Davis hated  
art; he  
thought the  
art world was  
pretentious  
and

superficial.  
Until that  
night in the  
gallery, art  
was only an  
investment to  
him –  
something  
that he could  
buy now and  
sell later for a  
profit. So he  
was  
completely

unprepared  
for the  
emotional  
punch he  
experienced  
when he  
looked at the  
paintings on  
the walls at  
this gallery.  
Within five  
minutes of  
walking in,  
he'd bought

the entire collection of the anonymous artist. Kate couldn't believe she let her friend talk her into showing her paintings. She'd always considered her art work to be private, simply an outlet for her own emotions. If her father ever found out that she painted, he would be disgusted with her. When she meets Davis Alfieri, those emotions take a dangerous, terrifying turn, releasing the pent up

passion she'd been pretending wasn't inside of her. The Secret Billionaires Series Padnovel Marissa must save her sister from a forced marriage and escape a terrible man. As a solution, she tries seducing the arrogant and irresistible Zeke Vaughn, which would force her father to disown her. Her plan, however, proves too much. When Zeke discovers the truth about

her father, he whisks her away, determined to protect her. Marissa is confused by Zeke's intentions and their relationship suffers without trust and honesty. Can she trust a man who keeps secrets? Zeke's hidden feelings and her father's situation only fuel her anger. This is the first in a two book series. Check out "The Billionaire's Secretive Enchantress" for the 2nd story in this series!

Zoe can't

DiAngelo had to earn Zoe's trust. He'd hurt her ten years ago, but it had been for her safety. His father, a Mafia boss, was still trying to drag him into the family business and didn't mind hurting Zoe, the only woman he'd ever cared about, to accomplish that goal. Now she needed his help, and he was going to use everything he had at his disposal to regain her trust and show her how good they

could be together. *The Billionaire's Blackmailed Mistress* Elizabeth Lennox Books LLC Darcy DiAngelo had two secret lives: one in the public eye, courting the paparazzi and dancing the night away with gorgeous men all over the globe, the other hiding from her Mafia boss father who would try and marry her off to the highest bidder. Neither was the true Darcy and she

longed to have the freedom to be herself. Billionaire businessman Sergei Anchova would not endure any insult to his family reputation. When his sister's fiancée disappears claiming to be in love with the party girl Darcy DiAngelo, the issue must be resolved. Bringing the glamor girl to a private island while he searched for the missing fiancée was

not only expedient, but perhaps he could teach the woman how to be a productive member of society during her stay. But Darcy taught Sergei the meaning of the words love and passion. She also showed him he shouldn't believe everything he read in the tabloids and that the world really could be a bit less mercenary if he chose to look for the good in people.

**Deal** Kst Publishing Incorporated Dante Liakos had yet another challenge to overcome in securing his business empire's future, but this one was much more personal in nature - the need for a wife and an heir. Without them, he could lose control of the empire he had worked so hard to rebuild and expand. However, as he had found so many times before, turning a challenge into

a success was about recognizing the right opportunity and acting upon it decisively. In Jayden Hart, he saw such an opportunity, enclosed in the rare combination of innocence, beauty and brilliance - a combination he couldn't resist despite his attempts to remain aloof from the relationship! Normally poised and self-assured, Jayden's world had taken an alarming turn. What initially

had seemed like a nuisance was quickly becoming a significant threat to her business, her family, and her whole way of life! And she had no idea how to avoid catastrophe. Dante's suggested solution presented a potential lifeline, but with what strings attached? Would the solution be worse than the crisis that had required it? And how was she to avoid falling in

love with her secret husband?
