In the summer of 1807, the Explorer, a ship from Her Majesty's Navy recovers a young shipwreck off the coast of Siam, Abel, who can only remember his name. He soon becomes friends with the first officer, acting as a captain because the commander of the ship has apparently absconded with the ship's treasure. Abel returns to England with the Explorer and finds accommodation at the inn run by the three fugitive captain's daughters. Well before he can recover his memory, however, he will discover something deeply disturbing about himself, and he will understand the true nature of some of the people who helped him. A haunting and intense book that digs into the soul of the protagonists as well as the reader, with a generous helping of good ol' fashioned salty adventure along with many a shanty sung and a sprinkling of magic dust. Presented in a handsome old style, with a worn-looking hardcover, as if taken from a ship captain's library. An uplifting, enthralling escape.

In *Ancient Marbles in Naples in the Eighteenth Century* Eloisa Dodero aims at documenting the history of numerous private collections formed in Naples during the 18th century, with particular concern for the "Neapolitan marbles" and the circumstances of their dispersal. Research has thus made it possible to formulate a synthesis of the collecting dynamics of Naples in the 18th century, to define the interest of the great European collectors, especially British, in the antiquities of the city and its territory and to draw up a catalogue which for the first time brings together the nucleus of sculptures reported in the Neapolitan collections or coming from irregular excavations, most of which shared the destiny of dispersal, in some cases here traced in definitive fashion.

*The Miracles of Archangel Michael* Usborne Books

Archangel Michael is a powerful protector who helps everyone who calls upon him. In this enlightening work, Doreen Virtue teaches the many ways in which Michael brings peace to people everywhere. The book includes fascinating true stories of how Michael has protected people while driving, guided their careers, safeguarded their children . . . and even reveals his little-known talents for repairing mechanical and electronic machines! You'll learn how to contact Michael; and discover ways to work with him for physical and emotional healing for yourself, your friends and family members, or your clients. The stories in this book will open your heart to the amazingly pure, unconditional love that Michael has for anyone who seeks his help. The Miracles of Archangel Michael will help you feel safe, protected, and very loved!

The debut graphic novel from Thai-Italian illustrator Elisa Macellari, *Papaya Salad* tells the story of her great-uncle Sompong who found himself in Europe on military scholarship on the eve of World War II. A gentle and resolute man in love with books and languages, in search of his place in the world, Sompong chronicles his life during the war and falling for his wife, finding humor and joy even as the world changes irrevocably around him. This Winner of the 2019 Autori di Immagini Silver Medal in the Comics category tells the human story of the War, from a perspective not typically

seen. "An historical and emotional journey through my family and my roots that are grown between Europe and Asia. A personal narrative that needs to be shared and hopefully arouses empathy in the reader." -- Elisa Macellari

Angels are the bridge between Heaven and Earth. After all, the term angel means "messenger of God." The angels can reach us and teach us, no matter how stressed, or afraid we are. In this nondenominational book, you'll read 10 comforting and inspiring messages in the collective voice of God's angels, who already know the questions in your heart. Here, received by lifelong clairvoyant Doreen Virtue, they deliver Divine wisdom on important topics such as: • Your true identity • Free will • Relationships • Healing • Spiritual and earthly fulfillment • . . . and many more. This book can also give you guidance if you open it to a random page. Whatever you read upon doing so is a personalized message for you. *10 Messages Your Angels Want You to Know* will help you develop an even clearer connection with Heaven. May the words in these pages open you to hearing God's guidance just for you.

When civil war erupts in Somalia, cousins Domenica Axad and Barni are separated and forced to flee the country. Barni manages to eke out a living in Rome, where she works as an obstetrician. Domenica wanders Europe in a painful attempt to reunite her broken family and come to terms with her past. After ten years, the two women reunite. When Domenica gives birth to a son, Barni, also known as Little Mother, is at her side. Together with the new baby, Domenica and Barni find their Somali roots and start to heal the pain they have suffered in war and exile. This powerful yet tender novel underscores the strength of women, family, and community, and draws on the tenacious yearning for a homeland that has been denied.

Dr. Doreen Virtue's life changed dramatically when angels miraculously warned her and then intervened during a carjacking. After her angelic encounter, Doreen began asking the angels for additional guidance. They answered her requests with very clear and loving words. She writes of how the angelic guidance affected her work as a psychotherapist: "I began helping my counselling

clients to hear their own angels. Very quickly, I discovered that the healing power of the angels exceeds any form of 'man-made' therapy I had ever witnessed. The angels have wonderful gifts from God to impart to us." In *Angel Therapy*, Doreen delivers The Angelic Realm's messages of comfort and guidance that can help you with troubling emotions such as depression, boredom, confusion, and anger; and issues associated with careers, relationships, parenting, and much more.

