'A very clear account of this famous episode in history.' The Sunday Times The Jacobite uprising - a period of turmoil following the removal of James II, in favour of his daughter, Mary II and her husband William III. The following century would witness political plots, military conflict, acts of espionage and religious scheming to secure the throne of the United Kingdom for both James and his son, 'Bonnie Prince Charlie'. The Jacobite cause drew in allies and enemies, domestic and foreign. James, while exiled in both France and Italy, endures a life of boredom, repeated illness and loneliness as Charles breaks off contact. Funding, both Papal and French, is used up as efforts to return to rule culminate in defeat at Culloden. Frank McLynn has thoroughly researched this incredible period of history moving forward into the Hanoverian dynasty with careful assessment of all that Jacobitism stood for.

Frank McLynn is a British author, biographer, historian and journalist. He is noted for critically acclaimed biographies of Napoleon Bonaparte, Robert Louis Stevenson, Carl Jung, Richard Francis Burton and Henry Morton Stanley. He is also the author of *Fitzroy Maclean and Bipolar*, a novel about Roald Amundsen, published by Sharpe Books. Praise for Frank McLynn: 'Frank McLynn's achievement ... is to give Charles Edward a solidarity and three-dimensional reality that he usually lacks ... His account of the risings themselves is exemplary and he offers the best case yet for the nearness to success of the '45. What is usually seen as the last shiver of an anachronistic and romantic throwback emerges as a genuine alternative to Whiggery and the Act of Settlement.' Brian Morton, TES 'A broad canvas, dealing not only with sober historical truth but with the magic spell that either seduced or repelled Fielding, Sterne, Smollett, Burns, Scott, Borrow, Buchan, Stevenson and a hundred Irish poets...' Diarmaid O'Muirithe, Irish Independent 'A readable and fresh study ...

thoroughly researched.' Esmond Wright, Contemporary Review 'Valuable in covering the wide sweep of Scotland, England, Ireland and the Continent, and bringing together many diverse strands into a coherent whole. Its wide range and taut approach make it very useful.' Rennie McOwan, The Tablet 'Packed with fascinating detail.' Denis Hills, choosing his book of the year in the Spectator 'Fitzroy Maclean has found his Boswell in Frank McLynn.' Trevor Royle, Scotland on Sunday 'Most entertaining.' Richard West 'Important, timely and balanced.' Soldier Studies in Motivation Createspace Independent Publishing Platform Investigates the lives and fortunes of Renaissance humanists **Days Near Rome** Stanford University Press "The story of Wal-Mart Stores is the stuff of legends: in 1945 a poor boy from a poor state opens a variety store in a small town in rural Arkansas and, through hard work, ingenuity, and a commitment to providing customers with low-priced, high-quality merchandise, goes on to create the largest retail operation in the United

States. In just 30 years Sam Walton and his Wal-Mart Stores transformed mass merchandising and revolutionized the shopping habits and expectations of American consumers. Moreover, Walton himself - a modest, simple man devoted to family, community, and his employees and customers - so inspired the American people that he was awarded the Medal of Freedom. Upon his death in 1992 Walton left his family a fortune estimated at \$23.5 billion; that same year Wal-Mart Stores attained net sales of \$43.9 billion and had 1,720 Wal-Mart units operating in 39 states." "This fascinating history of a man and his enterprise is adroitly chronicled by Sandra S. Vance and Roy V. Scott in *Wal-Mart, the first scholarly study of Wal-Mart Stores and Sam Walton's remarkable career*. Organizing their material chronologically, the authors trace Walton's evolving entrepreneurial style and mounting achievements, consistently linking the character of the man to the innovations he produced - starting with a tiny Ben Franklin variety store in 1945 and progressing to Walton's 5

