The author of the New York Times best-selling Maze Runner series leads us on a dark journey of generational horror as we visit The House of Tongues. David Player has spent 30 years trying to forget the traumas of his childhood. The threats, the kidnappings, the murders. The imagined curses of a people born centuries earlier, passed from father to son, mother to daughter, generation to generation. Its climax came in human form, a monster of a man, one of the most notorious serial killers the nation has ever seen: Pee Wee Gaskins. And Gaskins had a particular hatred for the Player family, then for David, himself, who barely escaped those years with his own life intact. Now David is back, his four children in tow, visiting his parents' home, a place he has learned to cherish despite the evils that haunted his younger days. But no sooner does he return than a stranger visits their doorstep, the son of Pee Wee Gaskins. In a terrifying display, right in front of the kids, the man utters threats until he chokes on his own tongue, sparking a series of events that drag David and his family back into the days of curses and murders, onto a path of unimaginable terror, all too familiar. That path leads to an old gothic tower in the woods, a place David had blocked from his memory, a house of horrors both past and present. The House of Tongues.

The Trials are over. WICKED have collected all the information they can. Now it's up to the Gladers to complete the blueprint for the cure to the Flare with a final voluntary test. But something has happened that no-one at WICKED has foreseen: Thomas has remembered more than they think. And he knows WICKED can't be trusted ... The time for lies is over. But the truth is more dangerous than anyone could have imagined. With the Gladers divided, can they all make it?

**The Game of Lives (The Mortality Doctrine, Book Three)** Bloomsbury Publishing USA

First in the ground-breaking HUNGER GAMES trilogy. In a vision of the near future, a terrifying reality TV show is taking place. Twelve boys and twelve girls are forced to appear in a live event called The Hunger Games. There is only one rule: kill or be killed. But Katniss has been close to death before. For her, survival is second nature.

*The Maze Runner Files* Chicken House

Escaping the Maze was only the beginning. The world thought it had seen the worst after the Sun Flares struck the Earth's surface, and millions of people were killed. But then an unstoppable illness ravaged the bodies and minds of the remaining survivors. Simply known as the Flare, the disease seemed unstoppable until a cure was discovered, but that relief came at a human cost. Now it's up to Thomas, Teresa and the others, who will discover that while they may have escaped the Maze, they've entered into an experiment more terrifying than anything they could imagine. Explore how the terrifying W.C.K.D. came to be, and how the very first Maze was designed. Discover what it takes to survive in a post-Flare world, against the violent Cranks that have begun to take over humanity, only to learn that the Glade may not be the only Maze W.C.K.D. was running. With over 6.5 million books in print, and an international hit film series, it's plain to see fans lost themselves in James Dashner's bestselling series. Featuring an introduction from Dashner himself, this collection of all new short stories reveals the hidden histories of your favorite Gladers, including Aris, Ava Paige, and Mary Cooper before The Scorch Trials hits theaters on September 18.

Your Book Might Suck... But it doesn't have to. You are an awesome writer with an incredible fiction story the world needs to experience. But your book... well, it kind of sucks. So let's fix that. Setting your novel apart from the rest is a choice. Fiction is more than a character doing stuff in a place you've invented. There are rules to magic and seasons to setting and double meanings to words, and a cadence to sentence structure if you want to write a book that doesn't suck. I guarantee you will find tricks and treats you've never heard or read before in any other writing book. If not, let me know and I'll refund your money. But if I'm right, and my book helps you to write a novel that doesn't suck, then I'm asking you, in return to leave a positive review. That's fair, isn't it? Ready to get started? Great! There are questions with space to answer at the end of each chapter to help you along your journey. I'm super excited for you and wish you all the luck in writing your novel!

The world is virtual, but the danger is real in book one of the bestselling Mortality Doctrine series, the next phenomenon from the author of the Maze Runner series, James Dashner. Includes a sneak peek of The Fever Code, the highly-anticipated conclusion to the Maze Runner series—the novel that finally reveals how the maze was built! The VirtNet offers total mind and body immersion, and the more hacking skills you have, the more fun it is. Why bother following the rules when it's so easy to break them? But some rules were made for a reason. Some technology is too dangerous to fool with. And one gamer has been doing exactly that, with murderous results. The government knows that to catch a hacker, you need a hacker. And they've been watching Michael. If he accepts their challenge, Michael will need to go off the VirtNet grid, to the back alleys and corners of the system

human eyes have never seen—and it’s possible that the line between game and reality will be blurred forever. The author who brought you the #1 New York Times bestselling MAZE RUNNER series and two #1 movies—The Maze Runner and The Scorch Trials—now brings you an electrifying adventure trilogy an edge-of-your-seat adventure that takes you into a world of hyperadvanced technology, cyber terrorists, and gaming beyond your wildest dreams . . . and your worst nightmares. Praise for the Bestselling MORTALITY DOCTRINE series: “Dashner takes full advantage of the Matrix-esque potential for asking ‘what is real.’” —io9.com “Set in a world taken over by virtual reality gaming, the series perfectly capture[s] Dashner’s hallmarks for inventiveness, teen dialogue and an ability to add twists and turns like no other author.” —MTV.com “A brilliant, visceral, gamified mash-up of The Matrix and Inception, guaranteed to thrill even the non-gaming crowd.” —Christian Science Monitor

