The Bible is the story of
God's interaction with
his creation. It is a
story that occurs over
time, in many places,
and through many
events. It includes the
lives and lessons
learned by many

people from many cultures. It's often easy to lose sight of the way in which God's story fits together when our primary way of looking at the Bible is a bit here and a bit there.

 methods and found
 them too tedious then
 this book is for you.
 This book will show you

 doesn't have to be
 complex. Many

 Bible study* What
 marking tools to use
 for writing in your
 Bible *12 marking
 techniques* 20 things
 to mark *How to

develop your own color code*How to develop your own symbols
