Julio Cortazar's crazed masterpiece, the forerunner of the Latin Boom in the 1960s - published in Vintage Classics for the first time 'Cortazar's masterpiece. This is the first great novel of Spanish America... A powerful anti-novel but, like deeply understood moments in life itself, rich with many kinds of potential meanings and intimations' Times Literary Supplement Dazed by the disappearance of his muse, Argentinian writer Horatio Oliveira wanders the bridges of Paris, the sounds of jazz and the talk of literature, life and art echoing around him. But a chance encounter with a literary idol and his new work - a novel that can be read in random order - sends Horatio's mind into further confusion. As a return to Buenos Aires beckons, Horatio's friend and fellow artist, Traveler, awaits his arrival with dread -the lives of these two young writers now ready to play out in an inexhaustible game of indeterminacy.

Join Dot and Duck in a simple, yet hilarious, story about kindness, manners, and friendship that gets more and more chaotic with every turn of the page! Dot invites Duck to a tea party, but from the moment Duck enters the house, the tea party descends into chaos; from licking sandwich fillings to spitting tea, Duck gets ruder...and ruder...and ruder. Just how will Dot react to such outrageous behavior? Simple, funny, and ultimately touching, this book will appeal to any child who is learning what it is not to be rude and, more importantly, what it is to be a true friend.

**The Craftsman** Penguin UK

This is the first English translation of a lyrical poem in prose that Sebald considers to be the first fully Romantic work of continental European

literature.

The Empty Pot is Demi's beloved picture book about an honest schoolboy A long time ago in China there was a boy named Ping who loved flowers. Anything he planted burst into bloom. The Emperor loved flowers too. When it was time to choose an heir, he gave a flower seed to each child in the kingdom. "Whoever can show me their best in a year's time," he proclaimed, "shall succeed me to the throne!" Ping plants his seed and tends it every day. But month after month passes, and nothing grows. When spring comes, Ping must go to the Emperor with nothing but an empty pot. Demi's exquisite art and beautifully simple text show how Ping's embarrassing failure is turned triumphant in this satisfying tale of honesty rewarded. An IRA-CBC Children's Choice. An American Bookseller "Pick of the Lists."

Widely praised, "A Neotropical Companion" is an extraordinarily readable introduction to the American tropics, the lands of Central and South America, their rainforests and other ecosystems, and the creatures that live there. 177 color illustrations.

**Gilda the Giant Sheep** Cambridge University Press

When 17 year old Isabella Swan moves to Forks, Washington to live with her father she expects that her new life will be as dull as the town. But in spite of her awkward manner and low expectations, she finds that her new classmates are drawn to this pale, dark-haired new girl in town. But not, it seems, the Cullen family. These five adopted brothers and sisters obviously prefer their own company and will make no exception for Bella. Bella is convinced that Edward Cullen in particular hates her, but she feels a strange attraction to him, although his hostility makes her feel almost physically ill. He seems determined to push her away - until, that is, he saves her life from an out of control car. Bella will soon discover that there is a very good reason for Edward's coldness. He, and his family, are vampires - and he knows how dangerous it is for others to get too close.

**The New Complete Book of Self-Sufficiency** Hachette UK

The Star Child, a tiny flame of vapor, invisible and timeless, watches the Earth from far, far away. He marvels at the blue swirls of the ocean and the green land, a bright spot turning through the darkness of space. He wants to go to this wondrous place, but he ponders: What will that life be like?

"You will be plunged into Earth's river of time," his elders tell the Star Child. "There will be so much for you to learn and so much for you to feel—pleasure and fear, joy and disappointment, sadness and wonder." Through spare, artful text and intricate illustrations, Claire A. Nivola celebrates the cycle of life. A Frances Foster Book

Love in the Time of Cholera Penguin

Netflix's series adaptation of One Hundred Years of Solitude premieres December 11, 2024! One of the twentieth century's enduring works, One Hundred Years of Solitude is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, One Hundred Years of Solitude weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

Embrace off-grid green living with the bestselling classic guide to a more sustainable way of life, now with a brand new foreword from Hugh Fearnley-Whittingstall. John Seymour has inspired thousands to make more responsible, enriching, and eco-friendly choices with his advice on living sustainably. The New Complete Book of Self-Sufficiency offers step-by-step instructions on everything from chopping trees to harnessing solar power; from growing fruit and vegetables, and preserving and pickling your harvest, to baking bread, brewing beer, and making cheese. Seymour shows you how to live off the land, running your own smallholding or homestead, keeping chickens, and raising (and butchering) livestock. In a world of mass production, intensive farming, and food miles, Seymour's words offer an alternative: a celebration of the joy of investing time, labour, and love into the things we need. While we aren't all be able to move to the countryside, we can appreciate the need to eat food that has been grown ethically or create things we can cherish, using skills that have been handed down through generations. With refreshed, retro-style illustrations and a brand-new foreword by Hugh Fearnley-Whittingstall, this new edition of Seymour's classic title is a balm for anyone who has ever sought solace away from the madness of modern life.

**A Neotropical Companion** Blackstone Publishing

Strange Pilgrims is a collection of unforgettable stories about distinctive South American individuals in Europe from the Nobel laureate Gabriel García Márquez author of One Hundred Years of Solitude and Love in the Time of Cholera. 'The first thing Señora Prudencia Linero noticed when she reached the port of Naples was that it had the same smell as the port of Riohacha' The twelve stories here tell of Latin Americans adrift in Europe: a bereaved father in Rome for an audience with the Pope carries a box shaped like a cello case; an aging streetwalker waits for death in Barcelona with a dog trained to weep at her grave; a panic-stricken husband takes his wife to a Parisian hospital to treat a cut and never sees her again. Combining terror and nostalgia, surreal comedy and the poetry of the commonplace, Strange Pilgrims is a triumph of storytelling by our most brilliant writer.

'Celebratory and full of strange relish at life's oddness, the stories draw their strength from Márquez's generous feel for character, good and bad, boorish and innocent' William Boyd 'The most important writer of fiction in any language' Bill Clinton 'Often touching, often funny, always unexpected, the experience is as enriching as travel itself' New Statesman

On Halloween Night Vintage

Princess Griselda was so beautiful that almost everyone she met fell head over heels in love with her. And that's not just a saying. They actually lost their heads. In this wonderfully original fairy tale Isol takes on the dangers of narcissism. Griselda not only causes anyone who looks at her to lose his head -- she collects the lost heads, oblivious to the fact that everyone is terrified of looking at her. Eventually she runs out of companions, until she finally finds a prince so myopic that for a short while he is able to be with her (before the inevitable happens). But they are together long enough that at the end of nine months she has an extremely beautiful baby who, for the first time in Griselda's life, takes her out of herself -- unfortunately with the inevitable result.
