GOODMAN ISABEL

A Cultural Studies Reader
Simon and Schuster
A new edition of a book
that has changed the way
we think about sexual
conduct and combat.
Death of a Dying Man
Titan Books (UK)
Micky Knight, a bayou-

bred and out-of-the-closet
New Orleans private
investigator, takes on the
cases of a widowed
mother looking for her
daughter and a tough gay
boy hunting for his
biological mother. When a
young woman patient is
murdered at Dr. Cordelia
James's clinic, it seems to
be just a bizarre
coincidence. But when
another woman, also a

patient, is murdered,
these events reveal the
frightening possibility that
the crimes are more than
just random chances.
Even more alarming, the
killer seems to know too
much about the victims.
As the killer circles ever
closer to Micky—and the
lost daughter she is trying
to find—the coincidences
become a grisly reality:
the one characteristic all

the victims share is that they dare to love other women. The fourth book in the Micky Knight mystery series.

Men and Masculinity

Bruno Gmunder Verlag

The field of stratification is being transformed and reshaped by advances in theory and quantitative modeling as well as by new approaches to the analysis of economic, racial, and gender inequality. Although these developments are revolutionary in their implications, until now there has been no

comprehensive effort to bring together the classic articles that have defined and redefined the contours of the field. In this up-to-date anthology, the history of stratification research unfolds in systematic fashion, with the introductory articles in each section providing examples of the major research traditions in the field and the concluding essays (commissioned from leading scholars) providing broader programmatic statements that identify current controversies and

unresolved issues. The resulting collection of articles both celebrates the diversity of theoretical approaches and reveals the cumulative nature of ongoing research. This comprehensive reader is designed as a primary text for introductory courses on social stratification and as a supplementary text for advanced courses on social classes, occupations, labor markets, or social mobility.

ILLUSTRations Farrar, Straus and Giroux

Provides an historical overview of the field and its developments from 19th century thinkers such as Karl Marx and Matthew Arnold to contemporary theorists such as Raymond Williams and Antonio Gramsci. It focuses on the central issues of cultural criticism in the US and Britain, Europe, Asia and Africa, bringing the reader up-to-date with current debates such as post-colonialism and identity politics.
Tropical Storm Simon and Schuster

When We Were Bad is a spellbinding, witty and poignant portrayal of a family in crisis, in love, and in denial. 'As intelligent as it is funny. A beautifully observed literary comedy as well as a painfully accurate description of one big old family mess. A joy' – Observer
In North London, Claudia Rubin is in her heyday. Wife, mother, rabbi – and sometimes moral voice of the nation – everyone wants to be with her at her son Leo's glorious wedding. That is, until Leo jilts his bride, and the

gleaming bubble surrounding the Rubins threatens to burst. Frances – Claudia's calm, mature, married daughter – tries to hold the nucleus of the family together, but the stress forces her to re-examine her own life, leading her to make a decision as shocking as Leo's choice to bolt. And Claudia's husband, Norman, has an uncharacteristic secret. And, whether he likes it or not, he is powerless to stop it coming out . . . 'A comedy with the warmest of hearts and the most

deliciously subversive of agendas' - Marie Claire
 'Fast-paced and engaging. Brilliant, touching and true' - Naomi Alderman, bestselling author of *The Power*
One of the Boys Vintage Crime/Black Lizard
 A rose by any other name is still a rose, but a penis by any other name may be a "Kentucky Telescope," "Molton Mushroom," "One-Eyed Wrinkle-Necked Trouser Trout"— or something worse! Pop artist Todd Harris Goldman delivers one of the funniest little

books about "anatomy" ever published. With 101 hilarious euphemisms for "penis" and 25 fullcolor illustrations representing some of the best selections, **DICKtionary** will make all the other books on the shelf blush. **Somebody Killed His Editor** SAGE Publications, Incorporated
 "An immigrant-ethnic cocktail laced with political oppression, but before shaking, [Alia Yunis] adds Scheherazade, the fabled storyteller who kept herself alive by distracting

her tyrannical husband for a thousand and one nights." --Carolyn See, *Washington Post*
 After 85 years, Fatima knows that she is dying because for the last 991 days she has been visited by the immortal storyteller from *The Arabian Nights*, Scheherazade. Just as Scheherazade spun magical stories for 1,001 nights to save her own life, Fatima has spent each night telling Scheherazade her life stories. But with only nine days left before her death, Fatima has a few

