Tyndale House Publishers

The Black Arrow: A Tale of the Two Roses is an 1888 novel by Robert Louis Stevenson. It is both an historical adventure novel and a romance. The Black Arrow tells the story of Richard (Dick) Shelton during the Wars of the Roses: how he becomes a knight, rescues his lady Joanna Sedley, and obtains justice for the murder of his father, Sir Harry Shelton. Outlaws in Tunstall Forest organized by Ellis Duckworth, whose weapon and calling card is a black arrow, cause Dick to suspect that his guardian Sir Daniel Brackley and his retainers are responsible for his father's murder. Dick's suspicions are enough to turn Sir Daniel against him, so he has no recourse but to escape from Sir Daniel and join the outlaws of the Black Arrow against him. This struggle sweeps him up into the greater conflict surrounding them all.

The Heart of His Mystery Africa World Press

Black Heart's Truth: The Early Career of W. D. Howells

The Blackened Heart Pen and Sword History

Shakespeare has traditionally been viewed as Queen Elizabeth's 'poet laureate', and as the official mouthpiece of the Elizabethan age. But the Elizabethan world was torn apart by the religious divisions initiated by the Reformation, and vitiated by the government's merciless persecution of Catholics. As it was the victors who wrote the history, the English Reformation has been portrayed as a peaceful transition enjoying majority support,

when in fact it was nothing of the kind. Elizabeth's regime was a police state which sanctioned the use of torture, where Catholic priests and those who harboured them were liable to summary and bloody execution. The persecution of Catholics was continued by James I, evoking the violent response of the Gunpowder Plot. *The Heart of His Mystery* examines Shakespeare's life and work against this background. There is strong biographical evidence that he was himself a Catholic, and a detailed survey of his plays and poems shows that his imagination was intimately bound up with his religious faith. When we realise that his human compassion grew from his membership in a persecuted community, we can glimpse the mystery he has encrypted in his works and we come closer to understanding the hidden heart of Shakespeare the man.

Young Whit and the Phantasmic Confabulator Tyndale House Publishers

20 fairy tales hauntingly reimagined by some of today's finest sci-fi and fantasy authors, including Joyce Carol Oates, Neil Gaiman, Tanith Lee, and more. Once upon a time, all our cherished dreams began with the words once upon a time. This is the phrase that opened our favorite tales of princes and spells and magical adventures. World Fantasy Award-winning editors Ellen Datlow and Terri Windling understand the power of beloved stories—and in *Black Heart, Ivory Bones*, their sixth anthology of reimagined fairy tales, they have gathered together stories and poetry from some of the most acclaimed writers of our time, including Neil Gaiman, Tanith Lee, Charles de Lint, and Joyce Carol Oates. But be forewarned: These fairy tales are not for children. A prideful Texas dancer is cursed by a pair of lustrous red boots . . . Goldilocks tells all about her brutal and wildly dysfunctional foster family, the Bears . . . An archaeologist in Victorian England is enchanted by a newly exhumed Sleeping Beauty . . . A prince of tabloid journalism is smitten by a trailer-park Rapunzel . . . A clockwork amusement park troll becomes sentient and sets out to foment an automaton revolution. These are but a few examples of the marvels that await within these pages—tales that range from the humorous to the sensuous to the haunting and horrifying, each one a treasure with a distinctly adult edge.

Black Faith and Public Talk Open Road Media

The Railway Mania has gripped England. The Iron Horse rules supreme, and endlessly proliferating railway lines have created

the shadowy zone known as The Underarches, that lurks beneath the very boot-heels of progress. Welcome to a steam-driven Victoriana where gryphons are real and children's snow-globes are powered by nasty-minded little imps. A world where a powerful new drug called spike beguiles high and low society

alike. Alexia Burgundy, owner of a struggling railway company bedevilled by bad luck, is reluctantly drawn into the sphere of Jack Hammond, proprietor of the fabulously successful Hammond & Hill Railway Co., sole producers at their Arleyvale colmine of the revolutionary new fuel called Black Adamantine. The journalist

Daniel Benjamin, meanwhile, persists in digging ever deeper into the circumstances surrounding a mysterious accident at Hammond's mine. All the while, an entity both ancient and implacable stirs in the bowels of the earth beneath Arleyvale Colliery...
