FRIDA HAILIE

Mrs Funnybones Quiver Books

Drawing on recent theories of virtuality, performativity, and governmentality, and on post-colonial activist scholarship, this book presents a series of ethnographic and archival studies of what Mukhopadhyay terms "vernacular globalization" in India. The book's six provocative chapters cover a wide range

of events, objects, histories, narratives and episodes with the intent of interrogating what Franz Fanon called the "zone of occult instability where the people dwell." They span subjects as diverse as the quotidian commodity fetishism of rural cargo cults which thrive on bazaar rumours about Chinese dumping in Communist Calcutta; desi cyberporn showcasing "fat aunties" and Gandhi; Indo-Persian travelogues about England and women's travel narratives to Japan, embodying local traditions of cosmopolitanism; folk scroll paintings

about 9/11 in the art historical mode; and vernacular civic traditions of urbanism as interpreted through grotty slum photographs. The Rumour of Globalization presents facades of vernacular India negotiating globalising forces through a distinctive style of ethnography (fabulation) which is sensitive to subaltern political aspirations while maintaining a broad commitment to Marxist theory, Subaltern Studies scholarship and post-structuralist theory.

Asking For It Henry Holt and Company (BYR)

Indian social media is awash with right-wing trolls who incite online communal tension and abuse anyone who questions them. But who are they? How are they organized? In this explosive investigation, conducted over two years, Swati Chaturvedi finally lifts the veil over this murky subject

Home Body Oxford University Press, USA

I'm proud to state that 10% of the proceeds will be shared with Snehasadan, an orphanage in Mumbai, India. I initially wrote this book for my nephew to understand Indian festivals. My friends and family suggested I turn it into a real book since it would be fun for kids all around the world to learn about the wide variety of festivals celebrated in India. This is my first time publishing. I hope you and your preschooler enjoy reading this book as much as my illustrator and I enjoyed putting this together.

Timepass Simon and Schuster

On 1 October 2001, 29 people were killed at the hands of the Jaish-e-Mohammed in a terrorist attack outside the Jammu and Kashmir Assembly. India's immediate reaction was to insist that unless the US was able to rein in Pakistan, it would be

forced to take matters into its own hands, which might be a setback to the US-waged Operation Enduring Freedom in Afghanistan. While President Musharraf immediately complied by condemning the act as one of terrorism, the Talibanised militants attacked the Indian Parliament on 13 December 2001. Enraged, the Government of India launched Operation Parakram, an operation that ordered the general mobilisation of the army for war on 18 December 2001. When Operation Parakram was called off on 16 October 2002 without meeting its professed objectives, it left many questions unanswered. - Why was Operation Parakram launched? - What were the military and political objectives? - Was the political leadership at all serious about the war? - What role did international pressure play in weakening the government's resolve? - At what stage did the government decide to opt out? - What did the military feel about this decision? - Does Operation Parakram have a future? Written by the perfect combination of a senior army officer and a journalist specialising in defence strategy, this important book answers these questions.

It traces the changing pattern of militancy in Jammu and Kashmir and discusses both the military and political aspects of the Operation. The bottomline, say the authors, is that a war has yet to be fought, and Operation Parakram is not over. Sita SAGE Publications Pvt. Limited (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

Whether you're interested in trying something just a little different or are ready for an advanced acrobatic position, 365 Sex Moves has it all. With this sexy little guide, you'll never know what the day—or night—will bring.

Driven Taylor & Francis

The 1962 blockbuster that took on "one of

the most absurd (if universal) myths of our time: that every girl must be married" (The New York Times). Helen Gurley Brown, the iconic editor in chief of *Cosmopolitan* for thirty-two years, is considered one of the most influential figures of Second Wave feminism. Her first book sold millions of copies, became a cultural phenomenon, and ushered in a whole new way of thinking about work, men, and life. Feisty, fun, and totally frank, *Sex and the Single Girl* offers advice to unmarried women that is as relevant today as it was when it burst onto the scene in the 1960s. This spirited manifesto puts women—and what they want—first. It captures the exuberance, optimism, and independence that have influenced the lives of so many contemporary American women.