*A Little Light on Angels* Dark Horse Comics

Two leading spiritual teachers share new, high-frequency ascending information—so that you can accelerate your journey to the light. Since 2012, the energy on this planet has changed considerably, with much more high-frequency energy coming in. In addition, many of the tools and techniques we have been using on the ascension path have moved to a new vibration with different geometric set-ups. Diana Cooper and Tim Whild have been working with the angels for many years and believe that people are ready to receive this higher-level information. The Archangels are stepping in to help you to ascend your frequency to the fifth dimension and beyond. In *The Archangel Guide to Ascension*, they offer clear steps to accelerate your journey to the light. These steps are sequential so that your path will be smooth and clear. Each chapter offers guidance about the Archangels, information about the step you are on, and a visualization to assist you. Archangel Metatron, who vibrates with the number 55, is overlighting the whole book, and will be with you as you work with the guidance it offers.

One of the most popular and widely read books of the Middle Ages, "Physiologus" contains allegories of beasts, stones, and trees both real and imaginary, infused by their anonymous author with the spirit of Christian moral and mystical teaching. Accompanied by an introduction that explains the origins, history, and literary value of this curious text, this volume also reproduces twenty woodcuts from the 1587 version. Originally composed in the fourth century in Greek, and translated into dozens of versions through the centuries, "Physiologus" will delight readers with its ancient tales of ant-lions, centaurs, and hedgehogs and their allegorical significance. An elegant little book . . . still diverting to look at today. . . . The woodcuts reproduced from the 1587 Rome edition are alone worth the price of the book. Raymond A. Sokolov, "New York Times Book Review"

"Enchanting, intriguing, deeply moving. *The Lost Letters of William Woolf* concerns itself as much with lost love as it does with lost letters." —Irish Times \*\*\* Lost letters have only one hope for survival... Inside the walls of the Dead Letters Depot, letter detectives work to solve mysteries. They study missing zip codes, illegible handwriting, rain-smudged ink, lost address labels, torn packages, forgotten street names—all the many twists of fate behind missed birthdays, broken hearts, unheard confessions, pointless accusations, unpaid bills, unanswered prayers. Their mission is to unite lost mail with its intended recipients. But when letters arrive addressed simply to "My Great Love," longtime letter detective William Woolf faces his greatest mystery to date. Written by a woman to the soulmate she hasn't met yet, the missives capture William's heart in ways he didn't know possible. Soon, he finds himself torn between the realities of his own marriage and his world of letters, and his quest to follow the clues becomes a life-changing journey of love, hope, and courage. From Irish author Helen Cullen, *The Lost Letters of William Woolf* is an enchanting novel about the

resilience of the human heart and the complex ideas we hold about love—and a passionate ode to the art of letter writing.

*Raffaello d'Urbino e il padre suo, Giovanni Santi* Mondadori Electa

Wounds from primal relationships, such as those with mothers and fathers, run very deep. If your childhood involved an absent, addicted or abusive father, you may have the following 'emotional ghosts': low self-esteem, people-pleasing, approval-seeking, co-dependency, wishing and praying that your dad would change into the father you believe he should be, feeling frequently angry, choosing romantic partners who remind you of your dad, feeling intimidated by male authority figures. In this insightful and compassionate book, former psychotherapist Doreen Virtue and practising clinical social worker Andrew Karpenko present a range of self-healing techniques to empower you to counsel your inner wounded child so that you can deal with men as a healthy functioning adult. Whether you are a man or a woman, they help you to choose thriving, balanced relationships with the males in your life; open your heart to feeling safe receiving love; and reconnect with both divine feminine and masculine energies.

*In Birthing a New Civilization* Diana Cooper takes stock of where humanity stands in its evolutionary development looking at the current transition towards 2032. This fascinating forecast highlights the new spiritual energies entering the planet and bringing shifts to economic, political, and climatic arenas. Further predictions are offered for individual countries and include a time frame for this massive transition, anticipated to last until the Earth moves fully into the fifth-dimensional frequency in 2032. From what to expect to how to prepare, this exciting exploration serves as guidance for the coming years, allowing readers to attune themselves to the spiritual forces on the horizon and prepare themselves to ascend into the 5th dimension.

*Magical Unicorns Oracle Cards Guidebook* Harvard University Press

When Doreen and her son Grant Virtue were recording podcasts, they noticed that whenever she said the word angel, the recording graphics were shaped like angel wings! So they studied the other words she said and realized that those with a spiritual or loving basis had large graphs. So they experimented with saying negative words and found that their appearance was completely different: tight and small. Similar to Masaru Emoto's work with water crystals, *Angel Words* gives visual proof

of the power and impact of speaking in a loving way. You'll come to understand why positive words express the most energy and therefore have the most power to manifest your dreams. You'll also see how negative words have low energy and read how they can actually draw negative experiences to you. This unforgettable book will immediately motivate you to choose positive words!
