Have you ever wondered what your LEGO creations would look like on the big screen? The LEGO Animation Book will show you how to bring your models to life with stop-motion animation—no

experience required! Follow step-by-step instructions to make your first animation, and then explore the entire filmmaking process, from storyboards to post-production. Along the way, you'll learn how to:
-Create special effects like explosions and flying minifigures
-Convey action and emotion with your minifigure actors

-Design sets for animation—make three buildings look like an entire city!
-Light, frame, and capture consistent photos
-Add detail and scope to your films by building in different scales
-Build camera dollies and rigs out of LEGO bricks
-Choose cameras, software, and other essential animation tools
Dive into the world of

animation and discover a whole new way to play!

For ages 10+

From bestselling superstar duo Shannon Hale and LeUyen Pham comes a delightful kitty and unicorn story that celebrates the magic of friendship—and being exactly who you want to be! Kitty thinks she might be a unicorn. She feels so perfectly unicorn-y! “Neigh!” says Kitty. But

when Unicorn clop clop clops over, sweeping his magnificent tail and neighing a mighty neigh, Kitty feels no bigger than a ball of lint. Can this unlikely pair embrace who they are, and truly see one another? In their first picture book together, the magical, bestselling team of Shannon Hale and LeUyen Pham put their horns together for the most heart-bursting, tail-twitching, fuzzy-feeling, perfectly unicorn-y story imaginable.
