The Alexiad Turtleback

It is the early fifteenth century and as winter falls away the people of Albania know their fate is sealed. Their refusal to negotiate with the Ottoman Empire means war is now inevitable. Soon, dust kicked up by Turkish horses is spotted from a citadel. Tens of thousands of men begin to fill the plain below. The Siege tells the enthralling story of the weeks and months that follow—of the exhilaration and despair of the battlefield, the shifting strategies of war, and those whose lives are held in the balance. For those trapped inside the citadel, and for the Pasha, the artillerymen, astrologer, blind poet and his harem of women outside, the siege is inescapable and increasingly oppressive. From this dramatic setting Kadare has created one of his masterpieces, a profound novel that is as moving as it is compelling. It is an unforgettable account of the clash of two civilisations and a timeless depiction of individual pain, uncertainty and fear. Kadare is one of our most significant writers.

South Asian immigrants have made a significant contribution to the Canadian mosaic. However, their trials and tribulations and their successes and failures constitute a story that remains untold. To know of their arrivals, their struggles to beat the odds, as well as their successes, is to read a story of hard work, of tireless effort to 'make it' of the commitment to belong, and of ultimate success. This process not only re-shaped them from 'who they were' to 'who they are now', but also re-shaped Canada that we know today. Their influence can be felt in the arts and sciences, the humanities and in politics, community works and in social services. This book is an attempt to understand the 'what' and 'how' of that unfolding process, and also to know the real concerns about the conditions of Canada's ethnic minority population, South Asian Canadians and their children in particular. **Indo-European Language and Culture** Gjuha jonëStudime historikeFletorja zyrtare e Republikës së Shqipërisëbotim i

This book is a collection of papers on modals in the languages of Europe, written by experts in the area of modality. It provides readers with a wealth of data and addresses the issues of under which circumstances modals are borrowed, from which linguistic materials they typically arise in these languages, and whether and how modals form a system which is separate from other word classes.

Instant #1 New York Times Bestseller A People Book of the Week, Book of the Month Club selection, and Best of Fall in Good Housekeeping, PopSugar, The Washington Post, New York Post, Shondaland, CNN, and more! “[A] quirky, big-hearted novel...Wry, wise, and often laugh-out-loud funny, it’s a wholly original story that delivers pure pleasure.” —People From the #1 New York Times bestselling author of A Man Called Ove comes a charming, poignant novel about a crime that never took place, a would-be

bank robber who disappears into thin air, and eight extremely anxious strangers who find they have more in common than they ever imagined. Looking at real estate isn't usually a life-or-death situation, but an apartment open house becomes just that when a failed bank robber bursts in and takes a group of strangers hostage. The captives include a recently retired couple who relentlessly hunt down fixer-uppers to avoid the painful truth that they can't fix their own marriage. There's a wealthy bank director who has been too busy to care about anyone else and a young couple who are about to have their first child but can't seem to agree on anything, from where they want to live to how they met in the first place. Add to the mix an eighty-seven-year-old woman who has lived long enough not to be afraid of someone waving a gun in her face, a flustered but still-ready-to-make-a-deal real estate agent, and a mystery man who has locked himself in the apartment's only bathroom, and you've got the worst group of hostages in the world. Each of them carries a lifetime of grievances, hurts, secrets, and passions that are ready to boil over. None of them is entirely who they appear to be. And all of them—the bank robber included—desperately crave some sort of rescue. As the authorities and the media surround the premises these reluctant allies will reveal surprising truths about themselves and set in motion a chain of events so unexpected that even they can hardly explain what happens next. Rich with Fredrik Backman's "pitch-perfect dialogue and an unparalleled understanding of human nature" (Shelf Awareness), *Anxious People* is an ingeniously constructed story about the enduring power of friendship, forgiveness, and hope—the things that save us, even in the most anxious times.

A Reference Work Council of Europe

The *Encyclopedia of Indo-European Culture* is a major new reference work that provides full, inclusive coverage of the major Indo-European language stocks, their origins, and the range of the reconstructed Proto-Indo-European language. The *Encyclopedia* also includes numerous entries on archaeological cultures having some relationship to the origin and dispersal of Indo-European groups -- as well as entries on some of the major issues in Indo-European cultural studies. There are two kinds of entries in the *Encyclopedia of Indo-European Culture*: a) those that are devoted to archaeology, culture, or the various Indo-European languages; and b) those that are devoted to the reconstruction of Proto-Indo-European words. Entries may be accessed either via the General Index or the List of Topics: Entries by Category where all individual reconstructed head-forms can also be found. Reference

may also be made to the Language Indices. In order to make the book as accessible as possible to the non-specialist, the Editors have provided a list of Abbreviations and Definitions, which includes a number of definitions of specialist terms (primarily linguistic) with which readers may not be acquainted. As the writing systems of many Indo-European groups vary considerably in terms of phonological representation, there is also included a list of Phonetic Definitions. With more than 700 entries, written by specialists from around the world, the *Encyclopedia of Indo-European Culture* has become an essential reference text in this field.

