A revealing
look at the
making of

Martin
Scorsese's
iconic mob
movie and its
enduring
legacy,
featuring
interviews
with its
legendary
cast. When
Goodfellas

first hit the
theatres in
1990, a classic
was born. Few
could
anticipate the
unparalleled
influence it
would have on
pop culture,
one that
would inspire

future filmmakers and redefine the gangster picture as we know it today. From the rush of grotesque violence in the opening scene to the iconic hilarity of Joe Pesci's endlessly quoted "Funny how?" shtick, it's little wonder the film is widely regarded as a mainstay in contemporary cinema. In the first ever behind-the-scenes story of Goodfellas, film critic Glenn Kenny chronicles the making and afterlife of the

film that introduced the real modern gangster. Featuring interviews with the film's major players, including Martin Scorsese and Robert De Niro, Made Men shines a light on the lives and stories wrapped up in the Goodfellas universe, and why its enduring legacy has such a hold on American culture. One of the secrets to Bruce Springsteen's enduring popularity over the past fifty years is the way fans feel a deep personal connection to his work. Yet even as the connection often stays grounded in details from his New Jersey upbringing, Springsteen's music references a rich array of personalities from John

Steinbeck to Amadou Diallo and beyond, inspiring fans to seek out and connect with a whole world's worth of art, literature, and life stories. In this unique blend of memoir and musical analysis, John Massaro reflects on his experiences as a lifelong fan of The Boss and one of the first professors to design a college course on Springsteen's work. Focusing on five of the Jersey rocker's

main themes—love, masculinity, sports, politics, and the power of music—he shows how they are represented in Springsteen's lyrics and shares stories from his own life that powerfully resonate with those lyrics. Meanwhile, paying tribute to Springsteen's inclusive vision, he draws connections among figures as seemingly disparate as James Joyce, Ta-Nehisi Coates,

Thomas Aquinas, Bobby Darin, and Lin-Manuel Miranda. *Shades of Springsteen* offers a deeply personal take on the musical and cultural legacies of an American icon. *Satisfaction* Rowman & Littlefield From a New York Times bestseller, "a highly enjoyable double-feature about two couples living centuries apart, linked by...the same cursed diamond"

(Publishers Weekly, starred review). Two unforgettable tales. One dazzling diamond! Summer 1814 . . . When Evangeline Munroe inherits the exquisite but supposedly cursed Nightshade Diamond, she considers it a bit of good fortune. Then she literally runs into Connoll Addison, Marquis of Rawley, the most sought after bachelor amongst the ton. Surely her immediate

attraction to the rogue is bad luck. Could the diamond be more dangerous than she ever imagined? Present . . . Samantha Jellicoe thinks it's good luck that has her—a reformed cat burglar—providing security for a museum exhibit. Then she discovers the Nightshade Diamond, with an accompanying note that says the thing is cursed. Cursed indeed! How else to explain

Scotland Yard breathing down her neck, the appearance of an ex-boyfriend, and her lover Rick Addison suddenly testing the boundaries of their relationship? She needs to unload the gem and soon, or she may lose her dreams forever. "Sassy and smart, Enoch's two tales of luck and love are thoroughly enjoyable." —Booklist
The Final Quest K.M. Golland
Jerry Lee

Lewis has lived an extraordinary life. He gave rock and roll its devil's edge with hit records like 'Great Balls of Fire'. His incendiary shows caused riots and boycotts. He ran a decade-long marathon of drugs, drinking, and women, and married his thirteen-year-old second cousin, the third of seven wives. He also nearly met his maker, at least twice. He survived it all to be hailed as one of the greatest

music icons. For the very first time, he reveals the truth behind the Last Man Standing of the rock-and-roll era. The Last Temptation of Rick Pitino Penguin
When her parents are murdered before her eyes, sixteen-year-old Helen Cartwright finds herself launched into an underground London where a mysterious organization controls the balance of good and evil. Helen learns that she is one

of three remaining angelic descendants charged with protecting the world's past, present, and future. Unbeknownst to her, she has been trained her whole life to accept this responsibility. Now, as she finds herself torn between one of the brothers protecting her and the devastatingly handsome childhood friend who wants to destroy her, she must prepare to be brave, to be

hunted, and
above all to be
strong,
because
temptation
will be hard to
resist, even
for an angel.

