- Best Selling Book in English Edition for DSSSB Various Post Exam 2024 : One Tier (Technical/Teaching) with objective-type questions as per the latest syllabus
- DSSSB Various Post One Tier (Technical/Teaching) Book comes with 15 Full Length Mock Tests with the best quality content.
- Increase your chances of selection by 16X.
- DSSSB Various Post One Tier (Technical/Teaching) Prep Kit comes with well-structured and 100% detailed solutions for all the questions.
- Clear exam with good grades using thoroughly Researched Content by experts.

The Chemical News and Journal of Physical Science BoD – Books on Demand

The volume for 1886 contains the proceedings of the "Conference on temperance legislation, London, 1886."

The Railway Magazine, and Annals of Science

Reprint of the original, first published in 1875.

Arithmetic for beginners, an introduction to Cornwell and Fitch's Science of arithmetic by the same authors

This book, in its Second Edition, provides the basic concepts and applications of discrete mathematics and graph theory. The book is aimed at undergraduate students of computer science and engineering, and information technology. It is also suitable for undergraduate and postgraduate students of computer science, mathematics and computer applications. The book exposes the students to fundamental knowledge in: - Mathematical logic, tautology and normal forms - Elementary set theory, functions and their relations - Algebraic structure, binary operation, group theory and homomorphism - Theory of permutations and combinations, binomial and multinomial theorems - Recurrence relations and methods of solving them - Graph theory, spanning tree, Eulerian and Hamiltonian circuits and isomorphism Key Features Includes a large number of worked-out problems for sound understanding of the concepts. Offers chapter-end exercises to test students' comprehension of theory. Gives a quiz section at the end of each chapter to help students prepare for the competitive examinations. Incorporates short questions asked in universities' examinations.
