Twelve-year-old Karl (a friend of Achim's from the orphanage) is really strong but can't cope without his timid friend, who has been adopted by a nice couple and now lives far away. What's the use in being strong, thinks Karl, if you don't have anyone to protect? He is relentlessly teased by the other kids at school, so Karl starts beating them up and is eventually expelled. Spending time alone in his room, Karl daydreams about his father, who he believes is a

sea captain who has somehow lost Karl as a baby, but who will one day come and fetch him. But when Maria, who works at the orphanage, admits to Karl that she made up this story to soothe him when he was younger, he decides to run away from his teachers, his peers who tease him, and the people in his life who tell him lies. Thus he embarks on a journey to reach the ocean, become a sailor, and find his father. On his journey he meets the Tiny Ones, a tribe of adventurers and sailors not much bigger than Karl's little finger. They've lost their ship and would like to borrow the model ship Karl has brought with him on his escape. Karl is magically changed into one of the Tiny Ones and they set sail on an adventure to the Twelfth Continent. On a previous journey here, the children

of the Tiny Ones vanished while on a walk one evening. Now, with Karl's help, the Tiny Ones want to find their children again. Throughout his adventures, Karl not only finds the solution to an old riddle on the Twelfth Continent, but also discovers traces of his real father on this very peculiar island with more than one surprise in store for him and his fellow sailors. Full of wit and surprises, *The Secret of the Twelfth Continent* is sure to captivate children while reinforcing the importance of family and friendship. \_\_\_\_\_ The  
 brand-new official Minecraft novel is an

epic battle for survival! When humans enter the End, a pair of endermen must decide which side they're really on. For as long as they can remember, the twin endermen Fin and Mo have lived in the mysterious land of the End. On the outskirts of the great enderman city of Telos, they explore ancient ruins under the watchful gaze of the mighty ender dragon. They have everything they need in the end ship they call home, and know everything there is to know about their world—or so they think until the strangers from another dimension arrive. The invaders are called humans, and they've come to steal artifacts and slay the ender dragon. Fin and Mo are ready to protect their home from the trespassers, but when they come face-to-face with the humans, they discover

that they aren't as prepared for battle as they'd thought. Caught off guard, the twins are trapped in the middle of a war between the endermen and the humans, with the future of their home at stake. [Roblox Top Adventure Games](#) Hachette UK

Doctor Who: How to be a Time Lord - The Official Guide Random House Books for Young Readers

This book contains the collective knowledge of the Survivors - an underground group of Minecraft experts who've been around since the early days of Alpha. Written by the Chief - the leader of the group - it contains their most cunning plans and their most ingenious inventions. On the home front, you'll learn what kind of base best suits your needs, what to stock in your arsenal and how to protect your base with imaginative defensive features. Out

in the field you'll learn how to stalk your enemies, how to master the art of practical munitions and how to crush any opponent in hand-to-hand combat. The Chief also shares little-known tips for how to thrive in the Nether and End, and, once you're really confident, how to attempt a speed run to the End dimension. This is the definitive guide to survival in Minecraft from the experts who've lived to tell the tale. Study it carefully and you might just manage to stay alive as long as they have.
