How to Teach Writing Longman Italia

The COVID-19 pandemic threw the inequities and inequalities around us into sharp relief. Responding to these tumultuous times, the Class of 2021 scholars of Westchester Square Academy have taken their learnings over the past four years and applied them to creative pieces that call attention to issues that continue to shape the experiences of their generation. The policy recommendations, persuasive speeches, testimonies, and poems contained within invite readers to take action. What will you do in the face of injustice?

*Business Basics* Cambridge University Press

A focused, 50-60 hour course for the revised Cambridge English: Advanced (CAE) exam from 2015. The Student's Book without answers provides C1-level students with thorough preparation and practice needed for exam success. All four of the revised exam papers are covered. 'Quick steps' and Writing and Speaking guides explain what to expect in the exam, and provide strategies on approaching each paper, model answers, useful expressions and further practice. The accompanying CD-ROM provides interactive language and skills practice. There are two complete practice tests for teachers to access online. Audio required for the Student's Book listening exercises is available on Class Audio CDs or in the Student's Book Pack, both available separately.

Cambridge University Press

THE NUMBER ONE INTERNATIONAL BESTSELLER From one of our greatest voices in modern philosophy, author of *The Course of Love* and *The School of Life*, this book explores the fascinating hidden links between the buildings we live in and our long-term wellbeing. 'Engaging and intelligent . . . Full of splendid ideas, happily and beautifully expressed' *Independent* What makes a house truly beautiful? Why are many new houses so ugly? Why

do we argue so bitterly about sofas and pictures - and can differences of taste ever be satisfactorily resolved? To answer these questions and many more, de Botton looks at buildings across the world, from medieval wooden huts to modern skyscrapers; he examines sofas and cathedrals, tea sets and office complexes, and teases out a host of often surprising philosophical insights. *The Architecture of Happiness* will take you on a beguiling tour through the history and psychology of architecture and interior design, and will change the way you look at your home. 'Alain de Botton takes big, complex subjects and writes about them with thoughtful and deceptive innocence' *Observer* 'Clever, provocative and fresh as a daisy' *Literary Review*
