La nueva novela histórica Hispanoamericana Vintage

This is the first book-length biography of Andrés Bello, the nineteenth-century Latin American intellectual, to appear in English. Bello was also a poet, a literary critic, and an influential statesman whose contributions to nation-building and Spanish American identity are widely recognized across the region. This work provides a comprehensive interpretation of Bello's work, gives an account of Bello's life based on new information from archives in four countries, and sheds new light on this critical period in Latin American history.

The Vortex ALFAGUARA

"The Armies by Evelio Rosero, a story of love, violence, and war, is a modern classic." "Ismail, the profesor, is a retired teacher in the small, fictional Colombian town of San Jose. He passes the days pretending to pick oranges while spying on his neighbor Geraldina as she lies naked in the shade of a ceiba tree. The garden burns with sunlight; the macaws laugh sweetly. Otilia, Ismail's wife, is ashamed of him and suggests that he pay a visit to Father Albornoz, who was once his student. Instead the profesor wanders the town visiting old friends, plagued by a tangle of secret memories: Where have I existed these years? I answer myself: up on the wall, peering over." "When guerrillas and paramilitaries suddenly invade the town, Ismail's reveries gradually give way to a living hell. His wife disappears and he must find her. We learn that not only gentle, grassy hillsides surround San Jose, but also land mines and coca. The profesor's voyeuristic ramblings are engulfed by the hallucinatory violence of Rosero's narrative, which is suffused not only with a deep sadness but also with an extraordinary tenderness." --Book Jacket.

**A Tale of the Dispossessed/La Multitud Errante** Simon and Schuster

Oblivion is a heartbreaking, exquisitely written memorial to the author's father, Héctor Abad Gómez, whose criticism of the Colombian regime led to his murder by paramilitaries in 1987. Twenty years in the writing, it paints an unforgettable picture of a man who followed his conscience and paid for it with his life during one of the darkest periods in Latin America's recent history.

**Communication, Culture and Hegemony** Univ of California Press

The result of a collaboration among eight women scholars, this collection examines the history of women's participation in literary, journalistic, educational, and political activity in Latin American history, with special attention to the first half of this century.

*Novelas santandereanas del siglo XIX.* Universidad Eafit

In this long-awaited first volume of a planned trilogy, the most acclaimed and revered living Nobel laureate begins to tell us the story of his life. Like all his work, *Living to Tell the Tale* is a magnificent piece of writing. It spans Gabriel García Márquez's life from his birth in 1927 through the start of his career as a writer to the moment in the 1950s when he proposed to the woman who would become his wife. It has the shape, the quality, and the vividness of a conversation with the reader—a tale of

people, places, and events as they occur to him: the colorful stories of his eccentric family members; the great influence of his mother and maternal grandfather; his consuming career in journalism, and the friends and mentors who encouraged him; the myths and mysteries of his beloved Colombia; personal details, undisclosed until now, that would appear later, transmuted and transposed, in his fiction; and, above all, his fervent desire to become a writer. And, as in his fiction, the narrator here is an inspired observer of the physical world, able to make clear the emotions and passions that lie at the heart of a life—in this instance, his own. *Living to Tell the Tale* is a radiant, powerful, and beguiling memoir that gives us the formation of Gabriel García Márquez as a writer and as a man.

**Leopard in the Sun** U. Pedagógica Nacional

This collection presents a broad and compelling overview of the most recent work in philosophy, politics, and psychoanalysis by a world-renowned figure in contemporary thought.

The Elf Hill Penguin

La novela por la que Laura Restrepo fue galardonada con el Premio Alfaguara de novela 2004. « Todos los secretos están guardados en un mismo cajón, el cajón de los secretos, y si desvelas uno, corres el riesgo de que pase lo mismo con los demás.» Un hombre regresa a casa después de un corto viaje de negocios y encuentra que su esposa ha enloquecido completamente. No tiene idea de qué le ha podido ocurrir durante los tres días de su ausencia, y con el fin de ayudarla a salir de la crisis empieza a investigar, solo para descubrir lo poco que sabe sobre las profundas perturbaciones escondidas en el pasado de la mujer que ama. Narrada con talento y emoción, la historia principal de esta novela se fragmenta en otras que se anudan a través de personajes llenos de matices. Laura Restrepo muestra en esta obra una energía narrativa fuera de lo común, en donde el suspense se mantiene hasta un final esperanzador que cierra una hermosa novela, bien construida, mejor controlada y brillantemente desarrollada. José Saramago, presidente del jurado que entregó el Premio Alfaguara de Novela a Laura Restrepo, dijo... «Delirio es una expresión de todo lo que Colombia tiene de fascinante, e incluso de terriblemente fascinante. Y cuando el nivel de la escritura llega hasta donde lo llevó Laura Restrepo, hay que quitarse el sombrero. Lo digo en mi nombre y en el nombre del jurado que no ha ahorrado aplausos para esta obra.»

