(Applause Books). This Applause edition allows the reader and student to look beyond the scholarly reading text to the more sensuous, more collaborative, more malleable performance text which emerges in conjunction with the commentary and notes. Readers and students are faced with real theatrical choices in each speech as the editors point out the challenges and opportunities to the actor and director at each juncture. Readers will not only discover an enlivened Shakespeare, they will be empowered to rehearse and direct their own productions of the imagination in the process.

Men in this town were born with mouths that can right wrongs with a few words. Why are you too timid to speak? As she is about to be executed for a murder she didn't commit, young widow Dou Yi vows that, if she is innocent, snow will fall in midsummer and a catastrophic drought will strike. Three years later, a businesswoman visits the parched, locust-plagued town to take over an ailing factory. When her young daughter is tormented by an angry ghost, the new factory owner must expose the injustices Dou Yi suffered before the curse destroys every living thing. A contemporary re-imagining by acclaimed playwright Frances Ya-Chu Cowhig of one of the most famous classical

Chinese dramas, which breathes new life into this ancient story, haunted by centuries of retelling. The world premiere of *Snow in Midsummer* on 23 February 2017 at the Swan Theatre, Stratford-Upon-Avon, launched the RSC's Chinese Translations Project, a cultural exchange bringing Chinese classics to a contemporary Western audience. This edition has been republished for the American premiere at the Oregon Shakespeare Festival in June 2018 and includes a brand new afterword by Joshua Chambers-Letson.

The 1600 First Quarto edition of *A Midsummer Night's Dream* is the only text of the play to have been printed in Shakespeare's lifetime and has served as the source for virtually all subsequent editions. It has many features suggesting that it was printed from Shakespeare's 'foul papers' - his manuscript draft - and that this draft had undergone revision before reaching the publishing house.

Studienarbeit aus dem Jahr 2010 im Fachbereich Anglistik - Literatur, Note: 1,0, Bergische Universität Wuppertal, Veranstaltung: Contemporary British Drama, Sprache: Deutsch, Abstract: In his article "Voice and Narration in Postmodern Drama" Brian Richardson complains of the lack of "critical literature on narration in drama," as it is only recently that narratologists have even started to even acknowledge the existence of "narratorial mediation" (Richardson, Voice and Narration 682). Considering *Midsummer* (a play with songs) by David Greig and Gordon McIntyre, this recent development in narratology is indispensable for an appropriate analysis."

Midsummer's weekend in Edinburgh. It's raining. Bob's a failing car salesman on the fringes of the city's underworld. Helena's a high-powered divorce lawyer with a taste for other people's husbands.

She's totally out of his league; he's not her type at all. They absolutely should not sleep together. Which is, of course, why they do. Midsummer is the story of a great lost weekend of bridge-burning, car chases, wedding bust-ups, bondage miscalculations, midnight trysts and self-loathing hangovers.

This script was originally created for a high school summer camp. There are seventeen available speaking roles, but a smaller sized cast can also be used by doubling up on parts. The performance is fast passed and runs about 30 minutes in length. Minimal costume pieces and props can allow for quick transitions and character changes, if need be.