this #1 New
York Times
bestselling
book by
Pastor Rick
Warren.
Before you
were born,
God knew

what your life
had in store
for you. His
hope for you
is to discover
the life he
created just
for you--both
here on earth,
and forever in
eternity. Let
Rick Warren
guide you as
you learn to
live out your
true purpose.
The Purpose
Driven Life is
more than a
book; it's a
road map for
your spiritual
journey.
Combining
thoughtful
verses from
Scripture with
timely stories
and
perspectives
from Warren's
own life, The

Purpose
Driven Life will
help you
discover the
answer to one
of life's most
important
questions:
What on earth
am I here for?
Throughout
The Purpose
Driven Life,
Warren will
teach you to
spend time
getting to
know yourself
and your
creator in
order to live
your life to the
fullest.
Unlocking
your true
purpose will
also reduce
your stress,
simplify your
decisions,
increase your
satisfaction,

and, most importantly, prepare you for eternity. Designed to be read over the course of forty-two days, *The Purpose Driven Life* will help you see the big picture, giving you a fresh perspective on the way that the pieces of your life fit together. Every chapter of *The Purpose Driven Life* provides a daily meditation and practical steps to help you uncover and live out your purpose,

starting with exploring three essential questions: *The Question of Existence: Why am I alive? The Question of Significance: Does my life matter? The Question of Purpose: What on earth am I here for?* Each copy of *The Purpose Driven Life* also includes thoughtful discussion questions, audio Bible studies that go along with every chapter, and access to a supportive online community,

giving you the opportunity to dive even deeper into each life-changing lesson. **Hoops** Xulon Press National bestseller and a *Globe and Mail* Best Book. A fascinating, larger-than-life character, Davies left a treasure trove of stories about him when he died in 1995 — expertly arranged here into a revealing portrait. From his student days onward, Robertson Davies made a huge

impression on those around him. He was so clearly bound for a glorious future that some young friends even carefully preserved his letters. And everyone remembered their encounters with him. Later in life, as a world-famous writer, perhaps Canada's pre-eminent man of letters (who "looked like Jehovah"), he attracted people eager to meet him, who also vividly remembered their

meetings. So when Val Ross set out in search of people's memories, she was faced with a wonderful embarrassment of riches. The one hundred or so contributors here range very widely. There are family memories, of course, and memories from colleagues in the academic world who knew him as a professor and the founding master of Massey College at the University of

Toronto. Predictably, there are other major writers like Margaret Atwood and John Irving. Less predictably, there are people from the world of Hollywood, such as Norman Jewison and David Cronenberg (who remembers Davies on-set, peering through a camera lens as he researched his newest novel). And we even hear from his barber, and from his

gardener, Theo Henkenhaf. Some speakers contribute just a lively paragraph; others several pages. Yet all of them, through the magic of Val Ross's art, help to create an intriguing, full-colour portrait of a complex man beloved by millions of readers around the world. [Jerry Lee Lewis](#) Algonquin Books Now with a new chapter on the Wildcats'

legendary comeback in the 2014 Final Four John Calipari, one of the most successful coaches in NCAA history, presents the world of college basketball from the coach's chair, unvarnished and straight from the heart. Players First is Calipari's account of his first six years coaching the University of Kentucky men's team, leading it to a national championship in 2012 and the

championship game in 2014, all while dealing with the realities of the "one-and-done" mentality and an NCAA that sometimes seems to put players last. Filled with revelatory stories about what it takes to succeed at the highest level of the college game, Players First is a candid look at the great players and rivalries that have filled Calipari's life with joy and a sense of purpose. **The Last Temptation**

bestseller
From the #1

New York Times bestselling author of This Town, an equally merciless probing of America's biggest cultural force, pro football, at a moment of peak success and high anxiety Like millions of Americans, Mark Leibovich has spent more of his life tuned into pro football than he'd care to admit. Being a lifelong New England Patriots fan meant growing up on a steady diet

of lovable loserdom. That is, until the Tom Brady/Bill Belichick era made the Pats the most ruthlessly efficient and polarizing sports dynasty of the modern NFL, and its fans the most irritating in all of Pigskin America. Leibovich kept his obsession quiet, making a nice career for himself covering that other playground for rich and overgrown children, American politics. Still, every now and

then Leibovich would reach out to Tom Brady to gauge his willingness to subject himself to a profile. He figured that the chances of Brady agreeing were a Hail Mary at best, but Brady returned Mark's call in summer 2014 and kept on returning his calls through epic Patriots Super Bowl victory and defeat, and a scandal involving Brady-- Deflategate-- whose grip on sports media

was as profound as its true significance was ridiculous. So began a four-year odyssey that took Mark Leibovich deeper inside the NFL than anyone has gone before. From the owners' meeting to the draft to the sidelines of crucial games, he takes in the show at the elbow of everyone from Brady to big-name owners to the cordially despised NFL Commissioner, Roger Goodell. Ultimately,

