**In the Shadow of  
Slavery** Xlibris  
Corporation  
Ninety years after W.E.B.  
Du Bois first articulated  
the need for "the  
equivalent of a black  
Encyclopedia Britannica,"

Kwame Anthony Appiah  
and Henry Louis Gates Jr.,  
realized his vision by  
publishing *Africana: The  
Encyclopedia of the  
African and African  
American Experience* in  
1999. This new, greatly  
expanded edition of the  
original work broadens  
the foundation provided  
by *Africana*. Including  
more than one million

new words, *Africana* has  
been completely updated  
and revised. New entries  
on African kingdoms have  
been added,  
bibliographies now  
accompany most articles,  
and the encyclopedia's  
coverage of the African  
diaspora in Latin America  
and the Caribbean has  
been expanded,  
transforming the set into

the most authoritative research and scholarly reference set on the African experience ever created. More than 4,000 articles cover prominent individuals, events, trends, places, political movements, art forms, business and trade, religion, ethnic groups, organizations and countries on both sides of the Atlantic. African American history and culture in the present-day United States receive a strong emphasis, but African American history and culture throughout

the rest of the Americas and their origins in African itself have an equally strong presence. The articles that make up *Africana* cover subjects ranging from affirmative action to zydeco and span over four million years from the earliest-known hominids, to Sean "Diddy" Combs. With entries ranging from the African ethnic groups to members of the Congressional Black Caucus, *Africana*, Second Edition, conveys the history and scope of cultural expression of people of African descent

with unprecedented depth. *Damnation Island* Rodopi When thieves find an abandoned child lying in a monster's footprint, they have no idea that their wilderness discovery will change the course of history. Cloaked in mystery, Auralia grows up among criminals outside the walls of House Abascar, where vicious beastmen lurk in shadow. There, she discovers an unsettling--and forbidden--talent for crafting colors that enchant all who behold them, including

Abascar's hard-hearted king, an exiled wizard, and a prince who keeps dangerous secrets. When Auralia's gift opens doors from the palace to the dungeons, she sets the stage for violent and miraculous change in the great houses of the Expanse. Auralia's Colors weaves literary fantasy together with poetic prose, a suspenseful plot, adrenaline-rush action, and unpredictable characters sure to enthrall ambitious imaginations. *Representation in Steven Universe* McFarland

Get thousands of facts right at your fingertips with this essential resource The World Almanac® and Book of Facts is America's top-selling reference book of all time, with more than 82 million copies sold. Since 1868, this compendium of information has been the authoritative source for all your entertainment, reference, and learning needs. The 2016 edition of The World Almanac® reviews the events of 2015 and will be your go-to source for any

questions on any topic in the upcoming year. Praised as a "treasure trove of political, economic, scientific and educational statistics and information" by The Wall Street Journal, The World Almanac® and Book of Facts will answer all of your trivia needs—from history and sports to geography, pop culture, and much more. Features include: • The Year in Review: The World Almanac® takes a look back at 2015 while providing all the information you'll need in

2016. • 2015—Top 10 News Topics: The editors of The World Almanac® list the top stories that held their attention in 2015. • 2015—Year in Sports: Hundreds of pages of trivia and statistics that are essential for any sports fan, featuring complete coverage of the first College Football Playoff, the Women's World Cup, 2015 World Series, and much more. • 2015—Year in Pictures: Striking full-color images from around the world in 2015, covering news, entertainment, science,

and sports. • 2015—Offbeat News Stories: The World Almanac® editors found some of the strangest news stories of the year. • World Almanac® Editors' Picks: Time Capsule: The World Almanac® lists the items that most came to symbolize the year 2015, from news and sports to pop culture. • U.S. Immigration: A Statistical Feature: The World Almanac® covers the historical background, statistics, and legal issues surrounding immigration, giving factual context to

one of the hot-button topics of the upcoming election cycle. • World Almanac® Editors' Picks: Most Memorable Super Bowls: On the eve of Super Bowl 50, the editors of The World Almanac® choose the most memorable "big games." • New Employment Statistics: Five years after the peak of the great recession, The World Almanac® takes a look at current and historic data on employment and unemployment, industries generating job growth, and the training and

educational paths that lead to careers. • 2016 Election Guide: With a historic number of contenders for the presidential nominations, The World Almanac® provides information that every primary- and general-election voter will need to make an informed decision in 2016, including information on state primaries, campaign fundraising, and the issues voters care about most in 2016. • The World at a Glance: This annual feature of The World Almanac® provides a

quick look at the surprising stats and curious facts that define the changing world. • and much more. *Touch* Penguin 2018 Readers' Favorite Gold Winner 2019 IAN Book of the Year Award 2017 Nautilus Award Gold Winner Feel like you don't belong? You're not alone. The world has never been more connected, yet people are lonelier than ever. Whether we feel unworthy, alienated, or anxious about our place in the world — the absence of belonging is the great

silent wound of our times. Most people think of belonging as a mythical place, and they spend a lifetime searching for it in vain. But what if belonging isn't a place at all? What if it's a skill that has been lost or forgotten? With her signature depth and eloquence, Toko-pa maps a path to Belonging from the inside out. Drawing on myth, stories and dreams, she takes us into the origins of our estrangement, reframing exile as a necessary initiation into authenticity.

