The Lost Book of Salem Random House

While clearing out her grandmother's cottage for sale, Connie Goodwin finds a parchment inscribed with the name Deliverance Dane. And so begins the hunt to uncover the woman behind the name, a hunt that takes her back to Salem in 1692 . . . and the infamous witchcraft trials. But nothing is entirely as it seems and when Connie unearths the existence of Deliverance's spell book, the Physick Book, the situation takes on a menacing edge as interested parties reveal their desperation to find this precious artefact at any cost. What secrets does the Physick Book contain? What magic is scrawled across its parchment pages? Connie must race to answer these questions - and reveal the truth about Salem's women - before an ancient family curse once more fulfils its dark and devastating prophecy . . .

Some go to Tibet seeking inspiration, others for adventure. The award-winning journalist, Claire Scobie, found both when she left her ordinary life in London and went to the Himalayas in search of a rare red lily. Her journey took her to Pemako, where few Westerners have set foot and where the myth of Shangri-la was born. It was here she became friends with Ani, an unusual Tibetan nun who was to change her life. Through seven journeys in Tibet, Claire chronicles a rapidly changing world - where monks talk on mobiles and Lhasa's sex industry thrives. But it is Ani, a penniless wanderer with a rich heart, who leaves an indelible impression. Together, in a culture where freedom of expression is forbidden, they risk arrest. And they forge an abiding friendship, based on intuition and deep respect. Evoking the luminous landscape of snow peaks and wild alpine gardens, Claire Scobie captures the paradoxes of contemporary Tibet, a land steeped in religion, struggling against oppression and galloping towards modernity. Last Seen in Lhasa is a unique story of insight and adventure that can touch us all.
