Girls Just Wanna Have Fun! Independently Published

A dark, wild, powerful memoir about a young woman's transformation from college student to professional dominatrix While a college student at The New

School, Melissa Febos spent four years working as a dominatrix in a midtown dungeon. In poetic, nuanced prose she charts how unchecked risk-taking eventually gave way to a course of self-destruction. But as she recounts crossing over the very boundaries that she set for her own safety, she never plays the victim. In fact, the glory of this memoir is Melissa's ability to illuminate the strange and powerful truths that she learned as she found her way out of a hell of her own making. Rest assured; the reader will emerge from the journey more or less

unscathed.

An experience is the process of personally participating in an activity, event or lifestyle. Fantasy does not always translate over to reality because reality must contend with the bodily limitations of the physical world, whereas fantasy enjoys the unlimited boundaries of the imagination. Nevertheless, fantasy is often the product of reality. For one person's fantasy is another person's reality. ; ; Notable FemDom author Elise Sutton examines the Female Domination lifestyle by taking the reader into the personal relationships and sexual practices of everyday people who live astonishing secret lives. ; ; Elise adds her insight and commentary as she examines what constitutes a successful FemDom relationship.

The Mistress's Daughter Salacious Stories

Tim wanted to kneel before his beautiful boss Ava more than anything. But the reality might be more than he can handle. What begins as a fantasy soon becomes a journey into real domination and submission that will change both Tim and

Ava forever. From the Book I felt so small and embarrassed. "Staring at me is one thing. It would be well within protocol to write you up for that alone. However, these websites are a violation of company Internet policy and subject to immediate termination... at my discretion." My mouth dropped open and I struggled to say something. I needed this job. Ava grabbed the papers from my hands and leaned on the edge of her desk. She crossed her ankles and started thumbing through the log of websites. "What is 'femdom' Tim?" "Oh... Ava, are you sure you want me to..." "Let's hear it, Tim. I want to know what's so important that you would risk your job." "Well... it means female domination." "And that is..." "Ava..." "No, I want to know." "It's when someone is submissive to a dominant woman. It's a type of relationship where the woman is completely in charge." "Keep going..." "It often involves humiliation, corporal punishment, chastity, or service," just talking about this was both excruciatingly embarrassing and, unfortunately, exciting to me. "Really, whatever the woman wants." She clicked her tongue, "What you do on your own time is your business Tim,

but surely you don't think it's appropriate to look at sites like that at work?" "No... no, no, no... I shouldn't have ever done that. I'm so embarrassed. If you'll forgive me I promise to never do that again," I looked up at her, but she was still looking at the pages. Ava sat the pages down on her desk and leaned forward, she was inches from my face. I could smell her perfume this close, and it was intoxicating. "You're going to have to do better than that." She emphasized every word of this next sentence, "I want to hear you beg for your job." Reviews A realistic FemDom FLR (Female Led Relationship) - written with exquisite detail. "There are conversations that could've been taken from real life - even my life! (I am a Dominatrix.) ...the situations, conversations and interactions are so believable that the writers' experiences and interactions with Domes and subs is apparent. Well written, accurate and a definite page-turner! I'd highly recommend reading "Dominatrix Boss: A BDSM Femdom Tale" to my Domme peers, to submissive males...and those exploring the wonderful BDSM community (including couples.)" Mistress DJ The Boss of my dreams "Asher

Lake's first book about BDSM clearly shows his love for beautiful dominant ladies, a kinky mind and the talent of an excellent writer. Once I started reading it was impossible to stop." Peter Degen Inspiring Content... Superior dominance unfolds, a definite must read! "I appreciate how Asher Lake (Author) details intriguing obstacles with many anxious chapters keeping me on edge wanting to know more. On a more personal note, I even had moments of arousal which felt perfect and I felt I could relate to the story. Provided, I have previous BDSM experience. This story brought out some special memories of my own past experiences. It was exciting!" Cris Categories and Content "Dominatrix Boss" is intended for mature audiences only. This is a steamy kinky romance with dark themes. It contains scenes of spanking, grinding humiliation, strict discipline, chastity, foot worship, and much more.

When Charles Hunter loses his highly-paid job, his wife Sarah decides to indulge his long-hidden fantasy of living as her slave. To begin with the change feels easy, almost natural, but soon they are enacting the strange rituals of sadomasochism, partners in a devil's-dance of love and pain, cruelty and desire - 'Kneeling before Sarah, Charles was overwhelmed by conflicting emotions. He hadn't lost his pride, but it had become long submerged beneath his submissive yearnings. Even as he massaged Sarah's nylon-clad foot, pride still burned in his heart and mind, but the flames only

fuelled his masochistic joy by reminding him of all he had lost, and when he looked at Sarah's pretty foot resting on his apron and, beneath that, the lacy hem of his slip peeping out from under his maid's dress, he hated how foolish he must look, and yet he loved to feel so shamed and helpless in front of the woman he loved.'