& 10, Walton's Family Centers, and finally Wal-Mart Stores in the ensuing decades. Readers gain a wealth of insights into the history of American retailing and reach a solid understanding of the elements contributing to Wal-Mart's success: the steadfast dedication to customer service, the sophisticated mechanisms for keeping overhead low, the company policies designed to engender loyalty from employees and customers alike. Given particular emphasis are the factors that led to Wal-Mart's 1990-91 victory over its chief rivals, K mart and Sears, in becoming the nation's leading retailer; also highlighted is the issue of Wal-Mart's impact on the communities it serves and the small businesses therein." "Wal-Mart will hold the interest of students and scholars, of retailing executives and general readers, from first page to last."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved *The Jacobites* St. Martin's Griffin All over Europe, newspaper articles and TV programmes increasingly report on sometimes dramatic cases of

workplace bullying. Unlike everyday conflicts at work, bullying is a long-lasting conflict where one person is systematically harassed by one or more colleagues or supervisors, resulting in severe damage to the victim's psychological and physical health. Research on workplace bullying started more than a decade ago but has increased during the last few years. This special issue on workplace bullying documents the most recent developments in research and practice in various European countries, and includes topics such as the role of personality in becoming a victim, bullying and the development of post-traumatic stress disorder (PTSD), conflict escalation and coping with bullying and the impact of organizational status on bullying behaviour. [The Tell El-Amarna Tablets in the British Museum with Autotype Facsimiles](#) Holmes & Meier Publishers Originally published in 1874 by Oxford University Press, this was the first attempt in English to expound the principles of Hebrew syntax on lines at once philosophical and scientific. This edition

adopts the third and final 1892 edition of Driver's classic work and includes a new introductory essay on the history of the Tenses and its enduring importance as a manual for today's students of Hebrew. Annotation copyright by Book News, Inc., Portland, OR
A Treatise on the Use of the Tenses in Hebrew and Some Other Syntactical Questions University of Michigan Press
 In this volume are collected all of the writings Moran devoted to the Amarna letters over more than four decades, including his doctoral dissertation, which has been one of the most widely cited unpublished works in ancient Near Eastern studies. A citation index makes Professor Moran's comments on individual texts readily accessible.

Jean Béraud, 1849-1935 Peter Lang Incorporated, International Academic Publishers

The topos of magic has fascinated people from antiquity to the present day. This study uses a thematic and structural approach to examine the various functions performed by magic in two important Renaissance epics,

Boiardo's Orlando innamorato and Ariosto's Orlando furioso. It breaks new ground by exploring the association of magic with the chaotic and irrational, as contrasted more or less strongly with order and reason. It also examines the poets' use of magic as a vehicle in the Renaissance dialectic between fortune and self-determination.

Translating Neruda Wm. B. Eerdmans Publishing
 As a true city man Jean Beraud tried with his pictures to capture the real vitality of urban life in Paris. He made portraits of elegant society ladies, but also of working-class women, pictures of folk dancing and absinthe drinkers in the bars and cafes.

Education in Kenya BRILL
 Two lost young Parisians discover new paths for their lives in this charming pair of novellas by the international-best-selling author of Billie. Twenty-four-year-old Mathilde has abandoned her studies in art history for a job leaving anonymous negative comments on websites. One day she loses her bag in a café—a bag that happens to contain ten thousand Euros. When an unknown man returns it to her a week later, Mathilde

becomes obsessed with the mysterious encounter. Twenty-six-year-old Yann works as a sales assistant in a home appliances store while he waits for better days to come. He wouldn't say he is unhappy. But sometimes, late at night, when he is crossing a bridge over the River Seine, he imagines jumping. One day he does a favor for one of his neighbors and is asked to stay for dinner as thanks. The following morning Yann throws caution to the wind and decides to change his life entirely. These two novellas by bestselling author Anna Gavalda are among her most moving and inspiring. Life, Only Better is a touching, cleverly crafted book about choices and their consequences.

