OLD NCERT Ancient History Notes for IAS, PCS, SSC, Railway , Police, Defence, CTET , TET, Patwari Exam Arora IAS  
India's struggle for Independence by Bipin Chandra is your go to book for an in-depth and detailed overview on Indian independence movement . Indian freedom struggle is one of the most important parts of its history. A lot has been written and said about it, but there still remains a gap. Rarely do we get to hear accounts of the independence from the entire country and

not just one region at one place. This book fits in perfectly in this gap and also provides a narration on the impact this movement had on the people. Bipin Chandra's book is a well-documented history of India's freedom struggle against the British rule. It is one of the most accurate books which have been painstakingly written after thorough research based on legal and valid verbal and written sources. It maps the first war of independence that started with Mangal Pandey's mutiny and witnessed the gallant effort of Sri Rani Laxmi Bai. Many of the pages of this book are dedicated to Mahatma Gandhi's non-cooperation and the civil disobedience movements. It contains detailed description of Subash Chandra Bose's weapon heavy tactics and his charisma.

This book includes all the independence movements and fights, irrespective of their size and impact, covering India in its entirety. Although these movements varied in means and ideas, but they shared a common goal of independence. This book contains oral and written narratives from different parts of the country, making this book historically rich and diverse. The book captures the evolution of Indian independence struggle in full detail and leaves no chapter of this story untouched. This book is a good read for the students of Indian modern history and especially for students who are preparing for UPSC examination and have taken History as their subject.

**UPSC MAINS GENERAL STUDIES SOLVED PAPERS (2008-2023) PDF** Prabhat Prakashan

Ancient history forms the bedrock of human civilization, providing a deep understanding of our roots and the cultural, social, and political developments that have shaped the world we inhabit today. Aspirants preparing for various competitive examinations such as the Civil Services, Provincial Civil Services, Staff Selection Commission (SSC), Railway Recruitment Board (RRB), Police Services, Defence Services, Central Teacher Eligibility Test (CTET), Teacher Eligibility Test (TET), and Patwari exams recognize the significance of mastering ancient history for comprehensive preparation. In this endeavor, Arora IAS Coaching presents meticulously curated notes on ancient history, designed to cater to the diverse needs of aspirants preparing for a range of competitive examinations. These notes are crafted with the utmost precision, drawing from the renowned expertise of our faculty and the extensive research undertaken to ensure accuracy and relevance. Our comprehensive notes delve into the

various aspects of ancient history, encompassing the civilizations, cultures, dynasties, religions, philosophies, art, architecture, and socio-political structures that characterized ancient societies across the globe. Through a systematic and lucid approach, we aim to provide aspirants with a thorough understanding of ancient history, enabling them to tackle questions with confidence and precision in their respective examinations. With a focus on clarity, conciseness, and comprehensiveness, our notes serve as an indispensable resource for aspirants seeking success in their competitive endeavors. We believe that a strong foundation in ancient history is essential not only for excelling in examinations but also for fostering a deeper appreciation of our rich cultural heritage and civilization. Arora IAS Coaching is committed to empowering aspirants with the knowledge, skills, and confidence necessary to achieve their goals. Through our meticulously crafted notes on ancient history, we strive to facilitate the learning journey of aspirants and contribute to their success in the competitive landscape.

This book presents a complete and accessible description of the history of early India. It starts by discussing the origins and

growth of civilizations, empires, and religions. It also deals with the geographical, ecological, and linguistic backgrounds, and looks at specific cultures of the Neolithic, Chalcolithic, and Vedic periods, as well as at the Harappan civilization. In addition, the rise of Jainism and Buddhism, Magadha and the beginning of territorial states, and the period of Mauryas, Central Asian countries, Satvahanas, Guptas, and Harshavardhana are also analysed. Next, it stresses varna system, urbanization, commerce and trade, developments in science and philosophy, and cultural legacy. Finally, the process of transition from ancient to medieval India and the origin of the Aryan culture has also been examined.
