DEMARION KAISER

Railway News, Finance and Joint-stock Companies' Journal Hachette UK

This portrait of a fascinating era in London's history will be of interest to all those who remember the 1980s or know London well.

The British Magazine and Monthly Register

of Religious and Ecclesiastical Information, Parochial History, and Documents Respecting the State of the Poor, Progress of Education, Etc Lloyd's Register

'Graham Stewart has done a terrific job. His book brings the decade vividly to life and convincingly places it in perspective... Excellent' -- Toby Young, Mail on Sunday
Britain in the 1980s was a polarized nation. Determined to take the country in a radically different direction was the most dominant, commanding and controversial

leader of her age, Margaret Thatcher. With the two main political parties as far apart as at any time since the 1930s, the period was riven by violent confrontation, beginning with the explosion of rioting that rocked England's cities in 1981 and again in 1985; a year-long fight with the National Union of Mineworkers, and then with print workers in Wapping. There was the war to retake the Falkland Islands and the re-escalation of the troubles in Northern Ireland, which began with hunger strikes

and peaked with the attempt to assassinate the entire Cabinet in the Brighton bombing. It was also a decade of political innovation - in the life and death of the Social Democratic Party, the mass privatization of state-owned industries, the sale of council houses and the deregulation of financial markets - and cultural ferment, with the rise and fall of indie pop, the emergence of house music, Channel 4 and the growth of alternative comedy; and Prince Charles's interventions on architecture. Graham Stewart's magnificent and comprehensive history of the eighties covers all these events, and many more, with exhilarating verve and detail, and also examines the legacy of a decade that sowed the seeds of modern Britain.

Lloyd's Register of Shipping 1888

Lloyd's Register

In the 1980s Daniel Farson published *Soho in the Fifties*. This memoir is a sequel from the Eighties, a decade that saw the brilliant flowering of a daily tragi-comedy enacted in pubs like the Coach and Horses or the French and in drinking clubs like the Colony Room. These were places of constant conversation and regular rows

fuelled by alcohol. The cast was more improbable than any soap opera. Some were widely known - Jeffrey Bernard, Francis Bacon, Tom Baker or John Hurt. Just as important were the character actors: the Village Postmistress, the Red Baron, Granny Smith. The bite came from the underlying tragedy: lost spouses, lost jobs, pennilessness, homelessness and death. Christopher Howse recaptures the lost Soho he once knew as home, its cellar cafés and butchers' shops, its villains and its generosity. While it lasted, time in those smoky rooms always seemed to be half past ten, not long to closing time. As the author relates, he never laughed so much as he did in Soho in the Eighties.

Lloyd's Register of Shipping 1919 Sailing Vessels Lloyd's Register

The true story of London's toughest, deadliest street gangs: the events, the rules and the real top boys. Are the streets of London some of the deadliest in the world? What's the truth behind the headlines? And who are the real top boys? Looking beyond the hit TV series, *The Real Top Boys* reveals the lives of the street gangs who have taken over, and now rule, dozens of corners of the UK's capital. Bestselling true crime author Wensley Clarkson takes us on a tour of the housing estates and volatile neighbourhoods where pride, rivalry and revenge are the codes people live and die by. He talks to the criminals who have helped create this chilling modern-day underworld and recounts the vicious turf wars that changed the map, unravels the rules and rights of the streets, and charts the rise and fall of many of the game's key players over the decades that have transformed the city. Featuring interviews with real-life

gangsters and told in a gripping story that lays bare the hard life in this world, *The Real Top Boys* is the ultimate account of gang life in London and a jaw-dropping look at who really runs the streets.

The Vanity Fair Diaries: 1983-1992 Yale University Press

Nostalgia for the music, fashion, fads and style of Generation X is booming. Richard Evans presents the best of the decade that brought us Madonna, My Little Pony, Sinclair ZX computers, Margaret Thatcher, Flock of Seagulls, Duran Duran, Legwarmers, the Walkman, breakdancing, Knight Rider, Brat Pack movies, the Rubik's cube and countless other cultural icons that changed pop culture for ever. Beautifully illustrated, this ultimate time capsule of a book features new interviews with countless 80s bands and pop acts, it also reviews each year of the 80s; what was going on in music, fashion & fads, current affairs, sport, Film & TV, etc. Real-life memories will also be dotted throughout the book - contributions will come from among the thousands of fans of the author's massively popular 80s website RememberTheEighties.com, as well as many 80s stars.

St Martin of Tours is one of Christianity's major saints and his significance reaches far beyond the powerful radiance of his iconic act of charity. While the saint and his cult have been researched comprehensively in Germany and France, his cult in the British Isles proves to be fairly unexplored. Andre Mertens closes this gap for Anglo-Saxon England by editing all the age's surviving texts on the saint, including a commentary and translations. Moreover, Mertens looks beyond the horizon of the surviving body of literary relics and dedicates an introductory study to an analysis of the saint's cult in Anglo-Saxon England and his significance for Anglo-Saxon culture.

'Indiscreet, brilliantly observed, frequently hilarious' Evening Standard 'Hang on - it's a wild ride' Meryl Streep It's 1983. A young Englishwoman arrives in Manhattan on a mission. Summoned in the hope that she can save Condé Nast's troubled new flagship Vanity Fair, Tina Brown is plunged into the maelstrom of competitive New

York media. She survives the politics and the intrigue by a simple stratagem: succeeding. Here are the inside stories of the scoops and covers that sold millions: the Reagan kiss, the meltdown of Princess Diana's marriage to Prince Charles, the sensational Annie Leibovitz cover of a gloriously pregnant, naked Demi Moore. Written with dash and verve, the diary is also a sharply observed account of New York and London society. In its cinematic pages the drama, comedy and struggle of raising a family and running an 'it' magazine come to life.