Hindoostanee Philology BRILL

"From aide to nanny and housekeeper . . . Paolo Giordano examines this unusual relationship in the context of one household of three. . . . Spare, elegant."—The New York Times "Like Family. . . demands to be savored. . . Giordano's emphasis on how we choose to live and love offers subtle hope that our decisions actually matter."—NPR.org From the author of Heaven and

Earth, an exquisite portrait of marriage, adulthood, and the meaning of family Paolo Giordano's prizewinning debut novel, *The Solitude of Prime Numbers*, catapulted the young Italian author into the literary spotlight. His new novel features his trademark character-driven narrative and intimate domestic setting that first made him an international sensation. When Mrs. A. first enters the narrator's home, his wife, Nora, is experiencing a difficult pregnancy. First as their maid and nanny, then their confidante, this older woman begins to help her employers negotiate married life, quickly becoming the glue in their small household. She is the steady, maternal influence for both husband and wife, and their son, Emanuele, whom she protects from his parents' expectations and disappointments. But the family's delicate fabric comes undone when Mrs. A. is diagnosed with cancer. Moving seamlessly between the past and present, Giordano highlights with remarkable precision the joy of youth and the fleeting nature of time. An elegiac, heartrending, and deeply personal portrait of

marriage and the people we choose to call family, this is a jewel of a novel—short, intense, and unforgettable.

Jews Who Rock Wiley Don Juan, also Don Giovanni (Italian), is a legendary, fictional libertine. The first written version of the Don Juan legend was written by the Spanish dramatist Tirso de Molina (nom de plume of Gabriel Téllez). His play, *El burlador de Sevilla y convidado de piedra* (The Trickster of Seville and the Stone Guest), was set in the fourteenth century and published in Spain around 1630. The name "Don Juan" is a common metaphor for a womanizer.

Bullying in the Workplace Bitter Lemon Press

What goes into the translating of a poem? Usually that process gets forgotten once the new poem stands intact in translation. Yet a verse translation derives from historical, biographical, and philosophical research, interpretive analysis of the original poem, and continuous linguistic and prosodic choices that parallel those the poet made. Taking as a text Pablo Neruda's brilliant prophetic sequence *Alturas de Macchu Picchu* (1945), the

author here re-creates the entire process of translation, from his first encounter with the poem to the last shaping of a phrase that may never come right in English. This many-faceted book forms an essay on the theory and practice of literary translation, a study of Neruda's career through 1945, and an interpretation of his major poem, all of which lead to a striking new poem in English, *Heights of Macchu Picchu*, printed along with the original Spanish. This genesis of a verse translation also includes little-known biographical data, hitherto untranslated poems and prose from the years 1920 to 1945, and new translations of key poems from Neruda's *Residence on Earth* and *Spain in My Heart*.

Homer and Bible Penguin Philology is one of the most investigated fields of Armenian studies. At the end of the twentieth century, it was important to provide an overview of the main achievements and on the methodological approaches implemented in this field till now. This is the aim of the present publication. Part I focuses on the manuscripts, the inscriptions, and the

printings. Its second section is devoted to the textual criticisms and the third section explores the interface between linguistics and philology. Case studies form the core of Part II. One chapter offers an overview on the 17th-19th centuries, and two articles are devoted to the conditions of the circulation of the literary production in the 20th century, both in Western and Eastern Armenian. *Life, Only Better* Développement économique et création d'emplois au niveau local What happens when catastrophe becomes an everyday occurrence? Each of the seven stories in Assia Djébar's *The Tongue's Blood Does Not Run Dry* reaches into the void where normal and impossible realities coexist. All the stories were written in 1995 and 1996—a time when, by official accounts, some two hundred thousand Algerians were killed in Islamist assassinations and government army reprisals. Each story grew from a real conversation on the streets of Paris between the author and fellow Algerians about what was happening in their native land. Contemporary events are