Then she shares the competencies of belonging: a set of ancestral practices to heal our wounds and restore true belonging to our lives and to the world.

The Doctor takes the road less travelled... where

danger and death lie in wait. The Tenth Doctor battles a horrific corporate weapon on a spaceship full of ghosts. The Eleventh Doctor uncovers a steam-powered robot conspiracy in Victorian-era San Francisco. And the Twelfth Doctor and Bill face chaos on the streets of London, as a creative power runs amok. Writer James Peaty ('2000AD', 'Supergirl') and artists Iolanda Zanfardino, Pasquale Qualano, and Brian Williamson conjure three gripping new tales from

the Doctor's life, all expertly colored by Dijjo Lima. And the road leads directly to the all-new Thirteenth Doctor series, as the Thirteenth Doctor creative team of writer Jody Houser ('Faith', 'Mother Panic', 'Stranger Things'), artist Rachael Stott, and colorist Enrica Eren Angiolini deliver a series of short stories that introduce an all-new friend... of foe. Who is trying to reach the Doctor - and how can they be saved? "A wonderful little story." - Sci Fi Pulse "A fun adventure." - Pop

Springer Nature

This history of the nation’s first orphanage for African American children,

founded in New York City nearly two centuries ago. This book uncovers the history of the Colored Orphan Asylum, founded in 1836. Through three wars, two major financial panics, a devastating fire during the 1863 Draft Riots, several epidemics, waves of racial prejudice, and severely strained budgets, it cared for orphaned, neglected, and delinquent children, eventually receiving financial support from such renowned New York families as the Jays, Murrays, Roosevelts,

Macys, and Astors. While the white female managers and their male advisers were dedicated to uplifting these children, the evangelical, mainly Quaker founding managers also exhibited the extreme paternalistic views endemic at the time, accepting advice or support from the African American community only grudgingly. It was frank criticism in 1913 from W.E.B. Du Bois that highlighted the conflict between the orphanage and the community it served, and it wasn’t until

1939 that it hired the first black trustee. More than 15,000 children were raised in the orphanage, and throughout its history letters and visits have revealed that hundreds if not thousands of “old boys and girls” looked back with admiration and respect at the home that nurtured them throughout their formative years. Weaving together African American history with a unique history of New York City, this is not only a painstaking study of a previously unsung institution but a unique

window onto complex racial dynamics during a period when many failed to recognize equality among all citizens as a worthy purpose. In its current incarnation as Harlem-Dowling West Side Center for Children and Family Services, it continues to aid children (albeit not as an orphanage)—and maintains the principles of the women who organized it so long ago. “Scholars and general readers interested in New York history, race relations, social services, [or]

philanthropy . . . will benefit from this work.”?Social Sciences Reviews  
[Doctor Who: The Road to the Thirteenth Doctor \(complete collection\)](#) VNR AG  
 A new edition of a classic work revealing the little-known history of African Americans in New York City before Emancipation. The popular understanding of the history of slavery in America almost entirely ignores the institution’s extensive reach in the North. But the cities of the

North were built by—and became the home of—tens of thousands of enslaved African Americans, many of whom would continue to live there as free people after Emancipation. In the *Shadow of Slavery* reveals the history of African Americans in the nation's largest metropolis, New York City. Leslie M. Harris draws on travel accounts, autobiographies, newspapers, literature, and organizational records to extend prior studies of racial discrimination. She traces

the undeniable impact of African Americans on class distinctions, politics, and community formation by offering vivid portraits of the lives and aspirations of countless black New Yorkers. This new edition includes an afterword by the author addressing subsequent research and the ongoing arguments over how slavery and its legacy should be taught, memorialized, and acknowledged by governments. Stampington & Company  
The racially charged stereotype of "welfare queen"—an allegedly promiscuous waster who uses her children as meal tickets funded by taxpayers—is a familiar icon in modern America, but as Gunja SenGupta reveals in *From Slavery to Poverty*, her historical roots run deep. For, SenGupta argues, the language and institutions of poor relief and reform have historically served as forums for inventing and negotiating identity.

