In Heaven! Franklin
Classics
It has been said that

Lucifer knows very well
that one authentic
Kingdom builder and
warrior rightly
equipped for warfare
can strike terror and
wreak havoc in the

kingdom of darkness. Why? By the covenant of His own blood, Jesus has made us unto our God kings and priest to reign on the earth. As a king, you have a kingdom and your kingdom is under attack! It is being overrun and violated by demonic kings and kingdoms! Let me ask you a question, if according to Jesus, since from the days of John the Baptist until now, the kingdom of heaven suffers violence, what do you think has happened to your kingdom? The secret to possess the kingdoms of your enemies is through the Word, and prayer! As a king, you have the power to decree and declare the Word of God for it to be established. In this book, you will learn

how: To avoid feeble, spiritless, faithless, halfhearted, and spineless prayers. Why? Here is a mystery: In the realms of the spiritual, the weaker spirit bows to the stronger power! Therefore, to dethrone demonic kings and other ruling personalities, and entities over your life: You need to arm all areas of spiritual vulnerabilities in your life. You need to pray with a plan, passion, purpose, power, precision, persistence, and perseverance. You need to pray with faith, firepower, intensity, and expectancy based on the Word at all times. To enter into the Kingdom of heaven, you must be triumphant in many fierce secular trials, and spiritual battles.

For these fights, you need anointed weaponry as revealed in Prayer Toolbox Volumes 1 and 2. Do you want to be in control of your destiny, and become a regional taker, a nation changer, and an overcomer of the world? Here is a secret: To legally battle and rout demonic kings and kingdoms, you need the backing of a more powerful king. Fear Not! You have Jesus, the only King of Kings and the Lord of Lords, your Commander-in-Chief to back you up. God has given us, the power of His Word in our mouths to defeat, and destroy nations and overthrow the kingdoms! (Jeremiah 1:10 NKJV) You are the mouthpiece of God, His instrument of dominion to release into His

Kingdom, deliverance, restoration, peace, healing, prosperity, protection, and much more on earth!

 Dean Braxton was hospitalized due to kidney stones. The procedure to break down the stones caused an infection which eventually made his heart stop. When Dean died, he was taken to Heaven, where he met Jesus, family members and saw GOD the Father of creation! He should have been a vegetable or dead, in fact Dean Braxton's heart had been stopped for 1 hour and 45 minutes. After he came back from heaven, he was instantly healed of 29 medical conditions, and today he is called

the Miracle Man, and has written a book of his complete account of Heaven in the Afterlife.

Discover for yourself: It really IS more blessed to give than to receive! The Power of Blessing is more than an encouragement to bless. It shows you many ways you can be a blessing to those around you. Blessings are not just about materialism, blessings are more about a lifestyle that changes environments and conditions among families, churches, communities, and even small businesses and large corporations. Do not repay evil with evil or insult with insult, but with blessing, because to this you were called so that you may inherit

a blessing (1 Peter 3:9 NIV). The Power of Blessing: • Presents practical applications about how to bless others and receiving blessings. • Teaches the difference between truth and fact. • Shares humorous and inspirational testimonies. • Reveals the importance of speaking God's intentions as to how things should be. • Breaks generational curses by learning how to bless. Your heavenly Father is the redemptive God who delights in bringing things back into His divine order. Through learning how to bless, you can participate in this redemptive process. By actively living a lifestyle of blessing, you will see changes in the hearts of those you bless—as

well as in yourself!

After I had finished my presentation, a colleague and I sat rocking on the hotel porch to discuss its merits. It was a picture-perfect fall day in Jekyll Island Georgia, and he was a friend. Yes, he explained, what I was saying seemed to be true. And yes it probably needed to be said, but why did I want to be the one to say it? Wasn't I, after

all, a tenured professor who didn't need to make a fuss in order to retain his job? Didn't it make sense to just kick back and enjoy the easy life I had earned? The topic of our tete-a-tete was my speculations about race relations and he was certain that too much honesty could only get me in trouble. Given my lack of political correctness, people were sure to assume that I was a racist and not give me a fair hearing. This was a prospect I had previously contemplated. Long before embarking on this volume I had often asked myself why I wanted to write it. The ideological fervor that dominates our public dialogue on race guaranteed that some people would perceive

me as a dangerous scoundrel who had to be put in his place. *Integration with Dignity* Destiny Image Publishers

Our churches affirm that death cannot destroy the communion with God of those redeemed and justified. The nature of the life that the justified departed share with God cannot be described in great detail and, in this life, it remains a great mystery. Nevertheless, Catholics and Lutherans share the sure and certain hope that the justified departed are in Christ and enjoy the rest that belongs to those who have run the race. This common statement of Round XI offers fresh insights into some issues that proved contentious in the

debates of the sixteenth century. Among the issues explored in this dialogue were continuity in the communion of saints, prayers for or about the dead, the meaning of death, purgation, an interim state between death and the final general judgment, and the promise of resurrection.

Agreements are affirmed on the basis of new insights, as readers will discover in this statement of Round XI.

