In 2004 the  
one-hundredth

the world. The  
myth of Herzl,  
as it has  
developed  
over the last  
century, has  
perhaps  
become more  
important

Topics treated

his self-

This late

last years of  
H.D.'s life, is a  
testament to  
the fine ear  
and mythic  
sense of a  
poet who is  
now  
recognized as  
one of the  
greatest of  
her  
generation. H.  
D.'s (Hilda

1884-1961)  
late poems of  
search and  
longing  
represent the  
mature  
achievement  
of a poet who  
has come

increasingly to be recognized as one of the most important of her generation. The title poem and other long pieces in this collection ("Sagesse" and "Winter Love") were written between 1957 and her death four years later, and are heretofore unpublished, except in fragments. We can see now in proper context her fine ear for the free line, and understand why other poets, such as

Denise Levertov, Robert Creeley, and Robert Duncan, find so much to admire in H. D.'s work. As in her earlier books, one level of H.D.'s significant poetic statement derives from her intimate knowledge of and identification with classical Greek and arcane cultures; taken together, these elements make up the poet's own personal myth. Norman

Holmes Pearson, H. D.'s friend and literary executor, has contributed an illuminating foreword to this impressive collection. H. Written by 119 of the most distinguished scholars in the

field, the book is arranged chronologically, moving from the eleventh century to the present. Throughout, it depicts the unique contribution that Jewish writers have made to German culture and at the same time explores what it means to be the "other" within that mainstream culture. The contributors view German-Jewish literature as a historical and cultural phenomenon, from a wide

array of critical perspectives. Many essays focus on significant social and political events that affected the relationship between Germans and Jews; others concentrate on a particular genre, author, group of writers, cultural debate, or literary movement. Entries include an account of the crusades in 1096, a treatment of Jewish mysticism in the Renaissance,

a unique seventeenth-century memoir by a woman, the description of a meeting between Heinrich Heine and Karl Marx in 1843 and discussions of works by such twentieth-century luminaries as Sigmund Freud, Arthur Schnitzler, Joseph Roth, Martin Buber, Walter Benjamin, Elias Canetti, Hermann Broch, Hannah Arendt, Theodor Adorno, and Peter Weiss. By analyzing how

individuals and groups defined and expressed themselves as Jewish against the background of a dominant German culture, the contributors bring out the vital currents and crucial moments in two interlocking yet contradictory cultural histories in Germany.

wirklich meint,

auseinander.  
Außerhalb der

ihr  
Schwerpunkt  
häufig auf  
magisch-  
numerologisch  
er Ebene  
angesetzt,  
doch das trifft  
nicht den Kern

der Dinge. In Wahrheit geht es bei der Kabbala um Lebenskunst und um ein Leben im Einklang mit der GÖTTLICHEN GEGENWART. Die Kabbala will nicht den Anderen oder die Umstände verändern, sondern es geht ihr um die Veränderung des Einzelnen. Rabbi Adin Steinsaltz gilt weltweit als eine der größten Autoritäten zur Kabbala. Er wird in Israel und in der ganzen Welt verehrt

wegen seiner tiefen Menschenkenntnis und seiner Weisheit des Herzens. Die "Dreizehnblättrige Rose" ist eine Perle jüdischer Mystik, ohne jemals weltabgehoben zu sein. Immer steht im Text der Mensch und sein Leben im Alltag im Mittelpunkt, doch stets geht der Blick über die alltägliche Wirklichkeit hinaus auf eine höhere Dimension, die alles Erdengeschehen durchwirkt.

Wahre Kabbala zeigt sich überall dort, wo sie ein Menschenleben verändert und die verborgene Gegenwart Gottes in allem Geschaffenen aufleuchten lässt. Jüdische Spiritualität und Lebensweisheit in praktischer und poetischer Vollendung. Eine wundervoll glitzernde Perle der Mystik!

<p>This volume brings together a rich and varied collection of essays by Gilles Quispel (1916-2006), Professor of the History of the Early Church at Utrecht University from 1951 until his retirement in 1983. During his illustrious career, Professor Quispel was also visiting Professor at Harvard University in 1964/65, and visiting Professor at the Catholic University of Leuven from</p>	<p>1969 until 1974. The fifty essays collected in this volume testify to most of the prominent themes from Professor Quispel's scholarly career: the writings of the Nag Hammadi library in general and the Gospel of Thomas in particular; Tatian's Diatessaron and its influences; the Hermetica; Mani and Manichaeism; the Jewish origins of Gnosticism; and Gnosis and the future</p>	<p>of Christianity. This volume also makes a number of his less known earlier publications (mainly presented under the heading 'Catholica') available to the international community. Until shortly before he died, Professor Quispel remained active in his study of the Gospel of Thomas. He had been one of the first to acquire the Coptic text of the Gospel of Thomas, of</p>

which he published the first translation in 1959 and his final translation in 2005. He was also active in researching the Diatessaron, and Valentinus 'the Gnostic'. One of his most recent essays - published for the first time in this volume - is on 'the Muslim Jesus.'