Historia de la literatura antioqueña: Historia de la novela, cuento, teatro, artistas, y cinematografía en Antioquia Harper Collins

An authoritative portrait of the Latin-American warrior-statesman examines his life against a backdrop of the tensions of nineteenth-century South America, covering his achievements as a strategist, abolitionist, and diplomat.

*Juicios de residencia* University of Alabama Press

One of the late Carlos Fuentes's final projects, this compendium of his criticism traces the evolution of the Latin American novel from the discovery of America to the present day. Combining historical perspective with personal and often opinionated interpretation, Fuentes gives us a tour from Machado de Assis to Borges and beyond. A landmark analysis, as well as a scintillating and often wry commentary on a great author's peers and influences, this book is as much a contribution to Latin

American literature as it is a chronicle of that literature's greatest achievements.

Paradise Travel SAGE Publications Limited

"Since they shot her at point-blank range while she was being kissed, she confused the pain of love with that of death." Rosario Tijeras is the violent, violated character at the center of Jorge Franco's study of contrasts, set in self-destructing 1980s Medellín. Her very name-evoking the rosary, and scissors-bespeaks her conflict as a woman who becomes a contract killer to insulate herself from the random violence of the streets. Then she is shot, gravely wounded, and the circle of contradiction is closed. From the corridors of the hospital where Rosario is fighting for her life, Antonio, the narrator, waits to learn if she will recover. Through him, we reconstruct the friendship between the two, her love story with Emilio, and her life as a hitwoman. Rosario Tijeras has been recognized as an admirable continuation of a literary subject that was first treated by Gabriel García Márquez and then by Fernando Vallejo. A work in the Latin American social realist tradition, Rosario Tijeras is told in fast and vibrant prose and with poetic flourish.

Delirium Universidad de Caldas

Novels such as *One Hundred Years of Solitude* have awakened English-language readers to the existence of Colombian literature in recent years, but Colombia has a well-established literary tradition that far predates the Latin American "boom." In this pathfinding study, Raymond Leslie Williams provides an overview of seventeen major authors and more than one hundred works spanning the years 1844 to 1987. After an introductory discussion of Colombian regionalism and novelistic development, Williams considers the novels produced in Colombia's four semi-autonomous regions. The Interior Highland Region is represented by novels ranging from Eugenio Díaz' *Manuela* to Eduardo Caballero Calderón's *El buen salvaje*. The Costa Region is represented by Juan José Nieto's *Ingermina* to Alvaro Cepeda Samudio's *La casa grande* and Gabriel García Márquez' *Cien años de soledad*; the Greater Antioquian Region by Tomás Carrasquilla's *Frutos de mi tierra* to Manuel Mejía Vallejo's *El día señalado*; and the Greater Cauca Region by Jorge Isaacs' *María* to Gustavo Alvarez Gardezabal's *El bazar de los idiotas*. A discussion of the modern and postmodern novel concludes the study, with special consideration given to the works of García Márquez and Moreno-Durán. Written in a style accessible to a wide audience, *The Colombian Novel* will be a foundational work for all students of Colombian culture and Latin American literature.

Oblivion Random House

Hans Christian Andersen was a Danish author, fairy tale writer, and poet noted for his children's stories. These include "The Steadfast Tin Soldier," "The Snow Queen," "The Little Mermaid," "Thumbelina," "The Little Match Girl," and "The Ugly Duckling." During his lifetime he was acclaimed for having delighted children worldwide, and was feted by royalty. His poetry and stories have been translated into more than 150 languages. They have inspired motion pictures, plays, ballets, and animated films. -wikipedia

**Bolivar** Vintage

Netflix's series adaptation of *One Hundred Years of Solitude* premieres December 11, 2024! One of the twentieth century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the

history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

Delirio (Premio Alfaguara de novela 2004) Seven Stories Press

In Laura Restrepo's stunning novel, a feud between two Colombian drug families escalates into a bloody, high-stakes war that will leave no one in its path untouched. The Barragáns and the Monsalves are rival clans, each steeped in wealth and power, each subject only to laws of their own making. The similarities end there. While the Barragáns, headed by the brutal Nando, remain tied to the ancient traditions, the Monsalves grapple with whether or not to follow Mani, their charismatic and conflicted leader, into a modern age in which even fewer rules apply. As both clans ponder the profits they might reap from an expanding global cocaine trade, Nando and Mani are faced with the consequences of their violent pasts—and forced, by their disillusioned women and the prices on their heads, to reckon with the possibility that nothing will be left once all their bullets have found their targets. Rife with sensual detail, this epic story of lust, betrayal, and revenge is as timeless as interfamily conflict and as immediate as today's news.

