*Goddess of the Underworld* HarperCollins Australia

An intense psychological thriller for readers of *I Am Watching You*, *The Luckiest Girl Alive*, and *All the Missing Girls*. Two missing girls. Thirteen years apart. Olivia Shaw has been missing since last Tuesday. She was last seen outside the entrance of her elementary school in Hunts Point wearing a white spring jacket, blue jeans, and pink boots. I force myself to look at the face in the photo, into her slightly smudged features, and I can't bring myself to move. Olivia Shaw could be my mirror image, rewound to thirteen years ago. If you have any knowledge of Olivia Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is.

### Of Poseidon Harlequin

Fourteen-year-old Kentucky girl Ricki Jo Winstead, who would prefer to be called Ericka, thank you very much, is eager to shed her farmer's daughter roots and fit in with the popular crowd at her small-town high school. She trades her Bible for *Seventeen* magazine, buys new "sophisticated" clothes, and strikes up an unlikely flirtation with the freshman class's resident bad boy. She's on top of the world, even though her best friend and neighbor, Luke, say she misses "plain old Ricki Jo." Caught between

being a country girl and a wannabe country club girl, Ricki Jo begins to forget who she truly is: someone who doesn't care what people think and who wouldn't let a good-looking guy walk all over her. After a serious incident on Luke's farm, Ricki Jo realizes that being a true friend is more important than being popular... and the one boy who matters most has been next door all along.
