### LEWIS CASSIDY

#### BIOGRAPHICAL AND STATISTICAL BOOK OF REFERENCE FOR FACTS RELATING TO THE CLERGY AND THE CHURGE

Hachette UK

Reprint of the original, first published in 1868.

*Savage Night* Springer Nature

An anthology featuring the world's greatest mystery authors writing about the world's greatest mystery novels.

[The New Partridge Dictionary of Slang and Unconventional English: A-I](#) Taylor & Francis

Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus, *The Dictionary of Slang and Unconventional English*, this two-volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English-speaking world since 1945, and through the first decade of the new millennium, with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique, exciting and, at times, hilariously shocking, key features include: unprecedented coverage of World English, with equal prominence given to American and British English slang, and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean emphasis on post-World War II slang and unconventional English published sources given for each entry, often including an early or significant example of the term's use in print. hundreds of thousands of citations from popular literature, newspapers, magazines, movies, and songs illustrating usage of the headwords dating information for each headword in the tradition of Partridge, commentary on the term's origins and meaning New to this edition: A new preface noting slang trends of the last five years Over 1,000 new entries from the US, UK and Australia New terms from the language of social networking Many entries now revised to include new dating, new citations from written sources and new glosses *The New Partridge Dictionary of Slang and Unconventional English* is a spectacular resource infused with humour and learning – it's rude, it's delightful, and it's a prize for anyone with a love of language.

*A Gazetteer of the World: Derrygate-Hensall* St. Martin's Griffin  
 The Routledge Dictionary of Modern American Slang and Unconventional English offers the ultimate record of modern American Slang. The 25,000 entries are accompanied by citations that authenticate the words as well as offer lively examples of usage from popular literature, newspapers, magazines, movies,

television shows, musical lyrics, and Internet user groups.

Etymology, cultural context, country of origin and the date the word was first used are also provided. This informative, entertaining and sometimes shocking dictionary is an unbeatable resource for all language aficionados out there.

#### **The New Partridge Dictionary of Slang and Unconventional English** Routledge

Food, Consumption, and Masculinity in American Hardboiled Fiction draws on three related bodies of knowledge: crime fiction criticism, masculinity studies, and the cultural analysis of food and consumption practices from a critical eating studies perspective. In particular, this book focuses on food as an analytical category in the study of tough masculinity as represented in American hardboiled fiction. Through an examination of six American novels: Dashiell Hammett's *The Maltese Falcon*, Raymond Chandler's *The Big Sleep*, Leigh Brackett's *No Good from a Corpse*, Dorothy B. Hughes's *In a Lonely Place*, Jim Thompson's *The Killer Inside Me*, and Rex Stout's *Champagne for One*, this book shows how these novels reflect the gradual process of redefining consumption and consumerism in America, which traditionally has been coded as feminine. Marta Usiekiewicz shows that food and eating also reflect power relations and larger social and economic structures connected to class, gender, geography, sexuality, and ability, to name just a few.

*The Killer Inside Me* ATF Press

Small time America...a college student...organised crime - and murder. A brilliantly dark tale from the noir master 'The best suspense writer going, bar none' NEW YORK TIMES 'My favorite crime novelist - often imitated but never duplicated' Stephen King 'The master of the American groin-kick novel' VANITY FAIR Under the guise of a college student, Carl Bigelow moves into a small town and into the life of Jake Winroy, a one-time crook who now plans to testify against an organised crime figure. The tricky thing is to kill Jake without making it look like a hit. But Jake's wife is more than willing to help Carl with anything he requires...

*British Books in Print* Faber & Faber

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

[The American Educator](#) Taylor & Francis

A cult classic in a new edition. This book is about a single, serpentine fact: late in 1976 a record called 'Anarchy in the UK'

was issued in London, and this event launched a transformation of pop music all over the world. The song distilled, in crudely poetic form, a critique of modern society once set out by a small group of Paris intellectuals. In *Lipstick Traces*, Greil Marcus's classic book on punk, Dadaism, the situationists, medieval heretics and the Knights of the Round Table (amongst others), the greatest cultural critic of our times unravels the secret history of the twentieth century.