BIG GAME is a chronicle of "peak football"--the high point of the sport's economic success and cultural dominance, but also the time when the dark side began to show. It is an era of explosive revenue growth, but also one of creeping existential fear. Players have long joked that NFL stands for "not for long," but as the true impact of concussions becomes inescapable

background noise, it's increasingly difficult to enjoy the simple glory of football without the buzz-kill of its obvious consequences . And that was before Donald Trump. In 2016, Mark's day job caught up with him, and the NFL slammed headlong into America's culture wars. Big Game is a journey through an epic storm. Through it all, Leibovich always keeps one eye on Tom Brady

and his beloved Patriots, through to the 2018 Super Bowl. Pro football, this hilarious and enthralling book proves, may not be the sport America needs, but it is most definitely the sport we deserve. *Tempted and Tried* Douglas Gibson Books A detailed, theoretically attuned analysis of all of the Scorsese-directed features from *The Last Waltz to Bringing Out the Dead* .

Grist illuminates Scorsese's authorship, but also reflects back upon a range of informing contexts. **Big Game** JHU Press New research from the Billy Graham Center Institute shows that unchurched Americans are still remarkably open to faith conversations and the church. Researcher and practitioner Rick Richardson sheds light on the study's

findings and shares best practices for how churches are effectively approaching unchurched "nones" and moving them to faith. **Criminal Macabre: Feat of Clay** Harlequin From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews,

and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

The New Censors

Canongate Books
From acclaimed New York Times

Magazine author Michael Sokolove, the astonishing inside story of the epic corruption scandal that has rocked the NCAA and exposed the rot and hypocrisy at the heart of big-time college sports. At a lavish annual event in late August 2017, the University of Louisville athletic director, who made more than \$5 million in compensation in 2016, announced an extension of his school's

sponsorship deal with Adidas: \$160 million for another 10 years. The invitees were city's gentry - horse breeders, bourbon distillers, partners at big law firms, the state's governor, Matt Bevin, and its most powerful politician, Senate Majority Leader Mitch McConnell. One month later, the FBI revealed that it had reached the endgame of a sprawling investigation of large-scale corruption

involving Adidas, Louisville and a host of other colleges, in which large payments were laundered from Adidas through a network of coaches and fixers to athletes and their families to induce them to go to Adidas-branded college programs. In short order, Hall of Fame basketball coach Rick Pitino (salary: \$8 million) and athletic director Tom Jurich were fired, and fear

and trembling swept through the world of bigtime college athletics. Because there is another shoe, as it were, and it will fall. In THE LAST TEMPTATION OF RICK PITINO, Michael Sokolove lifts the rug on the Louisville scandal and places it in the context of the much wider problem, the farce of amateurism in bigtime college sports. In a world in which even assistant coaches can

make high-six and seven-figure salaries, as long as they keep the "elite" athletes coming in, shoe deals can reach into the nine figures, and everyone is getting rich but the players, can it be surprising that unscrupulous parties would pay athletes, creating in effect a black market in young men, a veritable underground railroad of talent? But a few bad apples are one thing. In THE

LAST TEMPTATION OF RICK PITINO, Michael Sokolove shows an elaborate, systematic machine, involving hundreds of thousands of dollars in illicit payments and connecting at least one of the largest apparel companies in the world with schools across the country. The Louisville-Adidas scandal has revealed a web of conspiracy whose scope has shaken big-time

college sports to its core, delivering a devastating blow to the fantasy of amateurism, of "scholar athletes." A Shakespearean drama of greed and desperation involving some of the biggest characters in the arena of sports, THE LAST TEMPTATION OF RICK PITINO will be the definitive chronicle of this scandal and its broader echoes. **Shades of Springsteen** Harper Collins

From his earliest shorts to his recent feature films The Departed and Shutter Island, this book offers an in-depth analysis of the deepest archetypal themes, symbols, and structures in Martin Scorsese's entire body of work. It examines each of Scorsese's films as a mythological journey through which the main character is offered an opportunity for psychological

and spiritual enlightenment , focusing especially on how each character is led to recognize, accept, and embrace his or her flawed traits. The book also explores the ways in which Scorsese's films incite extreme reactions and strike deep chords within his viewers, particularly by speaking the language of the unconscious and forcing readers to examine their own hidden flaws.

