WITH A BRAND NEW LOOK! ON FEBRUARY 22, 1980, KHORSHED AND RUMI BHAVNAGRI'S WORLD WAS SHATTERED. ONE MONTH LATER, A NEW ONE OPENED.

Khorshed and Rumi Bhavnagri lost their sons, Vispi and Rato, in a tragic car crash. With both their sons gone, the couple felt they would not survive for long. They had lost all faith in God until a miraculous message from the Spirit World gave them hope and sent them on an incredible journey.

*The Roman Empire and the Indian Ocean* Simon and Schuster

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Hesperides Press are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

This study of ancient Roman shipping and trade

across continents reveals the Roman Empire's far-reaching impact in the ancient world. In ancient times, large fleets of Roman merchant ships set sail from Egypt on voyages across the Indian Ocean. They sailed from Roman ports on the Red Sea to distant kingdoms on the east coast of Africa and southern Arabia. Many continued their voyages across the ocean to trade with the rich kingdoms of ancient India. Along these routes, the Roman Empire traded bullion for valuable goods, including exotic African products, Arabian incense, and eastern spices. This book examines Roman commerce with Indian kingdoms from the Indus region to the Tamil lands. It investigates contacts between the Roman Empire and powerful African kingdoms, including the Nilotic regime that ruled Meroe and the rising Axumite Realm. Further chapters explore Roman dealings with the Arab kingdoms of southern Arabia, including the Saba-Himyarites and the Hadramaut Regime, which sent caravans along the incense trail to the ancient rock-carved city of Petra. The first book to bring these subjects

together in a single comprehensive study, *The Roman Empire and the Indian Ocean* reveals Rome's impact on the ancient world and explains how international trade funded the legions that maintained imperial rule.

**The Garuda Purana** Pen and Sword

The study of technical treatises in Indian art has increasingly attracted much interest. This work puts forward a critical re-examination of the key Indian concepts of painting described in the Sanskrit treatises, called citrasutras. In an in-depth and systematic analysis of the texts on the theory of Indian painting, it critically examines the different ways in which the texts have been interpreted and used in the study of Indian painting, and suggests a new approach to reading and understanding their concepts. Contrary to previous publications on the subject, it is argued that the intended use of such texts as a standard of critique largely failed due to a fundamental misconceptualization of the significance of 'text' for Indian painters. Isabella Nardi offers an original approach to research in this field by

drawing on the experiences of painters, who are considered as a valid source of knowledge for our understanding of the citrasutras, and provides a new conceptual framework for understanding the interlinkages between textual sources and the practice of Indian painting. Filling a significant gap in Indian scholarship, Nardi's study will appeal to those studying Indian painting and Indian art in general. *An English Translation of the Sushruta Samhita Based on Original Sanskrit Text* Springer  
This Seven Volume Set Provides A Comprehensive Overview Of The Social Construction Of Southern India. First Published In 1909.  
**A Textbook of Agronomy** Hesperides Press  
Three thousand years ago, deep inside the forests of India, a great 'thought revolution' was brewing. In those forest labs, the brightest thinker-philosophers contemplated the universe, reflected on ancient texts called the Vedas and came up with startling insights into questions we still don't have final answers to, like: • What is the

universe made of? • How do I know I'm looking at a tree when I see one? • Who am I? And where did they put those explosive findings? In a sprawling body of goosebumpy and fascinating oral literature called the Upanishads! Intimidated? Don't be! For this joyful, fun guide to some of India's longest-lasting secular wisdoms, reinterpreted for first-time explorers by Roopa Pai, is guaranteed to keep you turning the pages. *Garuda Purana GIRI* Trading Agency Private  
Garun Puran is a matchless scripture of satvik category. it is said that reading or listening to the narration of garud puran not only brings happiness in the present life but also takes one closer to the divinity. therefore, all human beings, particularly Hindus, Buddhists, Jains and sikhs must acquire the deep knowledge enshrined in this scripture. the Garud Puran also aims at establishing a welfare society not only for human beings but also for all creatures and also paves the way for well being of the entire ecology and creation. It says that one must be full of action, compassion and generosity. One Should Live a controlled life while

remaining Brahmin-nisht (engrossed in Divinity). *Communicating India's Soft Power* University of Chicago Press  
" ... this practical guide teaches us how to slip beyond the mental turbulence of our ordinary thought processes into an infinite reservoir of consciousness from which we can draw guidance, creative power, joy, and tranquility"--Cover back  
**Aryan and Non-Aryan in India** Otto Harrassowitz Verlag  
Vedas and Smritis are the roots of Sanatana Dharma. Many are the Samskaras (purificatory rituals) prescribed in Smritis for the upliftment of human being to Godhood, which is the sole purpose of the rare and invaluable human birth. Of them, Antyeshti, the last Samskara performed for the person, who has departed from his body and subsequent Shraddhas performed for his comfortable journey to the afterworld and settling down in an agreeable environment, play a very important and decisive role. rituals connected with Aparā Kriyas and Shraddhas in the authoritative perspective, a brief summary in English of the same is attempted in the following

pages to serve as an introductory guide.

