ALEXIS GRANT

Les mystères de Londres ou Les gentilshommes de la nuit Cambridge University Press

This book charts the evolution of metaphysics since Descartes and provides a compelling case for why metaphysics matters.

Concordance entre les codes civils étrangers et le Code Napoléon Springer
Vols. for 1963- include as pt. 2 of the Jan. issue: Medical subject headings.

The Origin of the Distinction of Ranks Or, An Inquiry Into the Circumstances which Give Rise to Influence and Authority, in the Different Members of Society Getty Publications

Andrew Ashworth expertly examines the key issues in English sentencing policy and practice including the mechanisms for producing sentencing guidelines. He considers the most high-profile stages in the criminal justice process such as the Court of Appeal's approach to the custody threshold, the framework for the sentencing of young offenders and the abiding problems of previous convictions in sentencing. Taking into account the Criminal Justice and Immigration Act 2008 and the Coroners and Justice Act 2009, the book's inter-disciplinary approach places the legislation and guidelines on sentencing in the context of criminological research, statistical trends and theories of punishment. By

examining the law in relation to elements of the wider criminal justice system, including the prison and probation services, students gain a rounded perspective on the relevant principles and problems of sentencing and criminal justice.

(647 p.) BoD - Books on Demand
With contributions from world-class specialists this first book-length work looks at translation issues in forensic linguistics, where accuracy and cultural understandings play a prominent part in the legal process.

Histoire ecclesiastique Cambridge University Press

In this engrossing book, Hollis Clayson provides the first description and analysis of French artistic interest in women prostitutes, examining how the subject was treated in the art of the 1870s and 1880s by such avant-garde painters as Cézanne, Degas, Manet, and Renoir, as well as by the academic and low-brow painters who were their contemporaries. Clayson not only illuminates the imagery of prostitution-with its contradictory connotations of disgust and fascination-but also tackles the issues and problems relevant to women and men in a patriarchal society. She discusses the conspicuous sexual commerce during this era and the resulting public panic about the deterioration of social life and civilized mores. She describes the system that evolved out of regulating prostitutes and the subsequent rise of clandestine prostitutes who escaped police

regulation and who were condemned both for blurring social boundaries and for spreading sexual licentiousness among their moral and social superiors. Clayson argues that the subject of covert prostitution was especially attractive to vanguard painters because it exemplified the commercialization and the ambiguity of modern life.

Benedict on Admiralty Cambridge University Press

Reprint of the original, first published in 1870.

La sainte Bible, qui contient l'Ancien et le Nouveau Testament, c'est à dire l'ancienne et la nouvelle Alliance

First to ninth reports, 1870-1883/84, with appendices giving reports on unpublished manuscripts in private collections; Appendices after v. [15a] pt. 10 issued without general title.

Romans relatifs a l'Histoire de France aux 15e et 16e siècles
