**Chilton's Auto Air Conditioning Manual** Goodheart-Wilcox Pub

American cars from 1966 to 1973.

*Automotive Air Conditioning Basic Service Training Manual* Penton Media

The Auto Heating and Air Conditioning Shop Manual contains a series of Job Sheets that provide hands-on practice of skills and procedures aligned to the ASE Education Foundation Tasks. The Job Sheets allow students to develop the practical skills needed to succeed and are designed to be accomplished in one or two lab sessions. The Shop Manual Job Sheets are intended to be completed in a shop setting under the guidance of an instructor.

*Air Conditioning Manual* Haynes Publications

Written for the do-it-yourselfer, good enough for the pro. Includes everything you wish to know about your vehicles heating and air conditioning. From simple adjustments, to complete tune-ups and troubleshooting.

**Automotive Air Conditioning Basic Service Training Manual**

John Wiley & Sons

"In the middle of a repair, water starts to gush unexpectedly.

What's one to do? ARCO puts a wealth of job related information in a pocket sized guide. From terms of the trade to troubleshooting advice, it's the perfect companion for anyone in the field." -- B&N from the publisher (July 2007).

**Chilton Chrysler Service Manual** Goodheart-Wilcox Publisher

All the basics technicians need to know Great at a job site!

Automotive Air Conditioning Basic Service Manual McGraw-Hill Companies

Written for the do-it-yourselfer, good enough for the pro. Includes everything you wish to know about your vehicles heating and air conditioning. From simple adjustments, to complete tune-ups and troubleshooting.

Air-conditioning Systems Design Manual Haynes Manuals

Covers theory of operation, maintenance, fault finding and repair for automotive air conditioning applications. Ideal for the apprentice or student who needs to understand how air conditioning works, what servicing equipment is needed and what

precautions and regulations apply. Removal and refitting procedures for common components are included. Also covers climate control systems.
