Ghostbusters: P.K.E.

Meter Alison Green Books

From the same series that produced the classic and beloved novel, *Call of the Wild*, Jack London's Jerry of the Islands

accompanies the other Jack London stories that portray dog protagonists.

Born on the Santa Isabelle Island, Jerry, an Irish terrier, belongs to a slave owner named Mr. Haggin.

On the plantation, Jerry is responsible for chasing the slaves, as ordered by Mr. Haggin. He is content on the plantation, but when Captain Van Horn comes into town, Mr. Haggin gives Jerry to him to accompany him on his ship.

Especially fond of Captain Van Horn, Jerry is happy to join the sailing endeavor. However, when the ship is attacked, tragedy strikes, and Jerry is thrown into the sea.

After being saved by a native boy and brought to a village, Jerry recovers from the attack and begins a new life there.

When the village chief takes a special interest in him, Jerry is given a special status, protecting him from harm. But, when Agno, a local sorcerer,

reveals his gruesome plans for Jerry, his new home is threatened once again. Facing high stakes of sacrifice and losing a home, Jerry must fight for his safety to survive on the Solomon Islands. With a setting inspired by Jack London's own travels, Jerry of the Islands employs rich description that allows readers to feel as if they are a part of the story. With the unique dog protagonist, Jerry of the Islands is charming and offbeat, providing a fresh and interesting perspective on the colonial south Pacific. Through the observations and thoughts of a dog with many owners, London's novel convincingly portrays the projected racism that is able to be trained into pets. Under a new and modern cultural lens, readers are able to recognize these inadvertent themes and compare them to contemporary society. Now presented with a stunning new cover and reprinted in an easy-to-read font, this edition of *Jerry of the Islands* by Jack London is both modern and accessible, perfect for readers in search of an adventure with a unique perspective.

Hundreds of ladybugs--red, orange, brown, yellow, and black--race across the pages of this book, each one hoping to be the first to cross the finish line! It's harder than you might think. Will the winner be the fastest? Or the kindest? Maybe there will be more than one winner. What does it mean to win, anyway?

Ladybugs don't speak our language, so there are no words to this story. Just pictures. Turn the pages and watch the bugs compete in this

surprisingly exciting race.

Those long summer days and weekends spent with our best friends can be among the happiest memories of childhood. But the art of making friends isn't a skill that is taught in most schools. Teaching children how to be good friends and cultivate healthy friendships is the work of parents, teachers, coaches, ministers, and caring adults. In *How to Be a Friend: A Book about Friendship . . . Just for Me!*, author, Molly Wigand, introduces children to those values that make for good friendships—loyalty, trust, and honesty—and to how they can become a good friend to others.

A good story can change. In *The Girl in Red*, acclaimed illustrator Roberto Innocenti offers a modern take on the centuries-old tale of an ailing grandmother, a wicked wolf, and a young girl in a red coat. Innocenti's brilliantly detailed illustrations present a city as a wilderness, while text by Aaron Frisch narrates the journey of a girl named Sophia through the twists and turns of a stormy day. *The Right Place* Scholastic Inc.

A boy is leaving for a mysterious journey that will take him to explore far away places. The only words describing these places, in this almost wordless book, are those of the maps that he draws. These fantastic and evocative places express all the shades of emotions from hope to fear, from wonder to sadness, to finally to love. An unprecedented and highly original itinerary

with a story of friendship and great adventure plays out in graphic-novel form that unfolds on the pages between the maps. Highly visual illustrations provide an incentive for children to explore their emotions and create their own new maps for emotional discovery.

Telephone Tales

One boy's journey to help his village becomes a quest to save the kingdom. Features a fearsome new beast in every book! A mysterious force has been creeping over the plains of Avantia. The animals are stampeding, and brush fires sweep the prairie. The farmers are spooked--whispers of a mysterious horseman are spreading as fast as the stampedes. And now that someone has disappeared on a cattle drive, suspicion runs high. Tom and Elenna speed to the plains to stop Tagus the Night Mare before he can do any more damage. But Tom ends up in the wrong place at the wrong time and is mistakenly thrown in jail. Can he win the trust of the people--and his own freedom--before it's too late to stop Tagus?

Tagus the Night Horse (Beast Quest #4)

Graphic Arts Books
From the intriguing mind behind Codex Seraphinianus comes this beautifully illustrated tribute to the famed Neapolitan character Pulcinella (or "Punch" as he is referred to in English). This short monograph on Pulcinella is conceived as an extension of the Codex Seraphinianus, an encyclopedia filled with variations and fantasies on a theme.
Pulcinellopaedia Seraphiniana contains

over one hundred extraordinary graphite illustrations with scarlet accents, some of which are depicted in comic-strip style. Conceived as a musical Suite, it is divided into nine scenes with an intermission. It features the oddly surreal and globally recognized character, whose origins have been lost in the mists of the time. An ancestor of Pulcinella was certainly Maccus, the protagonist of the Atellanae Fabulae, very popular farces in ancient Rome, but it was in the early seventeenth-century that the character assumed the name and costume that we all know. Distinguished by a long nose and typically dressed in white with a black mask, Pulcinella is often depicted in various kinds of misadventures and singing about love, hunger, and money. As he famously did in the Codex, Luigi Serafini, has created Pulcinellopaedia Seraphiniana in a unique language all its own, and has filled it with fascinating and mysterious illustrations that will no doubt prompt devotees to obsessively try to decipher the artist's intention. Written by Serafini's imaginative coauthor and alter ego "P.

Cetrulo," who represents Pulcinella himself, the book artfully presents the struggles of a rebellious antihero who must come to grips with the challenges of everyday life. Originally, a book about Pulcinella and his world appeared in 1984, after Serafini's involvement with the 1982 Carnival of Venice, the first revival of the famous festivity after two centuries of silence. Now more than three decades later, this new edition has been extensively revised and includes a new afterword by the author. Like its predecessor, the original edition became immensely sought after and highly valuable, fetching more than one thousand dollars if book collectors were lucky enough to get their hands on a copy. All fans of Serafini's work will treasure this volume. Rizzoli will also publish a deluxe limited edition with a signed and numbered print.

Lucas was convinced he was born to fly. He spent hours watching birds and airplanes in flight and tried to design his own sets of wings -- many times. But each time they failed. He wrote letters to Santa, pleading for help, but was disappointed with the toy wings and capes he received. Then one day, something magical happened, without him even knowing it. His mother put a book in his hands -- and Lucas began to fly. And fly. And fly. Both a delightful story and a celebration of the wonder of books and their power to transport us to places beyond our imagination. Ages 4 to 8. Hardcover picture book with dust jacket. Full color throughout. 42 pages. 8-3/4 inches wide by 11-3/4 inches high. Rocio Bonilla was born in Barcelona, Spain, and received her Bachelor of Fine Arts degree from the University of Barcelona.

She has worked as a photographer, painter, and teacher, and now spends most of her time illustrating books and painting children's murals. As a mother of three, she is continually fascinated by the unique and extraordinary universes that children create, as well as their enormous willingness and generosity to share them with others. *The Citadel of Chaos* Kings Road Publishing