Andrei Bely was one of the most prolific poets,

novelists, and theoreticians among the Russian Symbolists. Engaged throughout his life with the essence of language, his thoughts and findings emerge repeatedly in his essays and novels. None of his writings on the subject, however, are as remarkable and multi-faceted as this Poem about Sound. Glossolalia is a complex examination of philology, philosophy, esoterica, and poetry, all in

search of the relationship between sound and sense. It reverberates with sound associations and transcends all boundaries of language, discipline, and tradition. It is simultaneously a treatise on the origins of language and the world's creation through the movements of sounds. Bely reenacts, through the mouth, the cosmology of Rudolf Steiner. Bely's work, in its bold attempt to invoke the

"living word," remains one of the most far-reaching poetic experiments of the twentieth Century, and this edition offers his fascinating text for the first time in both an English and a German translation, along with the original Russian version and an in-depth commentary by Thomas R. Beyer. Illustrated. *Imagining an Austrian Nation* Wentworth Press

Brecht's extraordinary historical novel presents an aspiring scholar's efforts to write an idealized life of Julius Caesar twenty years after his death. But the historian abandons his planned biography, confronted by a baffling range of contradictory views. Was Caesar an opportunist, a permanently bankrupt businessman who became too big for the banks to allow him to fail - as his former banker

claims? Did he stumble into power while trying to make money, as suggested by the diary of his former slave? Across these different versions of Caesar's career in the political and economic life of Rome, Brecht wryly contrasts the narratives of imperial progress with the reality of grasping self-interest, in a sly allegory that points to the Weimar Republic and perhaps even to our own times. Brecht reminds his

readers of the need for constant vigilance and critical suspicion towards the great figures of the past. In an echo of his dramatic theories, the audience is confronted with its own task of active interpretation rather than passive acceptance -- we have to work out our own views about Mr Julius Caesar. This edition is translated by Charles Osborne and features an introduction and editorial

notes by Anthony Phelan and Tom Kuhn.  
**Theodor Herzl: From Europe to Zion** Crotona Verlag  
 This book-series, initiated in 1992, has an interdisciplinary orientation; it comprises research monographs, collections of essays and annotated editions from the 18th century to the present. The term German-Jewish literature refers to the literary work of Jewish authors

writing in German to the extent that Jewish aspects can be identified in these. However, the image of Jews among non-Jewish authors, often determined by anti-Semitism, is also a factor in the history of German-Jewish relations as reflected in literature. This series provides an appropriate forum for research into the whole problematic area.

In this updated edition of *The Tarot Handbook*, now with a new introduction by the author, Angeles Arrien takes tarot beyond the limits of the fortune-telling realm and shows us how this time-honored application is both a visual and symbolic map of consciousness, and a source of ancient wisdom. An exciting

handbook for either a beginning or an ardent student of the tarot, it contains a multitude of charts, spreads, illustrations of the Thoth Deck, and other methodology tools for anyone looking for insights into personal and spiritual development. An anthropologist who specializes in cross-cultural myths, Arrien demonstrates how the seventy-eight figures of the

tarot are portraitures and archetypes that are prevalent in the collective human experience. The author teaches us to use this realization to look beyond our cultural viewpoint or bias when we approach the tarot, and to rely instead on these more important universal principles, thereby deepening the quality and accuracy of our interpretations and expanding our

<p>awareness of the human psyche. A significant and classic piece of tarot literature, The Tarot Handbook is both a required manual for teachers and students of the subject, and an accessible and fascinating exploration of cultural anthropology.</p> <p><u>Hermetic Definition:</u> <u>Poetry</u> Tredition Classics</p> <p>The central themes of The Whitewashing of the Yellow Badge are the attitudes,</p>	<p>behavior and actions of gentile towards Jew in postwar Germany. **The End of Days: Fundamentalism and the Struggle for the Temple Mount**

Vintage

In this provocative work, seasoned journalist Gershom Gorenberg portrays a deadly mix of religious extremism, violence, and Mideast politics, as expressed in

the struggle for the sacred center of Jerusalem. Known to Jews and Christians as the Temple Mount and to Muslims as the Noble Sanctuary, this thirty-five-acre enclosure at the southeast corner of Jerusalem's Old City is the most contested piece of real estate on earth. Here nationalism combines with fundamentalist faith in a volatile brew. Members of the world's three major monotheistic

faiths--  
 Judaism,  
 Christianity,  
 and Islam--  
 hold this spot  
 to be the key  
 to salvation as  
 they await the