loose ends to tie up. She must find a wife for her openly gay grandson, teach Arabic (and birth control) to her 17-year-old great-granddaughter, make amends with her estranged husband, and decide which of her troublesome children should inherit her family's home in Lebanon--a house she herself has not seen in nearly 70 years. Fatima's children are spread far apart and are wrapped up in their own chaotic lives seemingly disinterested in their mother and their

inheritances. But as she weaves stories of her husband, children, and grandchildren, Fatima brings together a family that is both capricious and steadfast, affectionate and also smothering, connected yet terribly alone. Taken all together, they present a striking and surprising tapestry of modern Arab American life. Shifting between America and Lebanon over the last hundred years, Alia Yunis crafts a bewitching debut novel imbued with great humanity, imagination,

family drama and a touch of magic realism. Be prepared to feel utterly charmed.

Dicktionary JustJoshin Publishing, Inc.

In a new, masterfully drawn work, Canadian comic artist Patrick Fillion takes readers on a trip into his great and horny cosmos, where fabulous superheroes save the universe by using their giant...erm, weapons. Readers can forget about comics and get reader for Il-lust-rations!

The Gay Divorcee Prentice Hall

Set in Cape Town's cosmopolitan neighbourhoods, this novel revolves around Tshepo, a student at Rhodes, who is confined to a mental institution after an episode of 'cannabis-induced psychosis'.

Gender Play Delta

What do you do when you discover that your insignificant other is becoming more significant

than your spouse? Richard Rossi works in HR at a Boston-based software company and prides himself on his understanding of the foibles and fictions we all use to get through the day. Too bad he's not as good at spotting such behavior in himself. What else could explain his passionate affair with Benjamin, a very unavailable married man? Richard suggests birthday presents for Benjamin's wife and vacation plans for his kids, meets him for "lunch" at a sublet

apartment, and would never think about calling him after business hours. Since Richard is not entirely available himself—there's Conrad, his adorable if maddening partner to contend with—it all seems perfect. But when cosmopolitan Conrad starts spending a suspicious amount of time in Ohio, and economic uncertainty challenges Richard's chances for promotion, he realizes his priorities might be a little skewed. With a cast of sharply drawn friends, frenemies, colleagues,

and personal trainers, Insignificant Others is classic McCauley—a hilarious and ultimately haunting social satire about life in the United States at the bitter end of the boom years, when clinging to significant people and pursuits has never been more important—if only one could figure out what they are.

Lost Daughters McGill-Queen's Press - MQUP "Tropical Storm" took the lesbian reading world by storm when it was first written. This volume is the

exciting, revised "author's cut" edition. (Adult Fiction)

E. M. Forster Univ of California Press
Subtitle on cover: 500 of the best GLBTQ films ever made.

The Autobiography and Sex Life of Andy Warhol Enlightenment Press
For the first time the anthologized works of Sarah Fenstermaker and Candace West have been collected along with new essays to provide a complete understanding of this topic of tremendous importance

to scholars in social science.
50 Years of Queer Cinema Bloomsbury Publishing USA
New Orleans PI Micky Knight just had to get into a butch pissing contest with the journalist partner of a famous doctor working with her lover, Cordelia James. Micky's insistence that the skills of a reporter are of no use to a PI backfires, and now she's stuck with a drop-dead gorgeous assistant and the case of a dying gay man looking for a child he might have

fathered. These chains of events—and an act of nature—will tear Micky's life apart in ways that may never be put back together. Fifth in the Lambda Award-winning Micky Knight mystery series.

German books in print

Rutgers University Press
You see it in every schoolyard: the girls play only with the girls, the boys play only with the boys. Why? And what do the kids think about this? Breaking with familiar conventions for thinking about children and

gender, *Gender Play* develops fresh insights into the everyday social worlds of kids in elementary schools in the United States. Barrie Thorne draws on her daily observations in the classroom and on the playground to show how children construct and experience gender in school. With rich detail, she looks at the "play of gender" in the organization of groups of kids and activities - activities such as "chase-and-kiss," "cooties," "goin' with" and teasing. Thorne

observes children in schools in working-class communities, emphasizing the experiences of fourth and fifth graders. Most of the children she observed were white, but a sizable minority were Latino, Chicano, or African American. Thorne argues that the organization and meaning of gender are influenced by age, ethnicity, race, sexuality, and social class, and that they shift with social context. She sees gender identity not through the lens of individual

socialization or difference, but rather as a social process involving groups of children. Thorne takes us on a fascinating journey of discovery, provides new insights about children, and offers teachers practical suggestions for increasing cooperative mixed-gender interaction.