The Last Season
Random House
From acclaimed New York Times Magazine author Michael Sokolove, the full inside story of the NCAA's epic corruption scandal that exposed the rot and hypocrisy at the heart of big-time college sports. In 2017, the FBI revealed that it had reached the endgame of a sprawling investigation of large-scale corruption involving

Adidas, Louisville and a host of other colleges, in which large payments were laundered from Adidas through a network of coaches and fixers to athletes and their families to induce them to go to Adidas-branded college programs. In short order, Hall of Fame basketball coach Rick Pitino (salary: \$8 million) and athletic director Tom Jurich were fired, and fear, trembling, and

some high-profile litigation swept through the world of bigtime college athletics. In THE LAST TEMPTATION OF RICK PITINO, Michael Sokolove not only lifts the rug on the Louisville scandal but also places it in the context of the much wider problem, the farce of amateurism in bigtime college sports. In a world in which even assistant coaches can make high-six

and seven-figure salaries, as long as they keep the "elite" athletes coming in, shoe deals can reach into the nine figures, and everyone is getting rich but the players, can it be surprising that unscrupulous parties would pay athletes, creating in effect a black market in young men, a veritable underground railroad of talent? But a few bad apples are one thing. In THE LAST

TEMPTATION OF RICK PITINO, Michael Sokolove shows an elaborate, systematic machine, involving hundreds of thousands of dollars in illicit payments and connecting at least one of the largest apparel companies in the world with schools across the country. The Louisville-Adidas scandal has revealed a web of conspiracy whose scope has shaken big-time college sports

to its core, delivering a devastating blow to the fantasy of amateurism, of "scholar athletes." A Shakespearean drama of greed and desperation involving some of the biggest characters in the arena of sports, THE LAST TEMPTATION OF RICK PITINO is the definitive chronicle of this scandal and its broader echoes. Pitino Penguin In 1988, director Martin Scorsese

fulfilled his lifelong dream of making a film about Jesus Christ. Rather than celebrating the film as a statement of faith, churches and religious leaders immediately went on the attack, alleging blasphemy. At the height of the controversy, thousands of phone calls a day flooded the Universal switchboard, and before the year was out, more than three million mailings protesting the

film fanned out across the country. For the first time in history, a studio took responsibility for protecting theaters and scrambled to recruit a "field crisis team" to guide The Last Temptation of Christ through its contentious American openings. Overseas, the film faced widespread censorship actions, with thirteen countries eventually banning the film. The response in Europe turned violent when opposition

groups sacked theaters in France and Greece and caused injuries to dozens of moviegoers. Twenty years later, author Thomas R. Lindlof offers a comprehensive account of how this provocative film came to be made and how Universal Pictures and its parent company MCA became targets of the most intense, unremitting attacks ever mounted against a media company. The film faced

early and determined opposition from elements of the religious Right when it was being developed at Paramount during the last year the studio was run by the celebrated troika of Barry Diller, Michael Eisner, and Jeffrey Katzenberg. By the mid-1980s, Scorsese's film was widely regarded as unmakeable—a political stick of dynamite that no one dared touch.

Through the joint efforts of two of the era's most influential executives, CAA president Michael Ovitz and Universal Pictures chairman Thomas P. Pollock, this improbable project found its way into production. The making of *The Last Temptation of Christ* caught evangelical Christians at a moment when they were suffering a crisis of confidence in their leadership. The religious right seized on

the film as a way to rehabilitate its image and to mobilize ordinary citizens to attack liberalism in art and culture. The ensuing controversy over the film's alleged blasphemy escalated into a full-scale war fought out very openly in the media. Universal/MCA faced unprecedented calls for boycotts of its business interests, anti-

Semitic rhetoric and death threats were directed at MCA chairman Lew Wasserman and other MCA executives, and the industry faced the specter of violence at theaters. Hollywood Under Siege draws upon interviews with many of the key figures—Martin Scorsese, Paul Schrader, Michael Ovitz, Jeffrey Katzenberg, Jack Valenti, Thomas P. Pollock, and

Willem Dafoe—to explore the trajectory of the film from its conception to the subsequent epic controversy and beyond. Lindlof offers a fascinating dissection of a critical episode in the embryonic culture wars, illuminating the explosive effects of the clash between the interests of the media industry and the forces of social conservatism.