Mining a broad array of sources on nineteenth-century New York City's interlocking network of private benevolence and municipal relief, SenGupta shows that these institutions promoted a racialized definition of poverty and citizenship. But they also offered a framework within which working poor New Yorkers—recently freed slaves and disfranchised free blacks, Afro-Caribbean sojourners and Irish immigrants, sex workers and unemployed laborers, and mothers and

children—could challenge stereotypes and offer alternative visions of community. Thus, SenGupta argues, long before the advent of the twentieth-century welfare state, the discourse of welfare in its nineteenth-century incarnation created a space to talk about community, race, and nation; about what it meant to be “American,” who belonged, and who did not. Her work provides historical context for understanding why today the notion of “welfare”—with all its

derogatory “un-American” connotations—is associated not with middle-class entitlements like Social Security and Medicare, but rather with programs targeted at the poor, which are wrongly assumed to benefit primarily urban African Americans.

*Orphan Black* ECW Press  
 Frederick Douglass called the martyred president “emphatically the black man's president” as well as “the first who rose above the prejudice of his times and country.” This narrative history of

Lincoln's personal interchange with Black people over the course his career reveals a side of the sixteenth president that, until now, has not been fully explored or understood. In a little-noted eulogy delivered shortly after Lincoln's assassination, Frederick Douglass called the martyred president "emphatically the black man's president," the "first to show any respect for their rights as men." To justify that description, Douglass pointed not just to Lincoln's official acts

and utterances, like the Emancipation Proclamation or the Second Inaugural Address, but also to the president's own personal experiences with Black people. Referring to one of his White House visits, Douglass said: "In daring to invite a Negro to an audience at the White House, Mr. Lincoln was saying to the country: I am President of the black people as well as the white, and I mean to respect their rights and feelings as men and as citizens." But Lincoln's

description as "emphatically the black man's president" rests on more than his relationship with Douglass or on his official words and deeds. Lincoln interacted with many other African Americans during his presidency His unflinching cordiality to them, his willingness to meet with them in the White House, to honor their requests, to invite them to consult on public policy, to treat them with respect whether they were kitchen servants or leaders of the Black

community, to invite them to attend receptions, to sing and pray with them in their neighborhoods—all those manifestations of an egalitarian spirit fully justified the tributes paid to him by Frederick Douglass and other African Americans like Sojourner Truth, who said: "I never was treated by any one with more kindness and cordiality than were shown to me by that great and good man, Abraham Lincoln." Historian David S. Reynolds observed

recently that only by examining Lincoln's "personal interchange with Black people do we see the complete falsity of the charges of innate racism that some have leveled against him over the years."

[The Publishers' Trade List Annual](#) Random House Join THE MIDNIGHT, one of the world's top synthwave bands, comprised of Tyler Lyle and Tim McEwan, on an electrifying and original sci-fi graphic novel adventure inspired by the poetic storytelling and the neon-soaked

aesthetics of their music. Jason has spent his life running from his problems, but now he and his childhood sweetheart are on the precipice of parenthood, and he's struggling with the loss of his adolescence. Then he re-discovers his favorite old video game, THE MIDNIGHT, a nostalgic 1980s fantasy adventure about a helmeted hero who travels to a cyberpunk world to save the people from eternal darkness. Seeking to repair his broken game, Jason ends up at a

mysterious arcade in an abandoned 1980s mall, where he plays the old arcade game of The Midnight and suddenly he's transported to... ..a post-apocalyptic Neverland in the year 2085. A world of perpetual night where time stands still. A final bastion of humanity in a glistening futuristic city. And a shocking reveal - they know him as the hero who once vanquished the shadow monsters, and they believe he's returned to his true reality to do it again. More surprising, his

wife is here, but only with a memory of Jason as this world's hero. As this lost boy tries to embrace his new hero powers, with the help of his true love and her cyberpunk warriors, he must face the responsibility of protecting an entire world from danger and discover which world he truly belongs to. For The Midnight fans and newcomers, created by rising comics writer, Zack Kaplan (Break Out, Mindset), artist Stephen Thompson (Star Trek, Batman Beyond), artist

Jahnoy Lindsay (Superboy) and The Midnight, follow your dreams to a visually stunning cyberpunk metropolis, find love in the darkness, defeat shadow monsters and explore what happens when we hide in our fantasies. Are we escaping life's monsters or simply escaping ourselves? The answers lie in the Midnight Graphic Novel.