The Dark Tide Regal Crest Enterprises LLC
More than any other ancient civilization, the Greeks placed the human body at the center of their culture. To them, the sculpted human figure

was both an object of sensory delight and an expression of an intelligent mind. In the modern popular imagination, mention of the ancient Greeks is likely to conjure up an image of idealized and naked youth, and it is true that the ideal nude, both male and female, is a striking feature of Greek sculpture. However, in later Greek art, sculptors and their patrons became increasingly interested in human diversity, experimenting with the representation of

ethnicity, age, social standing, and character. The marble, bronze, and terra-cotta sculptures presented in this volume--outstanding highlights drawn from over six centuries of artistic production--demonstrate the diversity of Greek figural forms, from the idealized beauty of the Classical era to the individualized portraits of the Hellenistic period. Large, stunning details testify to the artists' skills in portraying cold, hard materials as warm, human flesh.

The Quiet Violence of Dreams Pan Macmillan

"A writer is someone who pays attention to the world," Susan Sontag said in her 2003 acceptance speech for the Peace Prize of the German Book Trade, and no one exemplified this definition more than she. Sontag's incisive intelligence, expressive brilliance, and deep curiosity about art, politics, and the writer's responsibility to bear witness have secured her place as one of the most important thinkers and writers of the twentieth

century. *At the Same Time* gathers sixteen essays and addresses written in the last years of Sontag's life, when her work was being honored on the international stage, that reflect on the personally liberating nature of literature, her deepest commitment, and on political activism and resistance to injustice as an ethical duty. She considers the works of writers from the little-known Soviet novelist Leonid Tsypkin, who struggled and eventually succeeded in publishing

his only book days before his death; to the greats, such as Nadine Gordimer, who enlarge our capacity for moral judgment. Sontag also fearlessly addresses the dilemmas of post-9/11 America, from the degradation of our political rhetoric to the appalling torture of prisoners in Abu Ghraib. *At the Same Time*, which includes a foreword by her son, David Rieff, is a passionate, compelling work from an American writer at the height of her powers, who always saw literature "as a passport

to enter a larger life, the zone of freedom."

Women without Class

Running Press

An isolated writer's conference. A brutal real-life murder. Way too many cocktails. Can a mystery author and an ex-cop combine their powers of deduction to find the killer? Turning forty has left much to be desired for mystery writer

Christopher Holmes. After both his boyfriend and long-time publisher dump him, he worries his life is officially at the start of a steep decline. Stranded at

a writing conference for the weekend, he never expected to bump into an old flame... or stumble across a dead body in the woods. Ex-cop JX Moriarity is soaking up all the newfound fame from his successful crime fiction. When the only bridge into the conference venue washes away to reveal a dead body, Moriarity falls back on old skills to secure and investigate the crime scene. But even his years of experience couldn't prepare him for the discovery of a second body: his irascible, but

awfully cute ex-boyfriend Christopher. WAIT. ER, no, the corpse of Christopher's obnoxious editor. With all fingers pointing to Holmes, Moriarity has no choice but to clear the name of the man who broke his heart. Can the ex-lovers solve the murders and rekindle their passion, or will a killer attendee write them out of their Happy Ever After for good? Somebody Killed His Editor is the first book in the madcap Holmes & Moriarity romantic gay mystery series. If you like

tongue-in-cheek humor, crazy twists and turns, and sizzling chemistry, then you'll love Josh Lanyon's kooky, quirky novel. Buy *Somebody Killed His Editor* to storm into a classic murder

mystery today!
Revisoning Gender Crown
 Living at home with his parents, sanctimonious sister, and overbearing grandmother, sixteen-year-old Jarold--aka Jazz--struggles to cope with his less-than-perfect life,

including his therapist, his sexuality, tormenting schoolmates, and encounters with his high-school teacher at a local gay bar. A first novel. Original. 30,000 first printing.
