 (Schott). Tchaikovsky's 'Nutcracker' is a ballet which because of its fairytale setting and well-known music is a particular favourite, especially with children. Hans-Gunter Heumann has arranged the most beautiful tunes from the ballet in easy settings for piano, a synopsis and colour illustrations further add to the charm of this edition. (German text).

 "Four Dances" for Guitar Trio is an exquisite collection of dance compositions arranged for guitar trio by the talented Matteo Rigotti. GUITAR 1 part. With a focus on ensemble play as a crucial moment for socialization and skill development in instrumental learning, the author emphasizes the importance of each musician's contribution and the synergy of their combined abilities. Rigotti has skillfully reduced complex orchestral scores to create arrangements that maintain the original

form without compromising their essence. At the same time, he has struck a delicate balance between the inherent difficulty of the pieces and the skill level of the students for whom they are intended. In addition to the musical scores, the file includes informative pages in 10 different languages: English, French, German, Spanish, Italian, Portuguese, Korean, Japanese, and Chinese. These translations provide readers with deep insights into the music and its cultural significance, promising a comprehensive and culturally rich experience for musicians worldwide. The selection includes Brahms' "Hungarian Dance No. 5," Bizet's "Habanera," Tchaikovsky's "Trépak," and Ponchielli's "Dance of the Hours," offering a satisfying journey through ensemble music.