**A Saint Is Born in Chima** BRILL

In 1953, Samuel Beckett's *Waiting for Godot* premiered at a tiny avant-garde theatre in Paris; within five years, it had been translated into more than twenty languages and seen by more than a million spectators. Its startling popularity marked the emergence of a new type of theatre whose proponents—Beckett, Ionesco, Genet, Pinter, and others—shattered dramatic conventions and paid scant attention to psychological realism, while highlighting their characters' inability to understand one another. In 1961, Martin Esslin gave a name to the phenomenon in his groundbreaking study of these playwrights who dramatized the absurdity at the core of the human condition. Over four decades after its initial publication, Esslin's landmark book has lost none of its freshness. The questions these dramatists raise about the struggle for meaning in a purposeless world are still as incisive and necessary today as they were when Beckett's tramps first waited beneath a dying tree on a lonely country road for a mysterious benefactor who would never show. Authoritative, engaging, and eminently readable, *The Theatre of the Absurd* is nothing short of a classic: vital reading for anyone with an interest in the theatre.

La ficción narrativa en radio y televisión Deep Vellum Publishing

Aguliar returns home after a four-day business trip to discover that his beloved wife has gone mad. Desperate to rescue Agustina from her sudden, devastating insanity, Aguliar delves back into her shadowy past. Other narratives are intertwined with his frantic search for the truth; that of Midas, a flamboyant drug-trafficker and Agustina's former lover, and Agustina's splintered memories of her own troubled childhood. The key to her madness lies buried deep in a Colombian story of money, power and corruption.

**Ensayos críticos sobre la obra narrativa de Elisa Mujica** CreateSpace

In *The Spanish American Novel*, John S. Brushwood analyzes the twentieth-century Spanish American novel as an artistic expression of social reality. In relating the generic history of the novel to extraliterary events in Spanish America, he shows how twentieth-century fiction sets forth the essence of such phenomena as the first Perón regime, the Mexican Revolution, the Che Guevara legend, indigenismo, and the strongman political type. In essence, he views the novel as art rather than as document, but not as art alienated from society. The discussion is organized chronologically, opening with the turn of the century and focusing on novels from 1900 to 1915 that exemplify various aspects of the nineteenth-century literary inheritance. Brushwood then highlights the avant-garde fiction (influenced by Proust and Joyce) of the 1920s as a precursory movement to the “new” Latin American novel, a phenomenon that came into its own during the 1940s. He then examines the “boom” in Spanish American fiction, the period of extensive international recognition of certain works, which he dates from 1962 or 1963. In each era considered, the development of the novel is placed in dual perspective. One view—that of particularly significant novels in light of others published during the same year—is a cross section of the genre at one particular moment. The second view—that of a panorama of novels published in intervals between significant moments in the history of the novel—is more general and selective in the number of books discussed. Combining the historical with the analytical approach, the author proposes that the experience of a novel in which reality has been transformed into art is essential to our understanding of that reality.

**The Theatre of the Absurd** Universidad Industrial de Santander Direccion Cultural

From the acclaimed author of "The Dark Bride" comes a new novella published in a bilingual English/Spanish edition.

The Armies Franklin Classics Trade Press

When the paralyzed cripple Domingo Vidal is rescued unsinged from a burning house, the people of Chima believe they have witnessed a miracle. Domingo becomes their patron "saint," and tales of his miracles multiply. Domingo makes the rains come, cures the blind and lame, and swells barren wombs with new life. But is Domingo really a saint, or is he a pagan idol? Padre Berrocal calls the people heretics, but they are afraid not to worship Domingo. To what excesses will superstition and

ignorance drive the frightened people of Chima? This novel, published in 1963 as *En Chimá nace un santo*, makes important connections between the frustrations of poverty and the excesses of religious fanaticism. Zapata Olivella indicts the dogmatic attitudes of religious and civil institutions as a major cause of the creation of local cults like the one that grows up around "Saint" Domingo. In Zapata Olivella's compelling narrative, the struggle over Domingo points up both the inflexibility of established institutions and the potential power for change that lies within the hands of a determined populace.

**Nariño, pueblo rebelde y bravío** University of Texas Press

“Startling and astringently poetic.” —The New York Times A literary discovery: an extraordinary account, in the tradition of *The House on Mango Street* and *Angela's Ashes*, of a Colombian woman's harrowing childhood This astonishing memoir was hailed as an instant classic when first published in Colombia in 2012, nearly a decade after the death of its author, who was encouraged in her writing by Gabriel García Márquez. Comprised of letters written over the course of thirty years, and translated and introduced by acclaimed writer Daniel Alarcón, it describes in vivid, painterly detail the remarkable courage and limitless imagination of a young girl growing up with nothing. Emma Reyes was an illegitimate child, raised in a windowless room in Bogotá with no water or toilet and only ingenuity to keep her and her sister alive. Abandoned by their mother, she and her sister moved to a Catholic convent housing 150 orphan girls, where they washed pots, ironed and mended laundry, scrubbed floors, cleaned bathrooms, sewed garments and decorative cloths for the nuns—and lived in fear of the Devil. Illiterate and knowing nothing of the outside world, Emma escaped at age nineteen, eventually establishing a career as an artist and befriending the likes of Frida Kahlo and Diego Rivera as well as European artists and intellectuals. The portrait of her childhood that emerges from this clear-eyed account inspires awe at the stunning early life of a gifted writer whose talent remained hidden for far too long. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
