Michelin Guide to Italy Michelin Travel Publications

Michelin local maps provide detailed coverage of Italy, perfect for fully exploring the country.

Michelin Italy Michelin Travel & Lifestyle

La guía MICHELIN Chicago 2012 cuenta con una selección de 472 establecimientos, de los que 40 son hoteles y 432 restaurantes que representan 45 tipos de cocina. Además, para facilitarnos la elección, los inspectores de La guía MICHELIN nos señalan con el pictograma “Bib Gourmand” 56 establecimientos que ofrecen una cocina de calidad a un máximo de 40 dólares, más impuestos y propinas. En esta edición de 2012, también se destacan en color rojo 23 establecimientos especialmente agradables. Por supuesto, como es tradicional, La guía MICHELIN nos ofrece su selección de establecimientos con la cocina de mejor calidad, que son clasificados mediante las conocidas “estrellas de la buena mesa”: tres para las cocinas excepcionales, dos para las

excelentes y una para las que se consideran muy buenas en su categoría.

Lombardia, Piemonte, Valle D'Aosta, Liguria Lonely Planet Italia

New release: The brand-new Michelin Must Sees Milan & Italian Lakes hits the area's highlights for a 24-hour visit, a weekend or longer. Stroll around Via Monte Napoleone in world-renowned fashion capital Milan, gazing at Italian designer storefronts; admire the Duomo’s architecture, both on the ground and from the roof; and finish the day with Brera’s nightlife. Explore the Italian Lakes area and marvel at the spectacular mountain backdrop and blue waters. This pocket-size guide helps you do it all with detailed maps, recommended hotels and restaurants and Must Sees star-rating system.

Journey amongst the flavours of Lombardy Ten Speed Press

A book of encouraging words, The Courage Companion is a guiding hand to help readers believe in and reach for a better tomorrow

Rhone, Alpes FrancoAngeli

This book is aimed at promoting the Region of Lombardy and raising awareness of the triumph of

flavours, emotions, traditions and quality preserved in the fruits of its lands. With 1.3m hectares of agricultural territory, our region has the largest area dedicated to this sector in Italy. This primary position results not only from thousands of years of evolution, but also and above all from a laboratory fomenting future-oriented ideas, innovations and technology, which guarantee the production of healthy, genuine foodstuffs that are certified and protected. Leafing through the recipes is like going on a journey, just as the title suggests – by following Lombardy’s 12 Wine and Food Roads, the reader is led to rediscover the region's typical dishes which, handed down through the generations with great love and enthusiasm, contribute to the enhancement of a unique heritage consisting of 248 excellent agricultural products and foodstuffs, of which 31 have PDO or PGI status (13% of the branded products of Italian origin), and 42 wines with DOCG, DOC or IGT denominations. Each route includes an introduction to the area in question and 5 recipes with wine pairings, which enables the planning of a complete menu.

Milano e Lombardia Michelin Travel & Lifestyle

Take a fascinating thematic journey of Italy with the brand-new Michelin Green Guide Wine Trails

of Italy. Explore Italy's regional vineyards and wineries. Learn all about Italian wine: making it, tasting it, serving it. And visit the scenic towns and villages along the way. Suggested Michelin Driving Tours for wine routes include special points of interest. Through its star-rating system, well-researched places to stay and eat, colorful maps and suggested activities, the Green Guide helps you discover the best of Italy and its wines

Nice Michelin Italiana

This eBook version of the Green Guide Italy is completely revised and expanded, featuring the best that the country has to offer. The guide explores the rich culture, heritage and history of the cities, countryside and coastal areas. Michelin's celebrated star-rating system pinpoints Italy's highlights, whether the beautiful Dolomite mountain range, the UNESCO-designated historic city centers of Rome, Florence and Naples, or the stunning coastlines of Amalfi and Portofino Promontory.

Regional introductions give an overview of each area, while Michelin's walking and driving tours, up-to-date content, maps and color photos help you discover this diverse country.

Milano e la Lombardia Cleis Press

A cookbook and wine guide celebrating the regional traditions and exciting innovations of modern Italian cooking, from San Francisco's SPQR restaurant. The Roman Empire was famous for its network of roads. By following the path of these thoroughfares, Shelley Lindgren, wine director and co-owner of the acclaimed San Francisco restaurants A16 and SPQR, and executive chef of SPQR, Matthew Accarrino, explore Central and Northern Italy's local cuisines and artisanal wines.

Throughout each of the eight featured regions, Accarrino offers not only a modern version of Italian cooking, but also his own take on these constantly evolving regional specialties. Recipes like Fried Rabbit Livers with Pickled Vegetables and Spicy Mayonnaise and Fontina and Mushroom Tortelli

with Black Truffle Fonduta are elevated and thoughtful, reflecting Accarrino's extensive knowledge of traditional Italian food, but also his focus on precision and technique. In addition to recipes, Accarrino elucidates basic kitchen skills like small animal butchery and pasta making, as well as newer techniques like sous vide—all of which are prodigiously illustrated with step-by-step photos. Shelley Lindgren's uniquely informed essays on the wines and winemakers of each region reveal the most interesting Italian wines, highlighting overlooked and little-known grapes and producers—and explaining how each reflects the region's unique history, cultural influences, climate, and terrain. Lindgren, one of the foremost authorities on Italian wine, shares her deep and unparalleled knowledge of Italian wine and winemakers through producer profiles, wine recommendations, and personal observations, making this a necessary addition to any wine-lover's library. Brimming with both discovery and tradition, SPQR delivers the best of modern Italian food rooted in the regions, flavors, and history of Italy.

Europe Michelin Éditions

New release: Michelin Must Sees Italy 10 Most Famous Places presents the ten most essential, not-to-be-missed cities and regions of Italy for a memorable trip even when time is limited. Renowned Rome and Venice head up this short list, along with Milan and the Italian Lakes, Tuscany and the Amalfi Coast, just to name a few. This pocket-size guide helps you do it all with detailed maps, recommended hotels and restaurants, and the Must Sees star-rating system for attractions, sights and activities.

Lacs italiens, Milan et la Lombardia University-Press.org

Every year, Italy swells with millions of tourists who infuse the economy with billions of dollars and almost outnumber Italians themselves. In fact, Italy has been a model tourist destination for longer than it has been a modern state. The Beautiful Country explores the enduring popularity of [destination Italy,] and its role in the development of the global mass tourism industry. Stephanie Malia Hom tracks the evolution of this particular touristic imaginary through texts, practices, and spaces, beginning with the guidebooks that frame Italy as an idealized land of leisure and finishing with destination Italy's replication around the world. Today, more tourists encounter Italy through places like Las Vegas's The Venetian Hotel and Casino or Dubai's Mercato shopping mall than experience the country in Italy itself. Using an interdisciplinary methodology that includes archival research, ethnographic fieldwork, literary criticism, and spatial analysis, The Beautiful Country reveals destination Italy's paramount role in the creation of modern mass tourism.
