'Dean's journey from the Special Boat Service to intrepid adventurer is truly inspirational.' - Sir Ranulph Fiennes 'An extraordinary tale of courage and adventure. Dean's story is inspirational.' - Levison Wood 'Dean's relentless determination to help those who face many mental health battles is incredible and admirable - he's a hero to many.' - Bear Grylls For readers of Ant Middleton, Jason Fox, Brian Wood, Bear Grylls and Billy Billingham comes the extraordinary, inspirational story of Special Boat Service soldier and adventurer Dean Stott. Everybody has heard the SAS motto that who dares wins, but special forces warrior Dean Stott also lives his life by another powerful mantra - that of the relentless pursuit of excellence. In 16 years of service, Dean rose to the top of Britain's fighting force, taking part of some of the most daring and dangerous operations in the war on terror, and then in the private security force, where missions included him singlehandedly evacuating the Canadian Embassy in Libya. But then, following a horrific parachuting accident, Dean's dream career was cut short, and his ethos was put to its toughest test. Just like the day when Dean's dad said that he could never make it as a soldier, Dean's doctors told him that he would never again perform at the elite level. To put it mildly, Dean disagreed, but even those that knew him were staggered by the mission that he set himself - the man who didn't own a bike would cycle the Pan American Highway, a 14,000 mile route that stretches from Argentina to Alaska, passing through some of the most dangerous countries in the world. A passionate mental health campaigner, Dean decided to up the stakes further by setting himself the task of raising a million pounds for charity. With two world records also in his sights, the stage was set for Dean to rediscover the tenacity, bravery, and downright doggedness that saw him rise to the top of the Special Forces. The final curveball arrived in the shape of a wedding invitation from his old friend Prince Harry - would he make it back in time for the royal wedding, or at all? Dean Stott is Relentless, and this is his story.

A shocking and hopeful account of one woman's extraordinary courage to face her past and embrace truth in order to help others find hope and healing In *The Relentless Courage of a Scared Child*, Tana Amen shares her incredible story of transformation—of growing up in poverty, a bullied latch-key kid raised on sugary cereal and junk food, to becoming a world-renowned food and fitness expert. Her challenging past of neglect, poverty, sexual abuse, thyroid cancer, and bouts of anxiety and depression set her on a path to find healing. Through her remarkable journey, we see more clearly the light that can shine through our own broken places and ultimately heal us: body, mind, and soul. At once tragic and heartwarming, Tana's story integrates cutting-edge psychology and proven wellness techniques from the Amen Clinics in a moving exploration of the healing available to each one of us, no matter the pain in our past. "What a journey! With in-your-face honesty, Tana reveals how she was able to turn her pain into purpose. For anyone who has been faced with unspeakable loss, this message is so important." —Jay Shetty, #1 New York Times bestselling author of *Think Like a Monk*, storyteller, purpose coach, and former monk

*The Old Man and the Sea* Karen Lynch

This inaugural account, during the onset of the Global War on Terrorism, by a female National Guard soldier provides evidence of the vitality of female fighters. It pays tribute to the two soldiers in her unit that lost their lives, and shows how love can be more vital in the desert than in water. This story

exposes the comradeship, intimacy, cowardice and humor of soldiers living in physical and emotional grit. Through the candid telling of her encounters with battle buddies, the Iraqi people and enemy prisoners of war, Hikiji adds the timely, unexpected and fresh perspective about the Iraq war that readers are thirsting for.

**Smolensk 1943** Karen Lynch

Monumental epic poem tells the heroic story of Aeneas, a Trojan who escaped the burning ruins of Troy to found Lavinium, the parent city of Rome, in the west.

Sara Grey is done hiding and done being afraid. The Master thinks he has her running scared, but she's taking matters into her own hands and taking her life back. With the help of her friends, she sets out to find the one person who can answer her questions about her past, and who may be able to lead them to the Master. On her journey, Sara faces new challenges and dangers, and learns that the world of good and evil is not as clear cut as she had believed. She makes new friends, unexpected allies, and reconnects with people from her past. As her powers continue to change and grow, she transforms from a struggling girl into a strong young warrior. But at what cost? How much is Sara willing to sacrifice in her need for independence and her quest for the truth? And will her newfound strength be enough to save her and the people she loves when she finally comes face-to-face with her powerful nemesis? Nothing could have prepared her for what is to come, and it will take everything in her to survive the final test of courage and love.

