For the first time, English readers have access to Soseki's Spring Miscellany. Originally published as Eijitu Shohin in serial form in the Asahi newspaper in 1909, before appearing in book form, Spring Miscellany is an pastiche of twenty-five sketches, referred to as shohin (little items), heir to the great zuihitsu tradition of discursive prose. These personal vignettes are clearly autobiographical and reveal Soseki's kaleidoscopic view of his private world and his interest in authentic, unadorned self-expression. The stories range from from episodes from his youth to his adult musings. Of special interest are the accounts of Soseki's stay in England between 1900 and 1902, where he attended University College, studied privately with W. J. Craig, editor of the Arden Shakespeare, and immersed himself in studying eighteenth-century literature. It was not a happy time for Soseki--he described his stay as "like a poor dog that had wandered into the company of wolves"--but, as with all great

writers, he managed to turn adversity into raw material for his art and to give us insight today into the life of an expatriate Japanese scholar at the turn of the century. In his Introduction to the work, Sammy Tsunematsu, founder and curator of the Soseki Museum in London, provides a fresh perspective on Soseki as a man and a writer, as well as an insightful commentary on the work itself.

"In 1972, Ulises Carrión produced his first artist's book SONNET(S) which consists of a 44 variations of a sonnet by Dante Gabriel Rossetti titled "Heart's Compass". Using the language as a material, Carrión writes Rossetti's poem over and over again on a typewriter, in slightly different versions. This book today is considered Carrión's first 'artist's book', where he still uses language, but quite differently. In 2009 Michalis Pichler, in a similar approach but using a computer, mostly Word or Open Office, created 44 new variations and published a book titled SOME MORE SONNET(S)." --Publisher's website (viewed 8 February 2021).

Il Giappone è una terra affascinante e l'autrice, che ci ha vissuto per metà della sua vita, ci regala una guida non soltanto a carattere informativo ma arricchita dalle sue esperienze, dai suoi gusti, dai suoi ricordi e punti di vista, dando così consigli utili e pratici per chi voglia intraprendervi un viaggio e una visione tutta particolare di questo attraente paese. Con una scrittura avvolgente perché ricca di particolari, di suoni e di colori, questo breve manuale vi condurrà in un viaggio fantastico. Alice si è trasferita in Giappone nel 2007 dopo un breve viaggio esplorativo avvenuto qualche mese prima, con pochi spicci in tasca, passando anni a fare i lavori più umili per pagarsi gli studi per non pesare sui genitori. Ha studiato prima Lingue Orientali a Roma, Giapponese in diverse scuole a Tokyo e si è diplomata in Fotografia presso l'Accademia di Fotografia di Milano. Oggi ha 42 anni ed è un'affermata fotografa di moda, vive con sua figlia Asia a Tokyo dove ha passato circa metà della sua vita. Chi meglio di Lei potrebbe scrivere una guida sul Giappone impreziosita dalle sue esperienze personali?

This collection of essays challenges the notion that Japan's present cultural identity is the simple legacy of its pre-modern and insular past. Scholars examine "age-old" Japanese cultural practices and show these to be largely creations of the modern era.

After his mother dies aged 78, the author discovers a beautifully lacquered box which contains what appear to be old hand-drawn postcards and photos of Venice. One photo of Piazza San Marco particularly catches his eye. It is of a Japanese couple feeding a multitude of pigeons in the square dressed in what looked like 1930's style. Who were they? What relevance did they have for his mother? Armed with the contents of the lacquered box he travels to Venice to track down the places and events in the images and to discover the identity of the young couple in the old photograph.

'I'm in story heaven with this book.' Cecelia Ahern, author of P.S. I Love You Sentaro has failed. He has a criminal record, drinks too much, and his dream of becoming a writer is just a distant memory. With only the blossoming of the cherry trees to mark the passing of time, he spends his days in a tiny confectionery shop selling dorayaki, a type of pancake filled with sweet bean paste. But everything is about to change. Into his life comes Tokue, an elderly woman with disfigured hands and a troubled past. Tokue makes the best sweet bean paste Sentaro has ever tasted. She begins to teach him her craft, but as their friendship flourishes, social pressures become impossible to escape and Tokue's dark secret is revealed, with devastating consequences. Sweet Bean Paste is a moving novel about the burden of the past and the redemptive power of friendship. Translated into English for the first time, Durian Sukegawa's beautiful prose is capturing hearts all over the world.

'Wonderfully poetic ... extraordinary freshness ... a Virginia Woolf quality' Margaret Drabble It is Spring. A young woman, left by her husband, starts a new life in a Tokyo apartment. Territory of Light follows her over the course of a year, as she struggles to bring up her two-year-old daughter alone. Her new home is filled with light, streaming through the windows, so bright you have to squint, but she finds herself plummeting deeper into darkness;

becoming unstable, untethered. As the months come and go, and the seasons turn, she must confront what she has lost and what she will become. At once tender and lacerating, luminous and unsettling, *Territory of Light* is a novel of abandonment, desire and transformation. It was originally published in twelve parts in the Japanese literary monthly *Gunzo*, between 1978 and 1979, each chapter marking the months in real time.

This cultural history of the Japanese home front during the Asia-Pacific War challenges ideas of the period as one of unrelenting repression. Uchiyama demonstrates that 'carnival war' coexisted with the demands of total war to promote consumerist desire alongside sacrifice and fantasy alongside nightmare, helping

mobilize the war effort.

'A masterly novel' *New York Times* 'Such is the exquisite, gossamer construction of Murakami's writing that everything he chooses to describe trembles with symbolic possibility' *Guardian*  
Read the haunting love story that turned Murakami into a literary superstar. When he hears her favourite Beatles song, Toru Watanabe recalls his first love Naoko, the girlfriend of his best friend Kizuki. Immediately he is transported back almost twenty years to his student days in Tokyo, adrift in a world of uneasy friendships, casual sex, passion, loss and desire - to a time when an impetuous young woman called Midori marches into his life and he has to choose between the future and the past.

\*Murakami's new book *Novelist as a Vocation* is available now\*

'Evocative, entertaining, sexy and funny; but then Murakami is one of the best writers around' *Time Out* 'Poignant, romantic and hopeless, it beautifully encapsulates the heartbreak and loss of faith' *Sunday Times* 'This book is undeniably hip, full of student uprisings, free love, booze and 1960s pop, it's also genuinely emotionally engaging, and describes the highs of adolescence as well as the lows' *Independent on Sunday*