*The Lost Gospel* Urbana : University of Illinois Press  
Spanning three centuries of Brooklyn history from the colonial period to the present, *A Covenant with Color* exposes the intricate relations of dominance and

subordination that have long characterized the relative social positions of white and black Brooklynites. Craig Steven Wilder -- examining both quantitative and qualitative evidence and utilizing cutting-edge literature on race theory -- demonstrates how ideas of race were born, how they evolved, and how they were carried forth into contemporary society. In charting the social history of one of the nation's oldest urban locales, Wilder contends that power relations -- in

all their complexity -- are the starting point for understanding Brooklyn's turbulent racial dynamics. He spells out the workings of power -- its manipulation of resources, whether in the form of unfree labor, privileges of citizenship, better jobs, housing, government aid, or access to skilled trades. Wilder deploys an extraordinary spectrum of evidence to illustrate the mechanics of power that have kept African American Brooklynites in subordinate positions:

from letters and diaries to family papers of Kings County's slaveholders, from tax records to the public archives of the Home Owners Loan Corporation. Wilder illustrates his points through a variety of cases, including banking interests, the rise of Kings County's colonial elite, industrialization and slavery, race-based distribution of federal money in jobs, and mortgage loans during and after the Depression. He delves into the evolution of the Brooklyn

ghetto, tracing how housing segregation corralled African Americans in Bedford-Stuyvesant. The book explores colonial enslavement, the rise of Jim Crow, labor discrimination and union exclusion, and educational inequality. Throughout, Wilder uses Brooklyn as a lens through which to view larger issues of race and power on a national level. One of the few recent attempts to provide a comprehensive history of race relations in an

American city, *A Covenant with Color* is a major contribution to urban history and the history of race and class in America. *The World Almanac and Book of Facts 2016* Columbia University Press A study of African Americans in Ohio— notably, Cleveland, Columbus, and Cincinnati. Giffin argues that the "color line" in Ohio hardened as the Great Migration gained force. His data shows, too, that the color line varied according to urban area, hardening progressively

as one traveled South in the state.

The Black Man's President  
Fordham Univ Press

The communities of Crown Heights and Weeksville are historically significant Brooklyn neighborhoods with foundations that trace back to New York's early founding. Revolutionary War skirmishes took place there, and following the emancipation of slaves in 1827, Weeksville became the site of one of New York's earliest independent African American townships. The

hills of Brooklyn's Green Mountains hindered early settlement, and as a result a plethora of community institutions instead abounded in this far-flung outpost, including a penitentiary, hospitals, almshouses, old-age homes, convents, and monasteries. Traces of some of these early structures still remain. Using vintage images, Crown Heights and Weeksville chronicles the dynamic evolution of this area from rural township to the desirable center of culture, urban

convenience, and architectural beauty.

**Machiavelli Goes to the Movies** BRILL

In its exploration of some of the most influential, popular, or critically acclaimed television dramas since the year 2000, this book documents how modern television dramas reflect our society through their complex narratives about prevailing economic, political, security, and social issues. Television dramas have changed since the turn of the 21st century—for the good,

many would say, as a result of changes in technology, the rise of cable networks, and increased creative freedom. This book approaches the new golden age of television dramas by examining the programs that define the first 15 years of the new century through their complex narratives, high production value, star power, popularity, and enthusiastic fan culture. After an introduction that sets the stage for the book's content, thematic sections present concise

chapters that explore key connections between television dramas and elements of 21st-century culture. The authors explore Downton Abbey as a distraction from contemporary class struggles, patriarchy and the past in Game of Thrones and Mad Men, and portrayals of the "dark hero protagonist" in The Sopranos, Dexter, and Breaking Bad, as a few examples of the book's coverage. With its multidisciplinary perspectives on a variety of themes—terrorism,

race/class/gender, family dynamics, and sociopolitical and socioeconomic topics—this book will be relevant across the social sciences and cultural and media studies courses.

#### 21st-Century TV Dramas

Arcadia Publishing

The historical adult debut novel by # 1 New York Times bestselling author Lauren Kate, *The Orphan's Song* is a breathtaking story of passion, heartbreak, and betrayal, and a celebration of the enduring nature and

transformative power of love. "A tangled knot of betrayal and love, lies and redemption. Marvelous." - Fiona Davis, author of *The Address* A song brought them together. A secret will tear them apart. When Violetta and Mino meet, one finds true love and the other denies it. Both orphans at the Hospital of the Incurables in Venice, an orphanage and music conservatory, they meet and make music together clandestinely until Violetta is selected for the Incurables' renowned

chorus. In order to join she signs an oath never to sing beyond the church doors, effectively sequestering herself for life. Mino flees, heartbroken. Too late, Violetta realizes what she has lost. In rebellion she begins a dangerous and forbidden nightlife, unknowingly drawing closer to Mino as he searches Venice for his long-lost mother. Mino and Violetta must each journey through passion, heartache, and betrayal before a dangerous secret reunites them, leading to

a shocking and final confrontation.