WINNER OF THE 2021 WOMEN'S PRIZE FOR FICTION A Sunday Times & New York Times bestseller The spectacular new novel from the bestselling author of JONATHAN STRANGE & MR NORRELL, 'one of our greatest living authors' (NEW YORK MAGAZINE) Piranesi lives in the House. Perhaps he always has. In his notebooks, day after day, he makes a clear and careful record of its wonders: the labyrinth of halls, the thousands upon thousands of statues, the tides that thunder up staircases, the clouds that move in slow procession through the upper halls. On Tuesdays and Fridays Piranesi sees his friend, the Other. At other times he brings tributes of food to the Dead. But mostly, he is alone. Messages begin to appear, scratched out in chalk on the pavements. There is someone new in the House. But who are they and what do they want? Are they a friend or do they bring destruction and madness as the Other claims? Lost texts must be found; secrets must be uncovered. The world that Piranesi thought he knew is becoming strange and dangerous. The Beauty of the House is immeasurable; its Kindness infinite.

“What a world Susanna Clarke conjures into being ... Piranesi is an exquisite puzzle-box” DAVID MITCHELL 'It subverts expectations throughout ... Utterly otherworldly' GUARDIAN 'Piranesi astonished me. It is a miraculous and luminous feat of storytelling' MADELINE MILLER 'Brilliantly singular' SUNDAY TIMES 'A gorgeous, spellbinding mystery ... This book is a treasure, washed up upon a forgotten shore, waiting to be discovered' ERIN MORGENSTERN 'Head-spinning ... Fully imagined and richly evoked' TELEGRAPH

Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be “normal,” to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a community, and believing in something better. Published to rave reviews as *Future Girl* in Australia (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, *The Words in My Hands* is very much a novel for our turbulent times.

“Newt has been to hell and back with his friends. The Glade. The Maze. The Scorch. The inner halls of WICKED. But now he has a burden that can’t be shared with Thomas and the other, the Flare. And Newt can’t bear the thought of his friends watching him descend into madness as he succumbs to the virus. Leaving only a note, Newt departs the Berg before the Gladers return from their mission into Denver, Colorado. From there, he experiences the gritty nightmare of life on the streets, running from the infected and those hunting them, until he ends up in the Crank Palace, the last dumping ground of those without hope. Although Newt thought he was running away from his friends to save them from himself, along the way he meets a young mother named Keisha and her son, Dante, who end up saving Newt in a way he could never have imagined.” —Publisher’s description.

Thirteen-year-old Kyra has grown up in an isolated community without questioning the fact that her father has three wives and she has twenty brothers and sisters. That is, without questioning them much - if you don't count her secret visits to the Mobile Library on Wheels to read forbidden books, or her meetings with Joshua, the boy she hopes to choose for herself instead of having a man chosen for her. But when the Prophet decrees that she must marry her sixty-year-old uncle - who already has six wives - Kyra must make a desperate choice in the face of violence and her own fears of losing her family forever.

Rickard Rebellino, S. R. Toliver, Jason Vanfosson, Sarah E. Whitney, and Casey Alane Wilson While critical and popular attention afforded to twenty-first-century young adult literature has exponentially increased in recent years, classroom materials and scholarship have remained static in focus and slight in scope. *Twilight*, *The Hunger Games*, *The Fault in Our Stars*, and *The Hate U Give* overwhelm conversations among scholars and critics—but these are far from the only texts in need of analysis. *Beyond the Blockbusters: Themes and Trends in Contemporary Young Adult Fiction* offers a necessary remedy to this limiting perspective, bringing together essays about the many subgenres, themes, and character types that have until now been overlooked. The collection tackles a diverse range of topics—modern updates to the marriage plot; fairy tale retellings in dystopian settings; stories of extrajudicial police killings and racial justice. The approaches are united, though, by a commitment to exploring the large-scale generic and theoretical structures at work in each set of texts. As a collection, *Beyond the Blockbusters* is an exciting entryway into a field that continues to grow and change even as its works captivate massive audiences. It will prove a crucial addition to the library of any scholar or instructor of young adult literature.