Rumor of Globalization Open Road Media

The Curly Girl Blues is a story about a young girl named Emma who admires everyone's hairstyles but her own. She decides to head to a local fair to get inspiration for a new hairdo. Once she arrives, and with the help of her friends, community and a hair stylist, Emma

discovers the beauty of her own hair. *Hema Malini* Harper Collins
The New York Times Bestseller Peggy Orenstein broke ground with her bestselling *Girls & Sex*, exploring young women's right to pleasure and agency in sexual encounters. Now she turns her focus to boys with an examination of how young men are navigating sexual culture in these changing times - and what we need to do help them. Drawing on comprehensive interviews with young men, psychologists and experts in the field, *Boys & Sex* dissects 'locker room talk'; pornography as the new sex education; the role of empathy; boys' understanding of hookup culture and consent; and their experience as both perpetrators and victims of sexual assault. By presenting young men's experience in all its complexity, Orenstein unravels the hidden truths, hard lessons and important realities of young male sexuality in today's world. The result is a provocative and paradigm-shifting work that offers a much-needed vision of how boys can truly move forward as better men.

Sex and the Single Girl Hal Leonard Corporation

Lola Durand hates her stepmother. It's a cliché but it's true. Lola Durand can't get through to her father. He never wants to talk about the things that matter: why they had to move to Paris, why he had to marry evil Agatha, and how they can get through the heartache of her mother's death together. If he won't listen, she'll show him. She'll show him the truth about his new wife and then her life can go back to normal, just the way she likes it. Lola Durand knows a secret about her stepmother. She's going to share it.

The Curly Girl Blues Simon and Schuster

What makes Piyush Pandey an extraordinary advertising man, friend, partner and leader of men? How does he manage to exude childlike enthusiasm, and bring such deep commitment to his work? You've seen most of the things that Piyush Pandey has seen in his life. You've seen cobblers, carpenters, cricketers, trains, villages, towns and cities. What makes Piyush different is the perspective from which he views the same things you've seen, his ability to store all that he sees into some recesses of his brain and then retrieve them at short notice when he needs to. That ability combined with his

love, passion and understanding of advertising and of consumers make him the master storyteller that he is. In *Pandeymonium*, Piyush talks about his influences, right from his childhood in Jaipur and being a Ranji cricketer, to his philosophy, failures and lessons in advertising in particular and life in general. Lucid, inspiring and unputdownable, this memoir gives you an inside peek into the mind and creative genius of the man who defines advertising in India.

How to Be a Bawse Hachette UK

Rupi Kaur performs the first-ever recording of the sun and her flowers, her second #1 New York Times bestselling collection of poetry and prose. This production was recorded in 2021 along with the brand-new audio edition of *milk and honey* and the debut audio recording of *home body*. Divided into five chapters, this volume is a journey through the life cycle of wilting, falling, rooting, rising, and blooming. It is a celebration of love in all its forms.

Desi Land Macmillan + ORM

India might not admit it, but should it find itself involved in a border war with China it will lose. Apart from superior military power, close coordination between the political leadership and the military and the ability to take quick decisions, China has potent anti-satellite and cyber warfare capabilities. Even more shockingly, regardless of popular opinion, India today is not even in a position to win a war against Pakistan. This has nothing to do with Pakistan's nuclear weapons. It is because while India has been focused on building military force (troops and materiel needed to wage war) Pakistan has built military power (learning how to optimally utilize its military force). In this lies the difference between losing and winning. Far from being the strong Asian power of its perception, India could find itself extremely vulnerable to the hostility of its powerful neighbors. In *Dragon On Our Doorstep*, Pravin Sawhney and Ghazala Wahab analyse the geopolitics of the region and the military strategies of the three Asian countries to tell us exactly why India is in this precarious position and how it can transform itself through deft strategy into a leading power.

For Holly Oxford University Press, USA
Full of wit and delicious observations, Mrs Funnybones captures the life of the modern Indian woman a woman who organizes dinner each evening after having been at work all day, who runs her own life but has to listen to her mummyji, who worries about her weight and the state of the country. Based on Twinkle Khanna's super-hit column, Mrs Funnybones marks the debut of one of our funniest, most original voices.