joined on the page by classical themes in Arab literature, whether in the form of Berber texts sung by the women of the Mزاب or the tales from *The Book of One Thousand and One Nights*. *The Tongue's Blood Does Not Run Dry* beautifully explores the conflicting realities of the role of women in the Arab world. With renowned and unparalleled skill, Assia Djébar gives voice to her longing for a world she has put behind her. [Pierio Valeriano on the III Fortune of Learned Men](#) Seven Stories Press "A Grain of Truth, like every great crime novel, digs up more unsettling questions than it does answers; it also demonstrates the seemingly endless possibilities of the form itself to serve as smart social criticism." -- Maureen Corrigan, on NPR's *Fresh Air* Praise for the first novel in the Teodor Szacki series: "In *Entanglement* Miloszewski takes an engaging look at modern Polish society in this stellar first in a new series starring Warsaw prosecutor Teodor Szacki. Readers will want to see more of the complex, sympathetic Szacki."—Publishers Weekly It is spring 2009,

and prosecutor Szacki is no longer working in Warsaw—he has said goodbye to his family and to his career in the capital and moved to Sandomierz, a picturesque town full of churches and museums. Hoping to start a "brave new life," Szacki instead finds himself investigating a strange murder case in surroundings both alien and unfriendly. The victim is found brutally murdered, her body drained of blood. The killing bears the hallmarks of legendary Jewish ritual slaughter, prompting a wave of anti-Semitic paranoia in the town, where everyone knows everyone. The murdered woman's husband is bereft, but when Szacki discovers that she had a lover, the husband becomes the prime suspect. Before there's time to arrest him, he is found murdered in similar circumstances. In his investigation Szacki must wrestle with the painful tangle of Polish-Jewish relations and something that happened more than sixty years earlier. Zygmunt Miloszewski was born in Warsaw, Poland, in 1975. His first novel *The Intercom* was published in 2005 to high acclaim. In 2006 he published *The*

Adder Mountains; in 2010, the crime novel Entanglement; and this year its sequel, A Grain of Truth.

The Qualities of Mothering

Jason Aronson

Foreword by Ben Stiller

Afterword by Perry Farrell

Jewish achievement in the sciences? Celebrated.

Jews in literature?

Lionized. But until now, there's been no record of the massive contributions of Jews in Rock n' Roll.

Jews Who Rock features 100 top Jewish rockers, from Bob Dylan to Adam Horowitz, Courtney Love (yes, she's half Jewish) to John Zorn, with a concise page of essential data and a biography of each one.

Includes the complete lyrics to "The Chanukah Song" by Adam Sandler

Gets traders and investors up to speed on the hottest new approach to predicting the markets

One of the most talked-about new forecasting tools in today's international markets,

dynamic technical analysis (DTA) arms traders and investors with unprecedented insights

into market volatility, price changes, and market trends. DTA is also a valuable money management tool and is much easier for money managers to master than traditional technical analysis techniques. The first practical introduction to this powerful new approach, Dynamic Technical Analysis provides readers with all the tools and know-how necessary to unlock the full power of DTA. * The only guide devoted exclusively to a powerful new forecasting technique * Uses numerous real-world trading examples to quickly acquaint readers with state-of-the art DTA principles and practices

Phillippe Cahen (Paris, France) is Head of Technical Analysis for Credit Lyonnais Capital Markets in Paris.

Ideology and Conspiracy Macmillan Reference USA

On his way to a linguists' conference in Helsinki, Budai finds himself in a strange city where he can't understand a word anyone says. One claustrophobic day blurs into another as he desperately struggles to

survive in this vastly overpopulated metropolis where there are as many languages as there are people. Fearing that his wife will have given him up for dead, he finds comfort in an unconventional relationship with the elevator-operator in the hotel. A suspenseful and haunting Hungarian classic, and a vision of hell unlike any other imagined. 'With time, Metropole will find its due place in the twentieth-century library, on the same shelf as The Trial and 1984.' G.O.

Chateaufort 'In the same way that Kafka becomes relevant again every time you renew your driver's license, Karinthy captures that enduring, horrifying and exhilarating state of being at the mercy of an unfamiliar land.' NPR
