 This book presents the extraordinary life and writings of Maya Angelou. It examines the changing viewpoints in her six autobiographies within the context of women's and African American autobiographies, with specific reference to the slave narrative and to contemporary fiction and film. *Maya Angelou: The Iconic Self* examines this iconic artist's work as an autobiographer, offering an up-to-date assessment of Angelou's contributions to American literature and to American and international culture. This is the only book to interpret Angelou's autobiographies as unique experiments in the history of black narrative. It attests to Angelou's creativity in transforming the typical single-volume autobiography into a six-volume personal and cultural adventure that tells the truth but reads like fiction. The narratives cover the years from the Great Depression (1941) to the days following the assassinations of Malcolm X (1965) and Martin Luther King (1968), emphasizing Angelou's roles as mother, daughter, granddaughter, wife, and friend. This revised edition also presents information about Maya Angelou's funeral and her continuing legacy since her death in 2014. The depth and scope of the book's observations regarding Angelou's autobiographies will be of great interest to readers seeking an analysis of the interconnections among Angelou's writings as well as serve students taking courses in women's studies or black culture studies.

 A funeral is naturally associated with grief, totally focused on the finality of the loss of a loved one or friend. This overwhelming emotion often has a tendency to overshadow who the decedent actually was and the positive impact that individual made on the lives of those attending the ceremony, a community, a work place, a church, or even the world as a whole! The role of the Celebrant is designed to change all that! A Celebrant's goal is to creatively highlight those life impacts through loving, meaningful words, songs, and even dynamic visual displays—to turn tears of grief into tears of joy! Nothing can set the stage for such a celebrative atmosphere more than a poem applicable to or personally descriptive of the one we have lost. Reverend Phipps wrote *Poems for the Funeral Celebrant* to give you, the Celebrant, or any who may face the challenge of leading a funeral/memorial service, a guide and resource from which to help families through this difficult time in their lives.

Wallace Stevens: Poetry as Life delves into every phase of Stevens' life—from his childhood in Pennsylvania, his years at Harvard, and his short stay in New York to his life-long choice of a home in Hartford, Connecticut, and a career in the insurance business. The importance of Stevens' relationship to his father is stressed, and also the contribution to his growth of Santayana, Bergson, Pater, and Pascal, among others. His deep feeling for things French, and his unusual appreciation of painting are also assessed, as they relate to the development of his finely tempered artistry and special conception of art.

Rather than pledging allegiance to the military effort as dictated by Prussian law in 1867, many devout Anabaptists deemed it prudent to become pioneers in Kansas. The year was 1876 and odd numbered sections of railroad land were being marketed by the Santa Fe across Kansas. Towns developed around train depots; local shopping became available. Marie Harder Epp was born in America to these relocated Anabaptists. She was a Kansas Mennonite farmer and also the village poet. Her poems, written for oral delivery, tell the story of life in Holland and West Prussia following the Reformation, the relocation to Kansas, and the creation of a church community on the tall grass prairies. A church was organized to focus these hard-working Germans on divine realities as they buried their dead, married their young, and dealt with the harsh prairie winds. Marie's poems also describe the changeover from buggies to cars, from German to English, and from isolation to global outreach. With time, the Anabaptists learned through cultural adaptation that they could be both staunch Mennonites and also patriotic Americans.

The most celebrated authors of England, Ireland, Scotland and Wales are immortalized not only in their writing but also in the museums, libraries, and other memorials dedicated in their honor. Over 300 sites devoted to 40 authors are covered in this guide. The sites range from restored historic homes to memorial statues. Each entry describes the site and its history, placing it within the context of the author's life and career. Directions are provided to help the reader reach each site; telephone numbers, admission prices, and hours are also included for the traveler's convenience. The text is illustrated with photographs from these historic and literary homes, libraries, and other important memorial locations. Postage stamps commemorating the writers are also included.

Every service that marks a death or the anniversary of a death, remembers the life of a unique person and should be prepared with utmost care and thought, and approached with reverence. We tread on holy ground when we accompany those who are experiencing loss. This practical and extremely helpful resource book provides guidelines for creating individualised funeral, thanksgiving and memorial services and includes a wide range of prayers, readings and reflections for each stage of the service from the gathering words of welcome to the committal and final blessing, and suggestions for symbolic acts of remembrance. Resources are also included for creating special services, such as for those facing their first Christmas after a bereavement. All resources may be downloaded from the accompanying CD Rom. Pastoral guidance is offered for every step of the way in funeral ministry, including the first visit to a bereaved family, prayers for a funeral visit, making practical arrangements with funeral directors, crafting orders of service, using music and images, and supporting those in particularly distressing circumstances.