Transition to the All-
Volunteer Force

(1968-1974) Lulu.com
The all-volunteer force, the historic norm in peacetime America, was reestablished in the U.S. on 30 June 1973, when induction authority expired. But never before had the U.S. attempted to field a standing Army in peacetime -- based on voluntary enlistments - - with the worldwide responsibilities that faced this force. Since the mid-1980s the ability of the armed forces to recruit and retain quality volunteers has not been seriously questioned. This book takes us through those years of transition, examining both the context in which the

end of the draft occurred and the perspective which the Army's leaders brought to bear on the challenge they faced.

For nearly fifty years, citizen airmen have served in the nation's defense as members of the Air Force Reserve. Citizen Airmen: A History of the Air Force Reserve, 194 & 1994

begins with the fledgling air reserve program initiated in 1916, traces its progress through World War II, and then concentrates on the period 1946 through 1994. The study skillfully describes the process by which a loosely organized program evolved into today's impressive force. The Air Force Reserve story is told within the context of national political and military policy and stresses that over the decades, as national needs have increased, reservists have met the challenges.

Initially, the Air Force treated its reserve units as supplemental forces and equipped them with surplus equipment. Shortly after the Air Force Reserve was

established in 1948, its members mobilized for Korean War duty and they served throughout the conflict. The Reserve program subsequently fell into disarray and required patient rebuilding. The passage of a series of key federal laws related to personnel issues and the introduction of the air reserve technician program greatly assisted in this rejuvenation process. In the 1960s, the Air Force Reserve demonstrated its mettle as it participated in numerous mobilizations reflecting the Cold War tensions of the era. Reservists were involved in operations ranging from the Berlin Crisis of 1961-1962 to the Southeast Asia

mobilizations in 1968. In the 1970s, the Air Force Reserve program assumed heightened importance when the Department of Defense adopted the Total Force Policy. This concept treated the active forces, the National Guard, and all reserve forces as an integrated force. Reservists were now expected to meet the same readiness standards as their active duty counterparts. Since then, the Air Force Reserve has demonstrated its ability to perform a wide variety of missions. Air Reservists participated in American military operations in Grenada and Panama. A magisterial and acclaimed history of post-war Europe, from Germany to Poland, from Western Europe to Eastern Europe, selected as one of New York Times Ten Best Books of the Year Europe in 1945 was drained. Much of the continent was devastated by war, mass slaughter, bombing and chaos. Large areas of Eastern Europe were falling under Soviet control, exchanging one despotism for another. Today, the Soviet Union is no more and

the democracies of the European Union reach as far as the borders of Russia itself. Postwar tells the rich and complex story of how we got from there to here, demystifying Europe's recent history and identity, of what the continent is and has been.  Human social life is constrained and defined by our cognitive and emotional dispositions, which are the legacy of our foraging ancestors. But how difficult is it to reconstruct the social systems and cultural traditions of those ancestors? The *Archaeology of Human Ancestry* provides a stimulating and provocative answer, in which archaeologists and biological anthropologists set out and demonstrate their reconstructive methods. Contributors

use observations of primates and modern hunter-gatherers to illuminate the fossil and artefactual records. Thematic treatment covers the evolution of group size; group composition and the emotional structure of social bonds; sexual dimorphism and the sexual division of labour; and the origins of human cultural traditions. The *Archaeology of Human Ancestry* is an essential introduction to the subject for advanced undergraduates and researchers in archaeology and biological anthropology. It will also be used by workers in psychology, sociology and feminist studies as a resource for understanding human social origins.

The most powerful prayer on earth is also one of the most simple. Learning to pray it and mean it is the beginning of a lifetime of blessing. The largest factor that can release blessing in our lives is forgiveness. Jesus prayed over those who crucified Him: "Father, forgive them, for they do not know what they are doing" (Luke 23:34, NIV). To enjoy God's blessings for ourselves, we must imitate Christ's unrestrained forgiveness. An act of love and mercy, forgiveness opens the door to a life lived in joy, peace and the boundless blessings our Father wants to bestow upon us. This is the miracle key you've been waiting for. You

have nothing to lose, and everything to gain!

Just imagine! Does God want you to use your imagination? Are Christians to turn off their imaginative, creative side when they become mature believers? The answers may surprise you! The Power of Imagination reveals the part of spiritual life that is often shunned or closeted away because it may seem New Age or too unconventional. On the contrary, when believers use their imaginations to see beyond current circumstances into the realm where God paints pictures in their minds, healings are commonplace, goals are accomplished, dreams come true, and

victories are celebrated! But we all, with unveiled face, beholding as in a mirror the glory of the Lord, are being transformed into the same image from glory to glory, just as from the Lord, the Spirit (2 Corinthians 3:14-18). You can develop the ability to see as God sees. You can see the future that He planned for you before you were born. Through the power of your God-given imagination, nothing is impossible—no problem too big, no relationship too broken. This exciting new way of living is thoughtfully and

biblically presented in a refreshing and empowering way that will keep you imagining for years to come.
