Francis Story's interest in cases of rebirth memories finally led him to assist Dr. Ian Stevenson in tracing, investigating, and studying such cases in Sri Lanka, Thailand, and India. The present

book contains Story's essays on the theme of rebirth as well as case studies that he undertook in collaboration with Professor Stevenson, the foremost American investigator of reported rebirth memories. These case studies, which make fascinating reading, lend strong evidential support to the hypothesis of rebirth and thus help to illuminate the ultimate questions concerning human destiny after death.

Now, get the eBook for free with a physical copy to celebrate the release of book 2!. I'm Drew Liam, a cultivator, a human being capable of crushing mountains and rerouting rivers with a flick of my fingers. But seriously though, I'm sitting on a mountain so far away from civilisation it might as well be the godforsaken arse of the world and these control freaks still won't leave me alone. I'm about to ascend and can't wait to leave this crapfest of a planet. Turns out, the powers-that-be decided that an unaffiliated rogue like me is too big of a risk to let run around free. So they sent all the sect-, organisation- and churchmasters, hidden Dao protectors and other bigshots my way to kill me. This failed, obviously. I managed to ascend in a glorious shower of divine power and ascend, after which someone else managed to bitch slap me to another dimension altogether, unfortunately. Long story short, I just woke up in a valley watching some critters murder each other while trying not to freak out about how bad it smells here. Soo... where the fuck am I? Why is that deer fighting a feathery squirrel? Why am I teaching this baby rabbit saved from a cannibalistic mother how to kick beings in the face with the power of qi? Fuck it, let's just kidnap some clueless kids and teach them the wonders of the supernatural power called qi, alright? Why not have them call me 'Teach' in the meantime? I secretly do enjoy causing pain in the name of education, after all. Come join Drew as he adventures across a rather primitive medieval, low magical fantasy planet while trying to regain his status as a cultivator who spits in the face of the heavens and the earth.