*Origins and Legacies of Marcel Duhamel's Série Noire* Mulholland Books

'A blisteringly imaginative crime novelist . . . violent, amoral, terse and fast-moving . . . a classic American novelist' Kirkus Reviews A HELL OF A WOMAN is Jim Thompson's version of an American CRIME AND PUNISHMENT. In a novel completely devoid of sentiment, 'Dolly' Dillon, a door-to-door salesman, goes about the appalling business of murder without conscience, without remorse and without any hope of redemption, because of a woman . . .

*A New and Comprehensive Gazetteer* Simon and Schuster  
 Nick Corey is a terrible sheriff on purpose. He doesn't solve problems, enforce rules or arrest criminals. He knows that nobody in tiny Potts County actually wants to follow the law and he is perfectly content lazing about, eating five meals a day, and sleeping with all the eligible women. Still, Nick has some very complex problems to deal with. Two local pimps have been sassing him, ruining his already tattered reputation. His girlfriend Rose is being terrorized by her husband. And then, there's his wife and her brother Lenny who won't stop troubling Nick's already stressed mind. Are they a little too close for a brother and a sister? With an election coming up, Nick needs to fix his problems and fast. Because the one thing Nick does know is that he will do anything to stay sheriff. Because, as it turns out, Sheriff Nick Corey is not nearly as dumb as he seems. In *Pop. 1280*, widely regarded as a classic of mid-20th century crime, Thompson offers up one of his best, in a tale of lust, murder, and betrayal in the Deep South that was the basis for the critically acclaimed French film *Coup de Torchon*.

*The Grifters* Mulholland Books

From the beginning, Jim Thompson knew he was going to catch hell no matter what he did. And during a childhood spent at the mercy of a father whose schemes put him on the wrong side of the law as often as the right, and a grandfather who knew the bad parts of town like the back of his hand, young Jim learned sin better than any writer had before. From his rabble-raising adolescence in the American Midwest, to wasted teenage years in the seedy underbelly of the hotel industry, to Thompson's chilling encounter with the real-life inspiration of *THE KILLER INSIDE ME*, *BAD BOY* offers a fascinating glimpse at the formative years of the man who would become one of the most famous authors of

modern American Noir, in the autobiography-as-novel that follows the birth of the legend himself in the signature style Thompson made famous.

[A Gazetteer of the World: AA-Brazey](#) BRILL

Jim Thompson's classic *The Grifters* is one of the best novels ever written about the art of the con, an ingeniously crafted story of deception and betrayal that was the basis for the critically acclaimed film by Stephen Frears and Martin Scorsese. To his friends, to his coworkers, and even to his mistress Moira, Roy Dillon is an honest hardworking salesman. He lives in a cheap hotel just within his pay bracket. He goes to work every day. He has hundreds of friends and associates who could attest to his good character. Yet, hidden behind three gaudy clown paintings in Roy's pallid hotel room, sits fifty-two thousand dollars — the money Roy makes from his short cons, his "grifting." For years, Roy has effortlessly maintained control over his house-of-cards life — until the simplest con goes wrong, and he finds himself critically injured and at the mercy of the most dangerous woman he ever met: his own mother.

**Universal Gazetteer of the World** Mulholland Books

Vols. for 1969- include ACTFL annual bibliography of books and articles on pedagogy in foreign languages 1969-

**Screen Priests** Routledge

Entry includes attestations of the head word's or phrase's usage, usually in the form of a quotation. Annotation ©2006 Book News, Inc., Portland, OR (booknews.com).

