Seedtime and Harvest BoD – Books on

The best paperback edition of Seedtime
and Harvest In this "mystical view of the
Scriptures," Neville Goddard reveals the
spiritual basis of manifestation. "What
would you think and say and do were
you already the one you want to be?"
Neville asks. "A change of attitude is a
change of position on the playing field of
life. The game of life is not being played
out there in what is called space and
time; the real moves in the game of life
take place within, on the playing field of
the mind." Volume 9 in the Neville
Collection.

Neville Goddard ALIO Publishing Group
The best paperback edition of Your Faith
Is Your Fortune This is a radical re-
reading of the Bible by a modern mystic.
"When man sees the Bible as a great
psychological drama, with all of its
characters and actors as the personified
qualities and attributes of his own

consciousness, then -and then only-will
the Bible reveal to him the light of its
symbology. This Impersonal principle of
life which made all things is personified
as God. This Lord God, creator of heaven
and earth, is discovered to be man's
awareness of being." -Neville Volume 5

Jeder von uns träumt unzählige Realitäten ins Dasein. Wenn wir Menschen das erkennen, werden wir entdecken, dass wir schlummernde Zweige der Schöpfung sind, in menschlicher Form gekleidet und am Ruder unbegrenzter Möglichkeiten.“ - Mitch Horowitz Neville Goddard kann am

besten als erleuchteter Mystiker bezeichnet werden. Sein Wissen war so tief und allumfassend, dass jeder Suchende bei ihm fündig werden wird! Es gibt nichts Vergleichbares an Wissen und Tiefe! Die Intention von Neville Goddard war es, den Menschen ihre Schöpferkraft bewusst werden zu lassen. Dabei ging es ihm nicht nur um das Manifestieren, sondern auch darum, die tiefgreifenden Mechanismen unseres Daseins erneut zu verstehen und bewusst anzuwenden. Und dieses Wissen kann mit dieser Vortragsreihe von Neville Goddard wieder vollständig verstanden und bewusst angewendet werden. „Bevor sich Gott in den Menschen träumte, gab er sich selbst das absolute Versprechen, wieder als Gott zu erwachen. Dieses Versprechen gilt und erfüllt sich für jeden einzelnen Menschen.“ - Neville Lancelot Goddard **Neville Goddard - Das Geheimnis ist zu fühlen (Feeling is the Secret)** St. Martin's Essentials

First published in 1949, this spiritual classic by Neville Goddard captures the same intensity of thought and conviction which made Goddard famous amongst progressive thinkers. In this volume we see not only a profound religious feeling, but also a sense of the dignity and responsibility of human life. Our own feeling about the results of his experiments as a whole is that they are not just an addition to our existing knowledge, but require a revolution in our whole way of thinking about the world. A wonderful read!

The Power of Awareness Devorss Publications

""Neville Goddard was a passionate and well-spoken preacher of the """"New Thought"""" movement. Neville was the middle child in a big family of nine boys and one girl when he was born in St.

Michael, Barbados, in 1905. In 1922, at the age of seventeen, he travelled to the United States to study drama. He started dancing, married his first wife, and had a son named Joseph Neville Goddard during this time Neville's philosophy took an extreme turn during the last twelve years of his life, a turn that would jeopardise his metaphysical popularity. In 1959, he had a vexing supernatural encounter. "From inside his skull, which opened like a womb, Neville was renewed as a child," he said. The spoke of "the promise," that each of us is waiting to be freed through metaphysical fulfilment, in a difficult elucidation of the Bible and his own experience. The God beginning is, in fact, our imaginations. Psalm 82:6 was interpreted by him as the true state of man. ""

A leader in the New Thought movement illustrates his metaphysical philosophy of self-empowerment with quotations from Yeats, Blake, and the Bible as well as accounts of his personal experiences.

Freedom for All Courier Corporation

That you may receive the full benefit of these instructions, let me state now that the Bible has no reference at all to any persons who ever existed or to any event that ever occurred upon earth.

The ancient story tellers were not writing history but an allegorical picture lesson of certain basic principles which they clothed in the garb of history, and they adapted these stories to the limited capacity of a most uncritical and credulous people. Throughout the centuries we have mistakenly taken personifications for persons, allegory for history, the vehicle that conveyed the instruction, for the instruction, and the gross first sense, for the ultimate sense intended.

Shelby Ford. Late forties. Project Director from Perth. The contractor. Jaxon Reid.

Mid-fifties. Entrepreneur from Texas. The client. A short-term contract. An unlikely encounter. A joy. A lie. A learning.

Shelby. After a traumatic childhood and many failed relationships, Shelby undertakes a journey of reflection and healing, and builds a stable and secure life for herself. Now fast approaching her fifties, she dreams of exploring the world and experiencing new things. She lands a short-term contract overseas and takes her chance without hesitation.

Jaxon. A man dedicated to his life mission and purpose. A dedication that resulted in many failed relationships and a now noticeable silence in his heart and his home. He longs for the one thing that has always eluded him: a solid, stable commitment. A life story. He knows it's time to forgive the past and open himself up to love again. He also knows that if he wants a different outcome, he must do it differently this time. A chance encounter forces them both to reflect on what they've learned and what they need and want from life and love. As Jaxon and Shelby explore their needs and desires, Shelby is forced to admit that she's living with a secret that requires her to show her courage, close a difficult chapter, and learn new life lessons before she can be ready to receive the joy on offer. If you believe in the power of desire, that you are

enough, that the best love stories are life stories—and if you're open to a new playlist for love—this is the book for you.

Woke Love Book I BoD - Books on Demand

With complete certainty, I can tell you now - from my more than half-century of existence: Any and all successes, as well as all my disappointments are directly traced to the principles in this book. For any set-back or failure, I either didn't know these principles, didn't understand their power, or simply ignored them. For every success, I have tracked back to taking these exact steps laid out in this book - to achieve, acquire, or attain whatever it was I wanted to be or have. And that experience is why I'm bringing out this short book you can have to carry with you and review regularly. Inside Earl Nightingale's original "Strangest

Secret" recording, he mentions several books that support these ideas. If you put them together, the length is around 700 pages of text. What you are reading here is around a hundred. And this is designed to be slim and still contain the power of the best references that can educate and reinforce the key success principles Nightingale recorded in 1956.