Confessions of a Scary Mommy
Hachette UK

Winner of the 2017 Goodreads Choice Awards: Non-Fiction Book of the Year!

The official debut book from YouTube phenomenon Lilly Singh. 'The ultimate no-nonsense manual for millennials how how to make it to the top' Marie Claire From actress, comedian and YouTube sensation Lilly Singh (aka Superwoman) comes the definitive guide to being a BAWSE - a person who exudes confidence, reaches goals, gets hurt efficiently, and smiles genuinely because they've fought through it all and made it out the other side. Told in her hilarious, bold voice that's inspired over 9 million fans, and using stories from

her own life to illustrate her message, Lilly proves that there are no shortcuts to success. **WARNING:** This book does NOT include hopeful thoughts, lucky charms, and cute quotes. That's because success, happiness and everything else you want in life needs to be fought for - not wished for. In Lilly's world, there are no escalators. Only stairs.

Be A Triangle Penguin Books India

A young woman can't help but be drawn to racing's bad boy in this steamy Formula 1 romance.

Drink to That All Night Abrams

Desi Land is Shalini Shankar's lively ethnographic account of South Asian American teen culture during the Silicon Valley dot-com boom. Shankar focuses on how South Asian Americans, or "Desis," define and manage what it means to be successful in a place brimming with the promise of technology. Between 1999 and 2001 Shankar spent many months "kickin' it" with Desi teenagers at three Silicon Valley high schools, and she has since followed their lives and stories. The diverse high-school students who populate Desi Land are Muslims, Hindus, Christians, and Sikhs, from South Asia and other

locations; they include first- to fourth-generation immigrants whose parents' careers vary from assembly-line workers to engineers and CEOs. By analyzing how Desi teens' conceptions and realizations of success are influenced by community values, cultural practices, language use, and material culture, she offers a nuanced portrait of diasporic formations in a transforming urban region. Whether discussing instant messaging or arranged marriages, Desi bling or the pressures of the model minority myth, Shankar foregrounds the teens' voices, perspectives, and stories. She investigates how Desi teens interact with dialogue and songs from Bollywood films as well as how they use their heritage language in ways that inform local meanings of ethnicity while they also connect to a broader South Asian diasporic consciousness. She analyzes how teens negotiate rules about dating and reconcile them with their longer-term desire to become adult members of their communities. In Desi Land Shankar not only shows how Desi teens of different socioeconomic backgrounds are differently able to succeed in Silicon Valley schools and

economies but also how such variance affects meanings of race, class, and community for South Asian Americans.

Mughul India 1504-1761 Headline

Babur, the founder of the Mughul dynasty, was of Turco-Mongol origin - he was descended from Timur-i-Lenk [Tamerlane] on his father's side and Genghiz Khan on his mother's. His first raid into India in 1516 was followed by several others, and by the time of his death in 1530 Babur's troops had reached Bengal on the far side of the sub-continent. With eight fine full page colour plates by Angus McBride, and many other illustrations, this text by David Nicolle examines the organisation, tactics and uniforms of Mughul armies from Babur's time onwards.

Amritlal Sheth HarperCollins

India, 3400 BCE. India is beset with divisions, resentment and poverty. The people hate their rulers. They despise their corrupt and selfish elite. Chaos is just one spark away. Outsiders exploit these divisions. Raavan, the demon king of Lanka, grows increasingly powerful, sinking his fangs deeper into the hapless Sapt Sindhu. Two powerful tribes, the protectors of the divine land of India,

decide that enough is enough. A saviour is needed. They begin their search. An abandoned baby is found in a field. Protected by a vulture from a pack of murderous wolves. She is adopted by the

ruler of Mithila, a powerless kingdom, ignored by all. Nobody believes this child will amount to much. But they are wrong. For she is no ordinary girl. She is Sita. Continue the epic journey with Amish's latest: A thrilling adventure that chronicles

the rise of an orphan, who became the prime minister. And then, a Goddess. This is the second book in the Ram Chandra Series. A sequel that takes you back. Back before the beginning.