A REESE'S BOOK CLUB PICK THE NEW YORK TIMES BESTSELLER ONE OF THE NEW YORK TIMES BEST THRILLERS OF THE YEAR "I loved this book. It gave me the same waves of happiness I get from curling up with a classic Christie...The alternating points of view keep you guessing, and guessing wrong." — Alex Michaelides, #1 New York Times bestselling author of *The Silent Patient* "Evok[es] the great Agatha Christie classics...Pay close attention to seemingly throwaway details about the characters' pasts. They are all clues." -- New York Times Book Review A wedding celebration turns dark and deadly in this deliciously wicked and atmospheric thriller reminiscent of Agatha Christie from the New York Times bestselling author of *The Hunting Party*. The bride - The plus one - The best man - The wedding planner - The bridesmaid - The body On an island off the coast of Ireland, guests gather to celebrate two people joining their lives together as one. The groom: handsome and charming, a rising television star. The bride: smart and ambitious, a magazine publisher. It's a wedding for a magazine, or for a celebrity: the designer dress, the remote location, the luxe party favors, the boutique whiskey. The cell phone service may be spotty and the waves may be rough, but every detail has been expertly planned and will be expertly executed. But perfection is for plans, and people are all too human. As the champagne is popped and the festivities begin, resentments and petty jealousies begin to mingle with the reminiscences and well wishes. The groomsmen begin the drinking game from their school days. The bridesmaid not-so-accidentally ruins her dress. The bride's oldest (male) friend gives an uncomfortably caring toast. And then someone turns up dead. Who didn't wish the happy couple well? And perhaps more important, why?

2019 Named one of the Best Books of the Year by NPR, The Washington Post; O: The Oprah Magazine, Real Simple, Good Housekeeping, Vogue, Refinery29, and BuzzFeed Ann Patchett, the #1 New York Times bestselling author of *Commonwealth*, delivers her most powerful novel to date: a richly moving story that explores the indelible bond between two siblings, the house of their childhood, and a past that will not let them go. *The Dutch House* is the story of a paradise lost, a tour de force that digs deeply into questions of inheritance, love and forgiveness, of how we want to see ourselves and of who we really are. At the end of the Second World War, Cyril Conroy combines luck and a single canny investment to begin an enormous real estate empire, propelling his family from poverty to enormous wealth. His first order of business is to buy the Dutch House, a lavish estate in the suburbs outside of Philadelphia. Meant as a surprise for his wife, the house sets in motion the undoing of everyone he loves. The story is told by Cyril's son Danny, as he and his older sister, the brilliantly acerbic and self-assured Maeve, are exiled from the house where they grew up by their stepmother. The two wealthy siblings are thrown back into the poverty their parents had escaped from and find that all they have to count on is one another. It is this unshakeable bond between them that both saves their lives and thwarts their futures. Set over the course of five decades, *The Dutch House* is a dark fairy tale about two smart people who cannot overcome their past. Despite every outward sign of success, Danny and Maeve are only truly comfortable when they're together. Throughout their lives they return to the well-worn story of what they've lost with humor and rage. But when at last they're forced to confront the people who left them behind, the relationship between an indulged brother and his ever-protective sister is finally tested.

Albanian Grammar I.B. Tauris

This book deals with the historical development of the Albanian language (its phonology, morphology and lexicon) from prehistoric times to our days. The main focus of the book is the reconstruction of Proto-Albanian in its relation to its ancestor, Indo-European, and to modern Albanian.

Encyclopedia of Indo-European Culture Workman Publishing

The tender plant of Albanian literature grew in a rocky soil. It was late to evolve and its development, indeed its very existence, was threatened in many periods. "Albanian Literature: A Short History" tells the story of the survival and growth of Albanian creative writing beginning with the earliest thirteenth century texts of Theodor of Shkodra, tracing the development of the modern literature of Buzuku, Budi and Bogdani, the incorporation of the Muslim influences of Frakulla and Kycyku and continuing with the works of Cajupi and Kadare during the reign of King Zog and the Hoxha administration. A unique book that illuminates an under-researched subject, "Albanian Literature" is an essential reference guide for all those interested in Balkan cultures, in comparative literature and in European cultural history in general.