With the German defeat at Kursk, the Soviet Stavka (high command) ordered the Western and Kalinin Fronts to launch Operation Suvorov in order to liberate the city of Smolensk. The Germans had held this city for two years and Heeresgruppe Mitte's (Army Group Centre) 4. Armeekorps had heavily fortified the region. The Soviet offensive began in August 1943 and they quickly realized that the German defences were exceedingly tough and that the Western Front had not prepared adequately for an extended offensive. Consequently, the Soviets were forced to pause their offensive after only two weeks, in order to replenish their combat forces and then begin again. The German 4. Armeekorps was commanded by Generaloberst Gotthard Heinrici, one of the Wehrmacht's top defensive experts. Although badly outnumbered, Heinrici's army gamely held off two Soviet fronts for seven weeks. Eventually, the 4. Armeekorps's front was finally broken and Smolensk was liberated on 25 September 1943. However, the Western Front was too exhausted to pursue Heinrici's defeated army, which retreated to the fortified cities of Vitebsk, Orsha and Mogilev; the 4. Armeekorps would hold these cities

until the destruction of Army Group Centre in June 1944. Operation Suvorov focuses on a major offensive that is virtually unknown in the West and which set the stage for the decisive defeat of Heeresgruppe Mitte in the next summer offensive.

NEW YORK TIMES BESTSELLER • Pierce Brown's relentlessly entertaining debut channels the excitement of *The Hunger Games* by Suzanne Collins and *Ender's Game* by Orson Scott Card. "Red Rising ascends above a crowded dystopian field."—USA Today ONE OF THE BEST BOOKS OF THE YEAR—Entertainment Weekly, BuzzFeed, Shelf Awareness "I live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet.

Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for *Red Rising* "[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes *The Hunger Games*, *Lord of the Flies*, and *Ender's Game*. . . [Red Rising] has everything it needs to become meteoric."—Entertainment Weekly "Ender, Katniss, and now Darrow."—Scott Sigler "Red Rising is a sophisticated vision. . . . Brown will find a devoted audience."—Richmond Times-Dispatch Don't miss any of Pierce Brown's *Red Rising* Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE • LIGHT BRINGER

**Musashi's Book of Five Rings** Simon and Schuster

Re•lent•less (ri lent/lis): an attitude or posture that is resolute, uncompromising, persistent, unyielding, constant, unstoppable, ruthless. The opposite of slacken, waver, or concede. If ever there was a need for followers of Jesus to be resolute in purpose, uncompromising for truth, persistent in faith, unyielding in hope, constant in love, and unstoppable in advancing the kingdom...it's now! God is ruthless in His love and pursuit of us; it's time for His Bride to reflect the same passion. John Bevere explores how people of Bible times and today became relentless: John the Baptist spent years living in a barren desert. Jesus endured hardship in a desolate wilderness of temptation. Both men emerged strong in the "power of the Spirit," relentless in not just getting through challenges but in ruling over their circumstances. Ultimately, they succeeded in their God-given life mission. In *Relentless*, you'll learn how even seemingly impossible situations were never meant to stop you but to propel you forward in your journey. Discover in these biblically grounded truths how you can thrive no matter what your season of life. How you begin is not nearly as important as how you finish. Embrace your trials and become relentless! Questions for reflection and discussion included!

This classic interpretation of Miyamoto Musashi's famous *Book of Five Rings* is intended specifically for the martial artist--as Miyamoto Musashi originally intended. It explains the underlying truths necessary for a full understanding of Musashi's message for warriors. The result is an enthralling

book on martial strategy that combines the instincts of the warrior with the philosophies of Zen Buddhism, Shintoism, Confucianism and Taoism. It is a crucial book for every martial artist to read and understand. Like the original, this classic book of strategy is divided into five sections. The *Book of Earth* lays the groundwork for anyone wishing to understand Musashi's teachings; the *Book of Water* explains the warrior's approach to strategy; the *Book of Fire* teaches fundamental fighting techniques based on the Earth and Water principles; the *Book of Wind* describes differences between Musashi's own martial style and the styles of other fighting schools; while the *Book of Nothing* describes the "way of nature" as understood through an "unthinking" existing preconception. Famed martial artist and bestselling author Stephen Kaufman has translated this classic without the usual academic or commercial bias, driving straight into the heart of Musashi's martial teachings and interpreting them for his fellow martial artists. The result is an enthralling combination of warrior wisdom and philosophical truths that Musashi offered to other warriors who wished to master the martial way of bushido.

With a postscript describing SEAL efforts in Afghanistan, *The Warrior Elite* takes you into the toughest, longest, and most relentless military training in the world. What does it take to become a Navy SEAL? What makes talented, intelligent young men volunteer for physical punishment, cold water, and days without sleep? In *The Warrior Elite*, former Navy SEAL Dick Couch documents the process that transforms young men into warriors. SEAL training is the distillation of the human spirit, a tradition-bound ordeal that seeks to find men with character, courage, and the burning desire to win at all costs, men who would rather die than quit.