*The Complete Life of Krishna* Legare Street Press

The first book to cover Krishna's entire life, from his childhood pranks to his final powerful acts in the Mahabharata war • Draws from the Bhagavad Purana, the Bhagavad Gita, the Mahabharata, and India's sacred oral tradition • Shows how the stories of Krishna's life are expressed with such simplicity and humor that they enable anyone--man, woman, or child--to see the wisdom of his teachings • Provides a valuable meditative tool that allows the lessons of these stories to illuminate from within Krishna, one of the most beloved characters of the Hindu pantheon, has been portrayed in many lights: a god-child, a prankster, a model lover, a divine hero, an exemplary ruler, and the Supreme Being. In *The Complete Life of Krishna*, Vanamali, a leading Krishna expert from a long line of prominent Krishna devotees, provides the first book in English or Sanskrit to cover the complete range of the avatar's life. Drawing from the Bhagavad Purana, the Bhagavad

Gita, the Mahabharata, and India's sacred oral tradition, Vanamali shares stories from Krishna's birth in a dungeon and early days as a merry trickster in Vrindavana, through his time as divine ruler at Dwaraka, to his final powerful acts as the hero Arjuna's charioteer and guru in the Kurukshetra war. She explains how Krishna became a mahayogi, the greatest of all yogis, and attained complete mastery over himself and nature. By integrating the hero-child with the mahayogi, the playful lover with the divine ruler, Vanamali shows how the stories of Krishna's life are expressed with such simplicity and humor that they enable anyone--man, woman, or child--to see the wisdom of his teachings. This complete biography of the man who was also a god provides a valuable meditative tool allowing Krishna's lessons to illuminate from within. *Concentration and Meditation* Random House In recent years, India has emerged as a major economic and political power. Yet, the country's cultural influence outside India has not been adequately analyzed in academic discourses. This book, a pioneering

attempt, from an international communication/media perspective, is aimed to fill the existing gap in scholarship in this area. Hindu Mythology and Tradition Pustaka Digital Media

Chanakya was the first thinker among the ancients who not only authored a concept but also got it implemented by his supreme efforts. 'He gave to the geographical entity-Aryavarta—a political or rather a national shape. This book characterizes him as the original author of the concept of 'India—a nation'. His thinking marks a distinct change from the views of earlier thinkers. It was he who for first time exhorted the people to unite in the name of the country and not faith. One of the greatest figures of wisdom and knowledge in the Indian history is Chanakya. Chanakya is regarded as a great thinker and diplomat in India who is traditionally identified as Kautilya or Vishnu Gupta. Originally a professor of economics and political science at the ancient Takshashila University, Chanakya managed the first Maurya Emperor Chandragupta's rise to power at a young

age. Instead of acquiring the seat of kingdom for himself, he crowned Chandragupta Maurya as the emperor and served as his chief advisor.

Garuda Puranam / Garuda Puranam Penguin Random House India Private Limited

This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesa's ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana.

Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a

coherent and fully integrated manner.

The birds said- 'O Jaimini!  
This was the way, sage  
Markandeya had narrated  
the divine tales to  
Kraustuki. A person who  
either studies this Purana  
or listens to it achieves  
great accomplishment. All  
his desires are fulfilled  
and he enjoys a long life.  
He becomes free from all  
his sins. Markandeya  
Purana is the seventh

among all the eighteen  
Puranas. Listening to it  
helps a man to atone for  
all the sins committed  
during the period of one  
hundred crore Kalpas. The  
virtues attained by  
listening to Markandeya  
Purana are equivalent to  
the virtues attained by  
making donations at  
Pushkar or by studying all  
the Vedas.' Jaimini replied-  
'O birds! You have  
enlightened my mind by  
narrating the tales of  
Markandeya Purana and  
have made it free from all  
sorts of confusion. May  
the almighty God bless  
you, may you enjoy a long  
life free from all the  
diseases.' Saying like this,  
Jaimini went back to his  
hermitage.
