**Ship or Sheep? Cassettes (3)** McGraw Hill Professional

A Norman bar keeper makes his village inn famous with his special drink: the best Cognac in France... Until his life changes in an instance, when he becomes paralysed and his wife uses his body for laying eggs at home. Does this sound peculiar enough? Wait and see until the Master of the short story, Guy de Maupassant, brings some more plot twists to the stage. Guy de Maupassant (1850 –1893) was a French author considered a father of the modern short story. During his prolific work life, he wrote 300 short stories, verse, travel books and novels. One of his most famous works, the novel *Bel-Ami*, inspired the 2012 movie with the same name, starring Robert Pattinson and Uma Thurman.

"From the lowest ranks of poverty to unprecedented heights of riches and popular acclaim-thus was the career of Juan Gallardo, Spanish bull fighter. In telling his story, Ibanez has achieved a novel even more dramatic and powerful than his legendary Four Horsemen. From his boyhood Juan longed to be a bull fighter and, as he climbs the ladder step by step, the reader lives with him in the very atmosphere of the arena. No detail of the picture is spared-one can see and almost hear the actual battle-the crowds-the many characters that stream through the pages. And Juan himself, with his vanities, his superstitions, his daring attacks, his wounds and recoveries, emerges as real, vital and colorful as the sport to which he and many others dedicated their lives."--
