## FORD DANIELLE

*The New Testament View of the Old* Includes bibliographical references.

The student is introduced to the grammar, forms of expression, and idiosyncrasies of Rabbinic Hebrew. The book comprises 32 teaching units, each with a phraseology section, vocabulary, and exercise texts. Historical and morphological aspects are discussed as well as syntax and usage. There is an introductory survey of research into Rabbinic Hebrew and a detailed bibliography.

*Fragments of a Zadokite Work* BRILL

A monthly register of the most important works published in North and South America, in India, China, and the British colonies: with occasional notes on German, Dutch, Danish, French, Italian, Spanish, Portuguese, and Russian books.
