The Angel

Pan Macmillan
The best snow
day book
since Ezra
Jack Keats's
THE SNOWY
DAY... A young
rabbit wakes
up to
wonderful
news: A snow
day! School is
canceled, and
the day that
follows is rich
with the
magic and
delight of the
falling snow.
And yet there
is longing too,
as the young
rabbit and his
mother wait
for news of his
father,

grounded on a
plane in a
faraway city....
The news that
his father will
be home
tomorrow
gives the book
a peaceful,
comforting,
and perfect
ending.

When a child dies, an angel comes to find them and bring them to heaven and they take with them some flowers so that they can bloom again above. But, this time, when the angel came, he stayed on earth longer than usual and, in this story, Hans Christian Andersen tells us why. Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his

most cherished fairy tales include "The Emperor's New Clothes", "The Little Mermaid", "The Nightingale", "The Steadfast Tin Soldier", "The Snow Queen", "The Ugly Duckling" and "The Little Match Girl". His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to

stage and screen countless times, most notably by Disney with the animated films "The Little Mermaid" in 1989 and "Frozen", which is loosely based on "The Snow Queen", in 2013. Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day. Folklore of the North American Indians Chronicle

Timeskipper

sees and foresees the epochal events of his era from postwar reconstruction to the birth of television-- from the golden age of rock'n'roll to the revolutionary sixties and the turbulent seventies. These events are tenderly offset by his own private experiences: his first love, his first job, leaving home, hilariously wild adventures with oddball acquaintances . This vibrant fictional

character is the repository of our collective experience. His is the story of our time, an era of momentous change. A moving and inventive satiric tale in which imagination defies corruption and conformity, in which the innocence of yesteryear comes face-to-face with the moral aridity of today's money-obsessed society, Timeskipper is one of Stefano Benni's most touching and

enduring creations. Colored by Benni's trademark linguistic inventiveness and irresistible humor, this is a coming-of-age story with a difference.

Little Goose's Autumn is a second stunning story from an exciting picture book pairing and the uplifting tale of a lively young goose finding her place in the world. As summer fades to autumn, a lively young goose feels a change in the air and senses she has something important to do – but what? The beavers are chopping wood, the squirrels are storing nuts in the ground and the bears are busy

building a den. The plucky little goose tries to join in, but without great success. She realizes her wings weren't built for chopping wood, or burying food, or building a den, but they were built for something magnificent – they were built for flight . . . A beautiful, lyrical and hopeful story about finding your wings and your place in the world. Written by star picture book author, Elli Woollard with wonderful

illustrations by rising talent, Briony May Smith, whose artwork brings an autumnal landscape of mountains and forests to life with truly breathtaking beauty.

s remarkable and singular career. Nearing the end of his life, Baron Bela Wenckheim decides to return to the provincial Hungarian town of his birth. Having escaped from his many casino debts in Buenos Aires, where he was living in exile, he wishes to be reunited with his high-school sweetheart Marika. What follows is an endless storm of gossip, con men and local politicians, vividly

evoking the small town's alternately drab and absurd existence. Spectacular actions are staged, death and the abyss loom, until finally doom is brought down on the unsuspecting residents of the town. 'I've said a thousand times that I always wanted to write just one book. Now, with this novel, I can prove that I really wrote just one book in my life. This is the book - Satantango,

Melancholy, War & War, and Baron. This is my one book.' László Krasnahorkai
Attention and Avoidance
 This classic psychological case study focuses on one talkative child's emerging ability to use language, her capacity for understanding , for imagining, and for making inferences and solving problems. In wide-ranging essays, scholars offer multifaceted linguistic and