[A Hell of a Woman](#) Hachette+ORM

In *The Killer Inside Me*, America's "Dimestore Dostoevsky" Jim Thompson goes where few novelists have dared to go, giving us a pitch-black glimpse into the mind of the American Serial Killer years before Charles Manson and Brett Easton Ellis's *American Psycho*, in the novel that will forever be known as the master performance of one of the greatest crime novelists of all time. Everyone in the small town of Central City, Texas loves Lou Ford. A deputy sheriff, Lou's known to the small-time criminals, the real-estate entrepreneurs, and all of his coworkers — the low-lives, the big-timers, and everyone in-between — as the nicest guy around. He may not be the brightest or the most interesting man in town, but nevertheless, he's the kind of officer you're happy to have

keeping your streets safe. The sort of man you might even wish your daughter would end up with someday. But behind the platitudes and glad-handing lurks a monster the likes of which few have seen. An urge that has already claimed multiple lives, and cost Lou his brother Mike, a self-sacrificing construction worker fell to his death on the job in what was anything but an accident. A murder that Lou is determined to avenge — and if innocent people have to die in the process, well, that's perfectly all right with him.

[The gazetteer of the world, prepared by a staff of eminent geographers](#) T L a Video Management, Incorporated

There is never a shortage of priest characters on our screens.

Even Spencer Tracy, Bing Crosby and Barry Fitzgerald won Oscars for playing priests. Robert de Niro has been ordained four times (including a bishop). Many stars have been eager to play priests, as have numerous supporting actors. The question arises: how have been priests portrayed over the decades? There have been kindly priests with their advice, stern priests who laid down the law, heroic priests on mission, in more recent years, priests who have been abusers. And there have been priests who were part of the scenery, especially at funerals. This is something of a comprehensive look at priests on screen, looking at portrayals from the late 19th century, over the decades, for 120 years. The films considered are mainly English-language but quite there are a number from other cultures. The book offers some Church background and developments, the range of films, a highlighting of a key film representing each decade. It also has separate chapters on Irish priests, Australian priests, exorcism priests and a chapter on films and abuse. There also Appendices on historical films, saint priests and popes. While one could read the book from cover to cover, it is mainly a book for reference. There are some detailed appreciations. There are some shorter considerations. Not everyone can see every film, not for want of trying! There are Indexes for exploring: film titles, directors, and actors who have played priests. *Screen Priests* is a fascinating historical look at films about Roman Catholic priests from the first until Martin Scorsese's 2016 religious and cinematic masterpiece *Silence*. With the scope spanning decades and the breadth embracing films

mostly from the United States, Britain, Ireland, Canada and Australia, the researcher will find a treasure trove and the film aficionado will relish Peter Malones encyclopedia knowledge and sometimes trivia of the world of priests on the silver screen.

[Lipstick Traces](#) Hachette UK

In *Origins and Legacies* of Marcel Duhamel's *Série Noire* Alistair Rolls, Clara Sitbon and Marie-Laure Vuaille-Barcan counter the myths and received wisdom that are typically associated with this iconic French crime fiction series, namely: that it was born in Paris on a tide of postwar euphoria; that it initially consisted of translations of American hard-boiled classics by the likes of Dashiell Hammett and Raymond Chandler; and that the translations were rushed and rather approximate. Instead, an alternative vision of Duhamel's translation practice is proposed, one based on a French tradition of auto-, or "original", translation of "ostensibly" American crime fiction, and one that appropriates the source text in order to create an allegory of the target culture.

**TLA Film and Video Guide 2000-2001** BoD - Books on Demand

The TLA Film & Video Guide is the absolutely indispensable guide for the true lover of cinema. By focusing on independent and international films, and avoiding much of the made-for-TV/made-for-cable/made-for-video dreck, this guide offers more comprehensive coverage of the films the reader may actually want to see. It also features: \* Over 9,500 films reviewed \* Five comprehensive indexes -- by star, director, theme, genre, and country of origin \* Over 450 photos \* A listing of all the major film awards \* A comprehensive selection of International Cinema from over 50 countries From one of the finest names in video retailing and a growing rental chain comes the latest edition of the film & video guide - now expanded to include titles available on DVD - that's perfect for everyone whose taste ranges from Pulp Fiction to Pink Flamingos, from *Life is Beautiful* to *Valley of the Dolls*.
